IN MEMORIAM

James P. Morgan served as Secretary of the Training Union Department of the Baptist State Convention for sixteen years. A native of Dunn, he was the Minister of Education at First Baptist Church, Durham, for seventeen years.

One who was close to Jimmy through the years had this to say about him at his funeral: "In this hour we memorialize the triumph of a great man—a great Christian—and a most effective denominational leader. Jimmy was a friend to all of us. We sought his wise counsel. He was ever ready to respond to any worthy call that challenged his mental alertness, courageous faith, and dynamic personableness. He never did a shoddy job. He always did that which was good, dared to do better and coveted the best for others as well as himself."

Jimmy was a beloved and valuable friend of our churches in the association. We will seek to serve God more faithfully and effectively because of his influence.

DEDICATED TO DR. E. LOWELL SPIVEY

Dr. E. Lowell Spivey is a native of Windsor, North Carolina, and a graduate of Wake Forest College and Southern Baptist Theological Seminary. He joined the staff of the Baptist State Convention in 1943. For ten years he was associate to the Executive Secretary in Promotion and Missions. In January, 1953, he was elected Secretary of Missions, Baptist State Convention of North Carolina.

Dr. Spivey has taught hundreds of pastors and 3,000 deacons in special schools. His keen insight of Christian principles has been of great value in the life of our churches. He has been a champion of missions at home and abroad. North Carolina has developed one of the most effective programs of Associational Missions in the Southern Baptist Convention. The Division of Missions he has headed includes 19 separate phases of work.

The churches of the Raleigh Baptist Association have felt the influence of Dr. Spivey for twenty-four years, and will continue to call upon him for special services. Our prayers and love will follow him as he serves the causes of Christ in North Carolina.

SECRETARY OF MISSIONS REPORT

The ministries of the Raleigh Baptist Association continue to show improvement. We are able through our associational program to offer more help to our churches and workers through the activities of the departments and committees of the association. New fields of service are opening up, and we have opportunities we have never had before. Some of our churches are experimenting with new techniques to meet the challenge of our urban society and the complexities of our day. During the year ahead we plan to keep you informed of these so that we can all do a better work for our Lord and our communities.

There is a growing awareness among our church leaders that we must reach out to minister to special groups in our society. These are: Adults who can not read, weak family unities—with resulting juvenile problems, families with mentally retarded children, apartment dwellers—increasingly difficult to reach, gainfully employed young people—living in apartments and boarding houses, and not being reached by our churches.

Our churches can not minister to these groups through the “usual church meetings and methods” and without a deep sense of compassion. To help in all of the above areas of need will require dynamic leadership, an informed church membership, a willingness to become involved in community needs, and a spiritual commitment to priorities.

The Raleigh Association can and will provide assistance to the churches as they minister to these various groups. Certain organizations and special committees will provide information, training, and resource materials of a specialized nature. Conferences, clinics, and personal guidance will be made available to the leadership of our churches. The churches and the association working together can do much to meet human needs.

One of the most exciting features of our work during the past year has been the Five Year Spiritual Growth Program. Its purpose is “to utilize what we already have in the way of organizations and committees in the best possible manner in order to reach unsaved people, to guide Christians toward spiritual maturity, and to develop a genuine New Testament church.” It is not too late for other churches to join those who have already decided to participate in this “do-it-yourself” plan of doing what Christ requires of our churches. Your Associational officers will be glad to assist you in this program.

The theme for our 1966-67 work in our Conventions and in the Association is “A Church Fulfilling Its Mission Through Education.” Your Associational officers pledge their best efforts and resources to make this theme a vital reality in the life of our churches. They need your co-operation if they are to render effective service.

4. The period of devotion was led by Robert S. Weathers.

5. Moderator Hodge, in his inspiring message, called attention to some of the problems which our churches face today in a changing society and he urged everyone to make use of the programs being planned and developed by the association as a means of helping to solve these problems. He invited participation in and support of the work of the association.

6. Secretary of Missions Robert L. Costner, after expressing appreciation to those closely associated with him in his work, set the stage for developing the topic, "The Raleigh Association In Action." Following a brief introduction Training Union Director Bennett Straughn presented a pictorial review of activities in the association. As usual his presentation was interesting and informative. W. T. Mills, Chairman of the Missions Committee, emphasized the needs of the association. He cited the per capita income in Raleigh and the surrounding area as a basis for adequate support for missions objects if church members tithe their income. He stated that through vision, dedication, and commitment the Raleigh Association can meet the challenge that faces it today. Ronda Robbins, Chairman of the Finance Committee, prefaced his remarks by stating that Baptist organizations have changed their functions as needs justify. Thus the Raleigh Association is no longer a "fellowship meeting" only. It is an organization designed to expand our work through financial stewardship and proper planning. A goal of sufficient income to buy one new church lot each year as long as need exists was suggested. He urged the messengers to return home with

a desire and determination to lend further support to the expansion phase of our work.

7. The congregation joined in singing "Glorious Is Thy Name, O Lord."

8. Special music was rendered by the St. John's Church choir.

9. Clerk Leon Spencer announced that 308 messengers and 70 visitors had been registered for the opening session of the annual meeting.

10. "The Gift of the Hand and The Gift of the Heart" was the title to an impressive message presented by Dr. E. L. Spivey, Director of the Division of Missions of the Baptist State Convention. After complimenting the leadership of the association he commented that "Too many Baptists do not become involved in the needs of others." As he challenged his congregation he brought into focus the coordination of body and soul—The Gift of the Hand and Worship of the Heart. He declared that there should be a sense of Oneness through Christian giving. When the gift of the hand is not the gift of the heart it can be cruel. Thus tithing should be always an act of worship and not just a gift through duty or obligation. "Where your treasure is, there will your heart be also."

11. Following several brief announcements the benediction was pronounced by R. L. Costner.

Friday Morning, October 28, 1966

12. John Baxley, Pastor of Swift Creek Church, opened the Friday morning session by leading the congregation in singing "The Morning Light is Breaking" and "May Jesus Christ Be Praised."

13. In extending a word of welcome, Wake Cross Roads Pastor O. W. Pulley called attention to the fact that the host church was 17 years older than the association, it having been organized in 1789. He stated that the history of the church is recorded on film and the original records are preserved in laminated covers.

14. Roger Montague read the Scripture as found in 1 John 1:7-11 and led in prayer.

15. The clerk extended a word of welcome to pastors and other staff members coming into the association during the past year.

16. In the absence of Mrs. John Carpenter who was ill, the Woman's Missionary Union report was presented by Mrs. Kyle Graybel. She called attention to the report in the Book of Advance

Reports and moved its adoption. In speaking to the report she sought to emphasize the several areas of PROCLAMATION appearing in W. M. U. literature and programs. The report follows.

WOMAN'S MISSIONARY UNION REPORT

Under the theme "A Church Fulfilling Its Mission Through Proclamation and Worship," Woman's Missionary Union of the Raleigh Association has sought to help the church achieve this through its program of work, during the 1965-66 year. W.M.U.'s concern for witnessing is worldwide. This world concern is found in the study, prayer, and stewardship phases of our program, and is also expressed locally in the Community Missions emphasis of our organization. Beginning with the elemental concept of "helping others for Jesus" in Sunbeam Band and building the mature concept of "Christian Witnessing" in Woman's Missionary Society, all W.M.U. organizations in Raleigh Association have tried to interpret the Christians' responsibility to proclaim the good news of Salvation. We are indeed grateful for the Lord's blessings unto us, and would like to express our appreciation to all who have rendered service to our Lord, through Woman's Missionary Union during the year.

As we review our work in the Raleigh Associational W.M.U., we would like to give a special word of "thanks" to all our host churches who welcomed us so graciously.

The leadership (or Methods) Conference was the first meeting of the year. This was held at Garner Baptist Church, October 26, 1965 with 339 ladies attending the day and repeat night session. Sixty churches were represented and 68 children were cared for in the nursery during the meeting.

November 8 & 9, 1965 at Ephesus Baptist Church our seven and one-half hour Woman's Missionary Union Basic Leadership Course was taught for W.M.S., and Youth Organizations. The W.M.S. and G.A. courses were taught by Associational Officers. Miss Sara Ann Hobbs, State Y.W.A. Director, conducted the Y.W.A. course, and Mrs. Louise Burgess, State Sunbeam Director lead the Sunbeam course. There were 165 who received their cards of accreditation for the completion of this course.

Two Mission Study Institutes were conducted during the year. The Home Mission Study took place at Boulevard Baptist Church January, 1966. The theme was "Panama: The Crossroads of the Nations." There were 119 attending the day and night sessions. Teachers were: Mrs. Wyalidine Hagler, Mrs. Gordon Maddrey, Mrs. Zeb Strickland, Mrs. J. D. Bowen, and Mrs. Sam O'Neal, and Mrs. Marshall Cobb. On September 27, 1966, our second institute, which was the Foreign Missions Study, was held at Carolina Pines Church. "New Mission Fields in Asia" was the theme for the day. There were 33 churches represented and 84 in attendance. Classes were led by Mrs. Robert Costner, Mrs. John Lawrence, Mrs. Zeb Strickland, Mrs. W. F. McClure and Mrs. Sam O'Neal.

"ASSIST ME TO PROCLAIM, 'Through the Home' "—was the theme for the Annual Session of the Associational W.M.U. which was held at Calvary Baptist Church, April 21, 1966. Host churches were Calvary, Hillcrest, Longview, Bethlehem, North St. and Samaria. Guest speakers for the morning session was Rev. James Stertz, Pastor of the Wake Forest Baptist Church and former missionary to Germany. The Reverend and Mrs. Bill Hern, missionaries to Jordan, spoke on "Witness Through a Missionary Home" during the afternoon session. Mrs. John Lawrence installed the new officers for the coming year. Queen-Regent in Service, Misses Paula Vann Carpenter, from

Good Hope Church, and Carol Golightly from Emmanuel Church were pages for the day. There were 49 churches represented with 359 attending.

The Associational Young Woman's Auxiliary Council, led by Mrs. H. H. Jones of Wake Cross Roads Baptist Church, held well attended quarterly meetings at Emmanuel, Forest Hills, Calvary and the S. & W. Cafeteria. Guest speakers were Rev. John Solano, and Rev. & Mrs. Bill Hern, missionaries to Jordan. There was an average attendance of 70 girls.

The Associational Girls Auxiliary held quarterly meetings at Boulevard Baptist, Swift Creek, and Oak Grove. Two of the programs were presented by girls of these churches, one on *Peace*, another a *Coronation Service*, and Rev. Russell Churchell was the guest speaker for the other meeting. There was an average attendance of 105 at these sessions.

A very able staff, led by Camp Director, Mrs. W. C. Adkinson, conducted a two week, Associational G.A. Camp at Umstead State Park. There were 255 girls enrolled, with 38 churches represented. There was a total of 144 decisions made for the Lord at this camp.

Another highlight of our year's work was the Annual Planning Meeting and Prayer Retreat in September held at the Boulevard Baptist Church Annex for the Associational W.M.U. Executive Board. It truly was a day of Inspiration, Dedication and Recreation. Mrs. Foy Farmer, led in a study of the PRAYER LIFE OF THE EARLY CHURCH, and Mrs. Robert Costner led in a study of the PRAYER LIFE OF JESUS. Our year's promotional work was coordinated at this session.

At the beginning of our year there were 10 churches in our Association that had no W.M.U. work. Through OPERATION 100% we sought to enlist and organize work in these churches. We are grateful for new work started in the following churches:

Pleasant Plains — W.M.S., Y.W.A., Sunbeam Band
Fuller Mission — 2 G.A.'s, Sunbeam Band
Community — W.M.S.
Union Chapel — G.A.
Macedonia — Y.W.A.
Wake Forest — Y.W.A.

The records show that there are 82 W.M.S. organizations in the Raleigh Associational W.M.U. with a membership of 4,343. These organizations foster the following youth organizations—14 Sunbeam Nursery Groups with an enrollment of 145. 132 Sunbeam Bands with 1,905 membership. 134 Girls Auxiliaries with 1,408 enrolled and 28 Young Woman's Auxiliaries with 251 members. There are 390 organizations with a total enrollment of 8,052.

There were 20 W.M.S. organizations, 5 Y.W.A.'s, 43 G.A.'s, and 49 Sunbeam Bands who received recognition on the Aims for Advancement. The Raleigh Associational W.M.U. will again earn Honor recognition for the 1965-66 year, with 15% of all organizations earning some recognition this year.

Our emphasis for the new year is "A Church Fulfilling Its Mission Through Education," and it is our Prayer that the Lord might, "Teach us, to serve thee with loyal and steadfast hearts; to give and not to count the cost; to fight and not to heed the wounds; to toil and not to seek for rest; to labour and build and not to ask for any reward, save that of knowing that we do thy will, through Jesus Christ our Lord."

17. Associational Superintendent Earl D. Crumpler moved the adoption of the report of the Sunday School as printed in the Book of Advance Reports. In speaking to the report he stated that the real mission is to reach persons for Christ. He called attention to the associational calendar and urged the messengers to include these dates in their plans for the coming year.

SUNDAY SCHOOL REPORT

In some respects this has been a good year for the Associational Sunday School organization in its ministry to the churches. There have been some excellent quarterly Sunday School Conferences. These are planned to help all age groups in the Sunday School to do a better job of Bible study.

Two Vacation Bible School Clinics were provided in the Association and the attendance was good. Those who participate in these Clinics are better prepared to reach more effectively the boys and girls in our communities. We would urge more of our churches to elect their Vacation Bible School faculties at an earlier date. This will give these leaders an opportunity for better training and preparation.

Sunday School Action Night is an annual meeting in our Association and deserves a wider support on the part of our Sunday School leaders in the churches. It serves several purposes, such as:

1. Presenting Associational goals (based on Churches' needs.)

2. Presenting plans for Associational activities, designed to help the churches accomplish their objectives.

3. Presenting the Associational Sunday School officers.

4. Introducing the next year's Sunday School emphasis and explaining the programs and materials.

5. Motivating workers to accomplish the Sunday School tasks.

We are asking each Sunday School in our Association to accept a net enrollment increase of 4% for 1967, 5% for 1968, 6% for 1969, and 7% for 1970. The people are all around us who need Bible study and who need to be reached for the Christian experience.

We can reach the above growth goals by the following:

1. Locate the prospects
2. Enlarge the Sunday School organization
3. Provide needed space
4. Enlist and train workers
5. Visit the prospects (regularly and with compassion)

18. In the absence of Training Union Director Bennett Straughn attention was called to the report as included in the Book of Advance Reports. By common consent the report was adopted and ordered printed in the annual minutes.

TRAINING UNION REPORT

The Training Union had during the past year four officers' and leaders' meetings, four mass meetings, four executive meetings, and one clinic.

As usual, "M" Night was one of our biggest events of the year. Our speaker for this occasion was our own Rev. Robert L. Costner, Secretary of Missions. The "M" Night choir was under the direction of Rev. John Baxley, pastor of the Swift Creek Baptist Church. According to reports from our State Training Union Department, our association ranked first in the State in "M" Night attendance with 2,376 present.

Our annual banquet is looked forward to with much interest and enthusiasm. It was held this year on May 6 in Carroll Hall at the Tabernacle Baptist Church. There were 220 present.

Youth night this year was attended by 247 which was held at the Tabernacle Baptist Church.

Interest continues to grow in our summer assemblies as evidenced by the increasing attendance at all of our assemblies. We are certain that representatives from our association were in attendance at each of our assemblies.

Participation in the various tournaments continues to increase. This year 16 Juniors participating in the Memory Work Drill were declared winners. They were: Richard Carter of Falls Church; Alan Cope, Alta Edwards, Laura Beth Harris, Max Harris, and Joe Middleton of Forest Hills Church; Jackie Ferrell, Theresa Green, and Donna Medlin of First Church, Garner; Susan George and Tim Thompson of Hayes-Barton; Nancy Greene of Tabernacle Church, Raleigh (four-year winner); Kim Bowen, Rhonda Bowen, Shannon Critcher, and Amy Richardson of Turner Memorial. In the Intermediate Sword Drill, Miss Jo Ann Utter of Forest Hills Church, Raleigh; in the Young People's Speakers' Tournament, Tommy Deese of New Hope Church; in the Adult Scripture Reading tournament, Mr. David Terry of Hayes-Barton Church, Raleigh.

Bennett Straughn, Director

19. Garland D. Price, Brotherhood President, brought the report for the Brotherhood. Upon his motion the report was adopted.

BROTHERHOOD REPORT

The Brotherhood of the Raleigh Baptist Association faces a year of challenge in the organizing of new Brotherhoods, and in the promotion of our Royal Ambassador work in the churches of the Association.

The role of an associational Brotherhood is to promote and train. It is the organization in the Association which assists the churches in their program of missionary education and mission involvement for men, young men, and boys, through promotion, training, and enlargement.

Your Associational Brotherhood officers will seek to provide a number of quarterly meetings and an annual Brotherhood Workshop that will bring new vitality to Church Brotherhoods and Royal Ambassador Chapters.

Pastors and church leaders among the men are urged to involve more men and boys in the mission tasks of the church. Your Brotherhood officers will be pleased to assist in the organization of new Church Brotherhoods and Royal Ambassador Chapters and in some churches to re-organize their Brotherhoods.

Your Associational Brotherhood Objective is to Lead Men to—

1. A deeper commitment to missions.
2. A more meaningful prayer life for missions.
3. A larger stewardship on behalf of missions.
4. A personal involvement in missions.

Garland Price, Brotherhood Director

20. Music Chairman John Baxley moved the adoption of the report as presented in the Book of Advance Reports and then spoke to the report. He stated that quality in good music does not just happen. It has to be planned. He invited those in the field of music

to make use of the new officers in planning their programs for the new year.

MUSIC REPORT

1966 was the launch year for the new associational music ministry plans with new objectives, organization, approach, literature, and guidelines. With the help of the other music officers, this program was put into effect. An effort was made this year through a questionnaire to the churches to find out the needs in the local music programs. Out of these grew the plans to implement the program. An associational choral clinic was held in the Calvary Baptist Church to assist the choir members and directors.

During the year the churches were urged to participate in several activities such as the hymn-of-the-month, music festivals, carol sings, a Day of Singing and Praise, and expanding the music ministry of the local church.

Several churches requested and used the associational workers in music schools, revivals, homecomings, worship services, study courses, carol sings, music expansion week, and as an informational agency to help in securing music personnel for the churches.

As this year comes to a close, I prayerfully urge you to use to the fullest the opportunities provided by your associational officers in the music department and especially the newly elected and very capable leader for the new year, Mel Luther.

John Baxley, Director

21. Announcement was made that Mrs. W. Perry Crouch, wife of the General Secretary of the Baptist State Convention, was critically ill in Asheville, whereupon a motion was offered to express to Dr. Crouch by telegram the interest and concern of the association and to assure him of its prayers.

22. The congregation joined in singing "Faith Is The Victory."

23. A special message in song was given by Proctor Massey.

24. Pastor Jack Painter of the Knightdale Church read the Scripture as found in Luke 24:45-48 and Isaiah 6:11-12 and offered prayer, after which Joe Zimmerman, Pastor of Bethany Church, brought an inspirational and challenging message on the text entitled "Toward a Greater Witness." He stated that we argue about theology and doctrine instead of being a witness to all people. Present statistics indicate that we are becoming more pagan each day. In seeking an answer to this trend the speaker asserted that we must have a re-evaluation of our mission and get a vision of the serious world need. Of the 180 million people in the United States 65 million are not affiliated with any church. Pastor Zimmerman urged everyone to awaken from a complacent attitude and keep pace with the population growth and change. In speaking about the reduction in enrolment at the seminaries he prompted his congregation to furnish the direction for our young people who are the leadership of tomorrow.

25. The moderator presented the matter of inviting the State Convention to hold its 1968 sessions in Raleigh. The messengers promptly voted to extend such an invitation.

26. The Congregation joined in singing "O Zion Haste" and "Take The Name of Jesus With You."

27. The clerk announced that 410 messengers and 299 visitors had enrolled during the two sessions of the association.

28. Gordon Maddrey, Executive Secretary of the Baptist Foundation, was recognized. In speaking to the report found in the Book Of Advance Reports he emphasized that a primary purpose of the Foundation is that of service to individuals who desire to support the Baptist causes both while they are living and also when they are no longer with us. He urged that everyone consider making a Christian will and continue to support the object of his choice. The report was adopted as follows:

FOUNDATION REPORT

Sometimes in writing an annual report we are tempted to make a very large mistake to discover that people really read the report. The only mistake in this report may be one of over-enthusiasm for the fine way the Baptists of North Carolina are beginning to understand and use the Foundation. I wish it were possible for me to share with you all of the responses we have been privileged to participate in during the past year. This has been a good year in Baptist Foundation work and we are eternally grateful to each one of you for having a part in promoting the work of the Foundation.

We are indeed grateful to the pastors of this state for the wonderful cooperation they have accorded the Baptist Foundation. They have encouraged us greatly by furnishing the names of individuals who may be interested in the Foundation; they have invited us to their church to speak on various occasions; they have been most generous with their time in discussing with us the problems, programs, and purposes of the Foundation whenever we had the opportunity to discuss it with them. Many of our lay friends, lawyers, bankers, trust officers, and other interested individuals have given their time and have helped us materially in promoting our work.

Assets of the Foundation have increased during the past year and at the last accounting, around December, the total assets of the Foundation had reached approximately one million dollars including our real estate. Right many of our people are setting up memorial funds, trust agreements, annuity agreements, and are using other services provided by the Baptist Foundation. We believe we are organized in such a manner that we can answer most any request an individual makes of us, either through the church or as an individual, if he will make his wishes known to us. By this I mean that we can visit him individually and explain the work of the Foundation and how he may participate in it, or we can go to any group meeting that would provide an opportunity to discuss will making and uses of the Foundation. We covet your continued prayers for this work and hope that in the future you will make use of the facilities of The North Carolina Baptist Foundation, Inc.

C. Gordon Maddrey, Executive Secretary

REPORT OF THE EXECUTIVE COUNCIL

The Executive Council of the Raleigh Baptist Association met at the Tabernacle Baptist Church on January 10, 1966. The meeting was called to order by the Moderator, H. A. Hodge. The Reverend Jerry Niswonger, pastor of Zebulon Baptist Church, led in prayer. The members present were requested to introduce themselves and to identify their church.

Attention was called to the Sunday School quarterly meeting to be held at Emmanuel Baptist Church on January 17. Age group conferences are to be led by the departmental superintendents.

Mrs. John Carpenter, Associational W.M.U. President, presented a report of work and plans of the Woman's Missionary Union. She spoke of plans to strengthen the missionary impulse and effectiveness of each church. Special efforts are being made to establish W.M.U. organizations in every church. Mrs. Carpenter called attention to the W.M.U. Mission Study Institute to be held on January 24 and the Y.W.A. Focus Week in February.

L. G. Bullard, Associational Treasurer, presented his quarterly report and gave written copies of the report to Council members. A motion to adopt the report as read was approved.

William Mills, Chairman of the Missions Committee, gave a progress report of the efforts to purchase land on 401 South of Raleigh as the site for a future church. He also explained the committee's work in other areas of the association.

Robert L. Costner discussed information relative to the Five Year Spiritual Growth program and announced the Clinic dates for February 1 and 15.

The Reverend Jack Bullard, pastor of Millbrook Baptist Church, suggested some questions relating to our special ministry to various groups in our association and the changing trends in our population, with special reference to apartment problems.

The Reverend Jerry Privette, pastor of Hephzibah Baptist Church, led the closing prayer of the Council.

The Executive Council of the Raleigh Baptist Association held its second quarterly meeting at the Carolina Pines Baptist Church on Monday, April 18, 1966. H. A. Hodge, President of the Council, called the meeting to order and recognized George Pettigrew, pastor of the host church, who extended a word of welcome to the Council and led in prayer.

Jerry Niswonger read the minutes of the previous meeting which were approved as read.

O. G. Buchanan was presented and welcomed as pastor at Caraleigh Church.

In the absence of Ed Sessom, the Sunday School report was made by Robert L. Costner. He called attention to the Vacaton Bible Clinic just held at Ephesus and the one scheduled at Samaria on April 19.

The Training Union banquet scheduled to be held at Tabernacle Church on May 6 promised a capacity crowd as almost all the tickets had been sold. State Training Union Secretary Jimmy Morgan had accepted the invitation to be the speaker.

Mrs. John Carpenter, President of the Associational W.M.U., commented on the State W.M.U. Convention and called attention to the Annual Associational meeting of the W.M.U. to be held at Calvary Church at their new location on April 21. She reminded the Council of the G.A. Focus Week scheduled for the third quarter and invited support through the churches represented.

Treasurer L. G. Bullard distributed mimeographed reports of the financial position of the Association as of March 31, 1966. After answering several questions to the complete satisfaction of the Council a motion to adopt the report prevailed. H. A. Hodge added a word of appreciation to Mr. Bullard for the faithful and efficient manner in which he handles the financial affairs of the Association.

Robert L. Costner reviewed several of the significant events taking place in the work of the Association. He cited particularly the 5-Year Spiritual Growth Program being promoted by the State and Southern Conventions. He expressed a feeling that adoption of this program would be meaningful and helpful to all churches, small or large. He called attention to the Mother's Day offering and urged the pastors to keep their churches informed although no special offering was taken. He suggested that publicity be given the W.M.U. meeting at Calvary to which Mrs. Carpenter had already alluded, and that everyone should try to schedule his appointments so that he could attend the meeting.

The matter of studying means of helping the deaf, the mentally retarded, and other groups in need of guidance, developed into a forum of interest among the group. Mrs. Carpenter commented that it might be helpful to have a survey of existing programs so that we can more easily recognize the opportunities within our midst. Upon motion of Jack Bullard and second of Allen Laymon, a motion was adopted that the president appoint a Community Action Committee (five members suggested) to study plans to interpret and coordinate the work of the Association. During the discussion comments on exploring new avenues to service to our people were predominating.

Leon Spencer requested that anyone having copies of the 1965 minutes to spare should send or deliver them to the Associational Office. He stated that apparently the printers had an underrun this year because only a few copies had been furnished to the office.

Mr. Costner added a request for any old minutes held by a church so that the Association office could complete its library of annual minutes.

Mr. Hodge reviewed briefly the calender of activities and urged everyone to try to schedule his own program to avoid as many conflicts as possible.

There being no further business to require the attention of the Council it adjourned following prayer by Allen Laymon.

The Executive Council of the Raleigh Baptist Association held its quarterly meeting at the Longview Baptist Church, October 10, 1966. Moderator H. A. Hodge, Jr. called on Groce Robinson, pastor of Longview for remarks of welcome and prayer.

Mrs. John Carpenter, W.M.U. President of the Raleigh Association, gave an informative summary of Woman's Missionary Union activities in the association. She made detailed reference to the challenge that remains for better missionary efforts within the association. She called attention to the spiritual blessings of the Planning and Prayer Retreat of the Executive Council of the W.M.U. Mrs. Carpenter called for wider support of the Week of Prayer for Foreign Missions and the Lottie Moon Christmas offering. She informed the council members of the training conferences that bring valuable assistance to the local leaders of W.M.U. work.

The Committee on Nominations report was presented by John Lambert, chairman of the Committee on Nominations. The following were nominated: Moderator, H. A. Hodge, Jr.; Vice-Moderator, Lamar Brooks; Clerk, Leon Spencer; Treasurer, L. G. Bullard; Trustees - John Simms, Carl P. Holleman, Shearon Harris; Sunday School Superintendent, Earl Crumpler; Training

Union Director, Bennett Straughn; Brotherhood Director, Garland Price; Director of Music Education, Mel Luther. These will be presented to the Annual Session of the Association for election.

L. E. Forrest, Chairman of the Committee on Committees, gave his report for associational committees for the new year. He moved its adoption and the report was approved by the council.

The report of the Finance Committee was given by L. D. Holt, member of the Committee. This report included the proposed budget for the new associational year. It was discussed and approved. Final action will be taken on the budget at the annual session.

L. G. Bullard, Treasurer of the Association, gave his quarterly report and a brief summary of financial progress for the year. He noted an increased support on the part of many churches in the association. His report was approved by the council.

A brief summary of the work of the Missions Committee was presented by W. T. Mills, Chairman of the Committee. He noted the efforts to obtain new sites for churches that are needed in several areas of the association. He called attention to the two sites that are now being paid for by the association.

The report of the Calendar Committee was given by Robert L. Costner, in the absence of the chairman. He called attention to the monthly meeting that is known as Associational Night and urged the churches to a more loyal support of these meetings. Copies of the proposed calendar were distributed and the report was approved.

Robert L. Costner called attention to the Associational Brotherhood Workshop that will be held at Garner First Baptist Church on October 17-18, 1966. He urged that members of the Brotherhood and Leaders of Royal Ambassadors attend this training session. He cited the recent Central Leadership School as an effort on the part of the association to assist the churches in their educational programs. He told the council members of the recent illness of Bennett Straughn, Training Union Director of the Association. He noted that Dr. Porter Routh, Executive Secretary, Treasurer of the Southern Baptist Convention, will be the "M" Night speaker on December 5, 1966.

The meeting was adjourned with prayer by Jerry Niswonger, pastor of Zebulon Baptist Church.

Associational Clerk

MISSIONS COMMITTEE REPORT

The Raleigh Baptist Association is now in the process of purchasing two Church lots, one located on Birchwood Drive at Lead Mine Road, and the other located on 401 South at Brookwood Drive. These two lots at the present are all that our budget will allow us to purchase. We hope, however, with an increase in our Associational Budget for the coming year to be able to negotiate for other lots in strategic places located across our Association. Your committee is seeking to keep abreast with the particular growth areas in and around Raleigh as well as over the county. We seek in every situation to work with the local churches and pastors believing that they are the key personnel in the launching of any new work. We also welcome the suggestions of all our pastors, believing that it requires the work of each of us if we are to properly do our job.

In order to identify to the public the purpose of the lots we are purchasing we have had signs painted and erected on each site. These signs tell that these lots are future Church sites, and that these new Churches will be

Southern Baptist Ministries sponsored by the Raleigh Baptist Association. We also have listed the Associational Office phone number in order that interested persons may learn more of our work and intentions for these areas.

REPORT OF THE COMMITTEE ON ORDINATION

The Committee examined and recommended the following candidates for Ordination:

Ray McPherson was examined February 3, 1966 at the request of the Pleasant Grove Baptist Church. He was ordained at the Pleasant Grove Baptist Church.

Larry Knowles was examined April 23, 1966 at the request of the Forest Hills Baptist Church. He was ordained at the Forest Hills Baptist Church April 24, 1966 to become pastor of the Haycraft Baptist Church, Elizabethtown, Kentucky.

Robert Bailey was examined June 6, 1966 at the request of the Bay Leaf Baptist Church. He was ordained at the Bay Leaf Baptist Church.

Alfred M. Johnson, Jr. was examined September 12, 1966 at the request of the Fuquay-Springs Baptist Church. He was ordained at the Fuquay-Springs Baptist Church to become pastor of the Semora Baptist Church.

29. The clerk brought a digest of the church letters and commented briefly on some information he had gleaned from the various letters. Although total membership had grown during the year the number of baptisms had declined slightly. Sunday School enrolment increased about 600, but Training Union and WMU reflected a slight decline. Per Capita gifts to missions continued to climb. The 1965-66 year showed that the average mission gift per member in the association was \$12.99, moving up from \$12.31 the previous year. Cooperative Program gifts had gained about \$14,500 over the previous year of \$274,283. Hayes Barton led in per capita mission gifts with \$35.88; Raleigh First, second, with \$34.44; Forest Hills, third, with \$30.53; Fuquay Springs, fourth, with \$24.73; Ridge Road, fifth, with \$23.03; Cary First, sixth, with \$21.26; Apex, seventh, with \$20.79; Turner Memorial, eighth, with \$20.13; Rolesville, ninth, with \$18.49; and Boulevard, tenth, with \$17.72. Churches reflecting the largest percentage of total income going to missions are as follows: Fuquay Springs, first, with 34.4c out of each dollar; Raleigh First, second, with 32.1c; Rolesville, third, with 30.4c; Forest Hills, fourth, with 29.5c; Hephzibah, fifth, with 28.5c; New Bethel (J), sixth, with 28.2c; Apex, seventh, with 27.9c; New Bethel, eighth, with 26.9c; Wake Forest, ninth, with 26.9c; Fuller Memorial, tenth, with 25.8c; Oak Ridge, eleventh, with 25.5c; and Collins Grove, twelfth, with 25.0c.

30. Finance Chairman Ronda Robbins presented the proposed budget for the 1966-67 associational year and offered suggestions

for methods by which the total needed can be realized. After an opportunity was given for discussion the budget as presented was, upon his motion, adopted.

SOCIAL SERVICES REPORT

Worldliness characterizes the day in which we live. Man is obsessed with himself and his gadgets. He is reaping the fruits of frustrations and

meaningless existence due to his misplaced values. Pride and selfishness have robbed him of peaceful relations to his fellowman. He finds himself far removed from God, whose blessings he receives but whose love he betrays. Shamefully our day is noted for its dethronement of God, estrangement of men, rampant evils.

In such a world we Christians live, move, and have our being. Our primary reason for being is to find ourselves in Christ, to lose ourselves for Christ, and to give ourselves in Christ's service.

For the sake of Christ and the redemption of this spiritually enemy and morally twisted world we Christians must give ourselves to inreach, outreach, and upreach.

A genuine concern for Inreach is needed in our churches. We need to look inward to see who we are and how we stand before God and how we are being used by God.

Are we really being the Church today? The Church is God's people, the body of Christ, carrying on the life and work of Christ. The Church must "know" its Head, its Creator, the One to whom it belongs. This knowledge and acting upon it must lead us to Christ in full involvement, integration and obedience.

This Inreach can help us in self-evaluation and in self-development.

The challenge of Outreach must ever be in the Church's view and purpose. The Church is the moral and spiritual conscience in the community and world. For the Church to save itself it must lose itself in Christ's service. For the Church to be strong within it must share itself, its message, and its ministry out in the world. Church activities, such as worship, teaching, training, praying are all needful, but they should be viewed as preparations for Outreach.

To have a real concern for Inreach and to accept the challenge of Outreach means that the Church is obeying the command for Upreach.

The ultimate gaze and goal of Christians go beyond the inward and the outward on to the upward.

For the sake of Christ and our faithfulness to Him, the Social Services Committee challenges Christians and Churches to zealously pursue Inreach, Outreach and Upreach.

33. The calendar for the new year was presented by Wayne Harper, chairman of the committee. Following appropriate comments concerning the calendar his motion to adopt it prevailed. It appears elsewhere in the annual.

34. William Poole, Chairman of the Committee on Memorials, presented an appropriate and impressive memorial service for those who have passed away during the year. Upon his motion the following report was adopted.

MEMORIALS COMMITTEE REPORT

It has been proven down through the years that Baptists are not unmindful nor unthoughtful of those precious souls who answered the call to a fuller life. Each year at their annual associational meetings and conventions, both state and nationwide, they have paused in their deliberations to place a leaf

of love in the Book of Memory of the saints who, during the preceding year, walked "through the Valley of the Shadow of Death."

Certainly, we are helped and encouraged most in our Christian living as we realize that today "we are treading where the Saints have trod." Saints who walked with God; saints who "tended the light" of Christian devotion; and saints who have left behind a rope of endless love still tugging at the doors of countless hearts.

So today, we, the members of the Raleigh Baptist Association, pause with deep gratitude to place another leaf of love in the Book of Memory bearing the names of those who made their spiritual contributions to the cause of Christ and His Church. Thus, we can say about them what an old soldier of the cross said about his friend as he stood by the graveside. Said he, "It is not good-bye, my friend, because I will see you in the morning."

REPORT ON TIME, PLACE AND PREACHER

The 1967 session of the Raleigh Baptist Association will be held with the Hayes Barton Baptist Church on Thursday evening, October 26, 1967.

The morning and afternoon sessions on Friday will meet with the Hephzibah Baptist Church. Host churches are Bethany, Central and Wendell.

We recommend T. Robert Mullinax of the First Baptist Church, Cary, to preach the annual sermon and G. P. McKeithan of the Salem Baptist Church as alternate.

We recommend the 1968 session of the Raleigh association meet with the Raleigh First Baptist Church on Thursday evening after the fourth Sunday in October.

We further recommend the morning and afternoon sessions on Friday meet with the Ephesus Baptist Church. Host churches are Mt. Olivet, Boulevard, Cary First and Greenwood Forest.

L. M. Woolweaver, Chairman

43. Alphonso Jordan, Chairman of the Resolutions Committee, presented the following resolutions which were, upon his motion, adopted.

THE COMMITTEE ON RESOLUTIONS

1. We resolve that the Raleigh Baptist Association does express its sincere thanks to H. A. Hodge for the splendid way he has presided over this 161st Annual Session.

2. We resolve to express our thanks to all of those who have taken part in this splendid program, all speakers, musicians, and to those who have given reports from the various departments of our Association.

3. We resolve to express our appreciation to the host churches, St. John's, Wake Cross Roads, Rolesville, Bethlehem (C) and Oak Grove, for this Annual Session. Their hospitality and cordiality have been clearly demonstrated and appreciated.

4. We resolve to express our gratitude to our Associational Clerk, Leon Spencer, and to our Associational Treasurer, L. G. Bullard, for their faithfulness and efficiency. Their tasks require much effort, time, and ability. For their devotion and service we are thankful.

5. We resolve to give a higher degree of loyal support and service to our Association and to the Kingdom work of our Baptist State Convention.

6. We resolve that these minutes be written in memory of Jimmy Morgan who has been taken from us since our last Annual Session.

7. We resolve that these minutes be dedicated to Dr. E. Lowell Spivey, Secretary of Missions, Baptist State Convention of North Carolina. Dr. Spivey has been with Convention for 23 years, and has been a great friend and promoter of Associational Missions.

Alphonso Jordan, Chairman

44. J. Marse Grant, Editor of the Biblical Recorder, gave a brief but impressive message on better communication. He stated that we have not communicated unless we get across our mission. He added that the need is great for communicating the spirit of

Christ. He expressed the feeling that the RECORDER is an effective channel of communication and urged the messengers to lend their support toward getting a copy in every home every week.

REPORT ON THE BIBLICAL RECORDER

Many important issues are facing North Carolina Baptists. Churches are making decisions on the Life and Work Curriculum, especially whether to use the Life and Work Sunday school lesson or the Uniform Lessons. For a period of at least six months, the RECORDER will run both lessons as a service to our churches.

In our state, changing conditions are raising serious questions about the fate of almost every institution we support. In the near future Baptists will have to decide our future course in higher education and in our Social Service institutions, especially in view of increased government participation in these areas. The RECORDER will present the issues and possible choices open to us.

In the Southern Baptist Convention, there is talk of a name change. The work of our Baptist colleges is being studied as never before. A great Crusade of the Americas is in the planning stages. All of us need to know about these developments.

In addition to issues within our own denomination, new and disturbing clouds are on the horizon elsewhere. Talk of a New Morality, the so-called Death of God Movement, and the drastic changes in young peoples attitudes toward the church are being widely discussed. Christians need to be informed on these trends.

A drive is taking place in North Carolina for liquor-by-the-drink. The 1967 General Assembly will consider such proposals and Baptists need a dependable source of information so they can act when necessary. The RECORDER will give on-the-spot coverage.

Instead of merely receiving this as a report, please take definite action to see that the RECORDER soon goes to every family in your Church membership. All of us know that the RECORDER is just as important as other literature which our churches distribute, if not more so. No other publication can take the place of the BIBLICAL RECORDER.

In these inflationary times, it is refreshing to have something that is not out of reach financially. Under the Church Budget Plan, the RECORDER is available for \$2 a year—the same price it was more than 100 years ago. Your church will be a stronger church with every family receiving our state paper each week. Don't delay this important decision, especially in view of the issues facing North Carolina Baptists in the coming year.

Respectfully submitted,
J. Marse Grant, Editor

COOPERATIVE PROGRAM REPORT

A pressing need of each church in our association is an undergirding of the Cooperative Program with prayer. Information on the world wide missionary work carried on through the Cooperative Program will form a basis by which your church can pray with knowledge and zeal.

The Cooperative Program must be nurtured in prayer because information alone is not enough. It is hoped that every church will have a special prayer

for some mission cause supported through the Cooperative Program in the Prayer Service each week during the month of October.

We are witnessing the greatest missionary advance in Southern Baptist history in missionaries being sent, benevolent work done and training of young people for world wide service. This advance is being made through our missionaries, orphanages, schools, homes for the aged, and our Baptist hospitals. Through the Cooperative Program you literally feed the hungry, clothe the naked, heal the sick, and preach the gospel to the far corners of the earth.

We are making progress in our concern for those Jesus came to seek and to save. Each year more of our churches are increasing Cooperative Program giving and at the same time others are beginning whole hearted participation.

Several associations in North Carolina have 100% of their churches giving through the Cooperative Program. According to available records our Association gave a total of \$291,577 this past year through the Cooperative Program. Seven churches did not share in world missions through the Cooperative Program.

With enthusiasm let us be faithful in worshiping with tithes and offerings, and our church sharing regularly through the Cooperative Program for the benefit of a lost world.

Recommendations

We recommend:

1. That every church plan a stewardship program to subscribe and thoroughly promote the church's budget.

2. That we engage regularly in prayer for Cooperative Program causes and give special emphasis to prayer for these needs during the October Cooperative Program Prayer Emphasis.

3. That the churches give regularly through the Cooperative Program.

44a. Bruce Heilman, President of Meredith College, brought an inspiring and challenging message in behalf of Christian Higher Education. In stressing the needs for the colleges he stated that nothing important is easy. He urged enthusiastic support of this area of our interests and invited us to project ourselves positively in the future.

As of now, approximately 600 young men and women who expect to give their lives to one of the Christian vocations are enrolled in the North Carolina Baptist colleges. These include: pastors, chaplains, directors of religious education, directors of church music, home missionaries, foreign missionaries, institutional workers, denominational workers, teachers, and many others.

The above figures represent the Cooperative Program income budget for the Council on Christian Education and the seven North Carolina Baptist colleges for 1966. In addition to this, each college will share in an anticipated Cooperative Program overage of approximately \$120,000. For 1966 the Cooperative Program income for the seven Baptist colleges represents an endowment in excess of \$35,000,000. This guaranteed annual income is an important factor in maintaining accreditation. The Cooperative Program has been called the lifeline for the North Carolina Baptist colleges. An advance for the Cooperative Program is always an advance for Christian higher education.

CHRISTIAN EDUCATION DAY

We are grateful that more churches each year are participating in the observance of Christian Education Day, which is always on Father's Day, in June. There are two objectives in observing Christian Education Day: to afford each church an opportunity for the congregation to become better acquainted with the contribution of our Baptist Colleges to the denomination; to provide an opportunity to make an offering over and above the regular Cooperative Program giving. This offering now amounts to more than \$100,000 and could very easily go to \$200,000 with the cooperation of our Baptist Churches. We urge every church to observe Christian Education Day in 1967.

PRESIDENTS RETIRING

Dr. Hoyt Blackwell, Mars Hill College, and Dr. Carlyle Campbell, Meredith College, retired at the close of the school year, 1966. Dr. Leslie Campbell, Campbell College, has announced his retirement as of June, 1967. Too much could not be said for the contribution which these men have made to the cause of Christian higher education. They have been appropriately honored by their institutions, the Baptist State Convention, the Council on Christian Education, and the **Biblical Recorder**.

TWO NEW PRESIDENTS ELECTED

Two fine Christian men, both of whom have served as deacons in Baptist churches, have been elected to head Mars Hill and Meredith Colleges. Both of these men possess the highest Christian and educational qualifications. Dr. Fred Bentley, formerly dean of the College of Arts and Sciences, University of Louisville, is the new president at Mars Hill College, and Dr. Bruce Heilman, formerly vice president of Peabody College, is the new president of Meredith College.

A special committee is at work at Campbell College to recommend Dr. Leslie Campbell's successor.

EMPHASIS ON CHRISTIAN VOCATIONAL WORKERS

The Council on Christian Education, at the July meeting on the campus of Chowan College, voted unanimously to engage in a special study on the Christian vocational worker.

Concern is being felt throughout the Convention because of the general decline in the number of young people choosing a Christian vocation. Two of the main emphases of this study will be: (1) The most effective way that the Baptist colleges, the State Convention, and the local churches can join hands in enlisting more young people for the Christian ministry. (2) How more financial assistance can be made available to these students.

COUNCIL PUBLICATIONS

Since the Associations met the last time, **A Manual for College Trustees** was published in both hardback and paperback. The demand for the manual has exceeded expectations. It has not only been purchased by most of the Baptist Colleges in the Southern Baptist Convention, but other denominational colleges and some private and state-supported institutions have requested copies. The second edition of the manual is expected to be printed sometime around the first of the year.

The Council self study, "A Statement of the Aims and Objectives of Christian Higher Education," has been published and distributed to pastors and other Baptist leaders in North Carolina. More than 600 copies of this booklet have been sent, upon request, to schools and denominational leaders outside of the state.

BAPTIST EDUCATION STUDY TASK

The Baptist Education Study Task, under the leadership of Dr. Rabun L. Brantley, executive secretary of the Education Commission, and Dr. Albert McClellan, program director of the Executive Committee of the Southern Baptist Convention, will complete its work at the second national conference on Southern Baptist Christian higher education, to be held in June 1967, Nashville, Tennessee.

Three regional seminars will be conducted again in North Carolina in 1967. They will be held in the Raleigh area, the Winston-Salem area, and

the Asheville area. Accreditation, its meaning and necessity, will be one of the central themes of the seminars this year.

Seven areas related to Christian higher education are being studied: the philosophy of Christian Education, academic scope, religious scope, the Christian College teacher, financing Christian higher education, college-denominational relationships, academic freedom, and academic responsibility.

Following the June conference in Nashville, the findings Committee is expected to make its final report.

46. W. K. McGee, Director of Denominational Relations at the North Carolina Baptist Hospitals, gave an informative and impressive report covering some of the services rendered by the Baptist Hospital. He enumerated sources of income that can be applied to the expenses of the indigent patients which revealed that increased support through the Mother's Day offering is sorely needed to meet the demands that are being made on the Hospital. He called attention to the respect which world leaders pay to the School of Pastoral Care as well as other areas of service. He told the messengers that Richard K. Young has been invited to appear in several seminars and forums in Europe in 1967. The report of the Hospital was adopted.

BAPTIST HOSPITAL REPORT

Our Baptist Hospital and Medical School are a center of healing for body, mind and spirit. It is a center of training of medical personnel and Christian workers, and a center of scientific research for the advancement of medical care.

Without a vast amount of medical research, there would be no heart surgery today by which lives are saved in our Baptist Hospital almost every week. Without a staff of highly trained and experienced specialists and a vast amount of expensive specialized equipment, our Baptist Hospital could not offer the highly skilled medical care which is available to us when serious illness strikes and a fine medical center is needed.

The kind of medical care provided by our Baptist Hospital is very expensive, and the Hospital has no choice but to ask full payment of all who can pay. The Hospital has been spending in free care for our people far more than it receives from our Mother's Day Offerings. This has caused the Hospital to run into debt the past two years and the same has been happening this year. Our people need to understand this and to recognize that we are going to have to provide much greater support if the Hospital is to continue to provide free service in the same manner for those who cannot pay for it.

THE CHILDREN'S HOMES REPORT

Under the impact of life, ministry and teachings of Christ and under the leadership of the Holy Spirit, North Carolina Baptists, eighty-one years ago launched a Christian ministry of child care. This has grown considerably and is widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Children's Homes are scattered throughout the world. They are actively engaged in all walks of life and are making a significant contribution to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptists and other friends.

As we continue to build upon foundations already laid, special attention is being given certain areas of child care. An already strong program of group care is being strengthened at Mills Home, Kennedy Home and Odum Home. A good degree of progress has been realized in working with emotionally disturbed children at Greer Home in Chapel Hill. The demonstration Child Development Program for preschool children, conducted on the Mills Home campus, had an excellent first year of operation. Churches throughout the state are studying the program and facilities preparatory to providing similar services. Prospects are encouraging for a home for children in the western part of the state more adequately to serve the needs of our people who live west of the Blue Ridge Mountains. Constant attention is being given to more effective ways of meeting the highly specialized needs of children coming out of broken and inadequate home situations.

We have a large number of good Christian homes for the care of foster children. More are needed in all sections of the state. Foster homes serve children of all ages and are of particular advantage for some who have special needs. Foster home parents may be of varying ages and circumstances in life. Couples with or without children of their own who have an abundance of love find this to be a challenging and rewarding opportunity of Christian service.

Sincere appreciation is expressed to all who have, in any way, helped to support our child care ministry. We are indeed grateful for increasing income through the Cooperative Program. Last year's Thanksgiving Offering is approaching three hundred fifteen thousand dollars (\$315,000.00) and is the largest ever. Special gifts and designations such as the Once-a-month offering continue to provide a substantial part of our income. Through estate planning and the making of Christian wills an increasing number of individuals and families are investing in present and future generations of boys and girls who are in need of the services of the Baptist Children's Homes. Roger Williams, former pastor of the Mills Home Baptist Church, is devoting full time to working with our Baptist people in this area, and he or other members of our staff will count it a privilege to assist you in exploring this field of Christian stewardship.

We covenant with you to face the future as we have the past: to offer Christian nurture to distressed children in the Name of the Lord Jesus Christ.

Mrs. Jack Moore,
Representative

HOMES FOR THE AGING REPORT

Reflection on the past year of life in our four Baptist Homes for the Aging is a reminder once again of the goodness of the Lord to us. We are constantly aware of the bountiful way in which He has blessed, and this

has been particularly true since our last report to the good people in our Baptist Associations.

During this time we have ministered to 172 deserving older men and women. All of these have been blessed by the love gifts of North Carolina Baptists through the Special Day offering, received on the third Sunday of February each year, and through our share in the Cooperative Program. The large majority, at least 85%, have benefitted directly from these gifts and have actually been sustained at the point of their financial need.

The Special Day offering for 1966 is at an all time high and looks as if it might be \$100,000.00 for the first time. This is very good, and we are profoundly grateful. We must not forget, however, that, even though there has been a 5% increase in the offering from last year, costs have advanced by 7%.

We are in the midst of miracles, and the past year has been one in which we have witnessed unusual blessings from the Lord. There have been fewer deaths than previously, and the critically ill, in many instances, have been brought back to a measure of reasonably good health. Nursing care has been of the highest quality, and you would rejoice to know how far your concern and your gifts go in ministering to the needs of the residents, particularly at the point of tender loving care in illness.

Perhaps the outstanding paradox in all of our Homes is that the first resident to receive a Medicare card, during this first year of the operation of Medicare, is our oldest resident, who never takes any medication at all and who does not need to see a doctor, or go to the hospital. She is Aunt Fannie Drumwright, who celebrated her 105th birthday in July.

It is anticipated that construction will begin on our fifth Home at Yanceyville during the coming year, and when it is completed, we will be able to minister in all of our Homes to 200 older men and women and relieve, in measure, the terrific pressure of a long waiting list of 170 people.

This ministry of love, in Christ's name, is dependent upon the concern, the love, the prayers, and the increased financial support of North Carolina Baptists. We are, therefore, going to count heavily on you and believe that you will not disappoint the aging people who are looking to you urgently for help.

Leon Spencer was born at Seaboard, North Carolina. He is a graduate of Wake Forest College. For several years he taught in the Knightdale and Franklinton schools, and then went to work in the Bank of Seaboard.

Mr. Spencer helped in the re-opening of Chowan College and became the Business Manager. He joined the Baptist State Convention staff as Business Manager (Comptroller) in 1943.

Leon has given twelve years of faithful service as Clerk of the Raleigh Baptist Association. He is a member of Hayes Barton Baptist Church, where he serves as a deacon.

He is married to the former Jane Brooks. The Spencers have two children: Nancy Jane and Leon, Jr., both married.

The churches of the Raleigh Baptist Association are grateful for the valued services Mr. Spencer has given to them during the past twelve years. He will continue to be helpful in the life of our Association.

Miss Margaret Irene Bright, the daughter of Cornelius Judson Bright and Adeline Lashley Bright of New Hill, Wake County, North Carolina, was born November 30, 1885. She was graduated from Cary High School in 1903 and from Meredith College in 1907.

She became a member of the New Hill Baptist Church at the age of ten and began teaching in the Sunday School when sixteen years of age. She continued to teach in the Sunday School and in the Vacation Bible School until recently.

SECRETARY OF MISSIONS REPORT

The relationship we established together in 1958 has been a source of deep satisfaction to me. These almost ten years of service have been a means of forming friendships that will endure. I am most grateful for the opportunity of working with dedicated lay-people and pastors. Your elected officers and leaders of the Raleigh Baptist Association are the finest to be found in North Carolina. Please pray for them and give them your concern and support.

The new associational year offers us opportunities of unparalleled challenge. With the continued growth of our associational area in numbers of persons and needs, we must make a dynamic response in the spirit of Christ. The theme for our Baptist life in 1967-68 is "A Church Fulfilling Its Mission Through Ministry." Will these words have a hollow meaning for us as the days go by, or will they help us to walk in the footsteps of Him "who went about doing good?"

Your associational leadership has been making preparation for two important events for 1968. These are: *The Raleigh-Wake County Family Survey* during the week of February 17th., and *The Director-Led Sunday School Enlargement Campaign*—March 23-28, 1968. Thus far, sixteen churches have indicated they will participate in the Director-Led Campaign. Our record for the past five years indicates that we need to make a concerted effort to reach more people for Bible study and Christian commitment. We have had a net gain in enrollment of 203 persons per year during this period in our 87 Sunday Schools. This is the record in spite of the fact that our area is gaining 5,000 new persons each year. Surely Christ expects more of us!

The supreme purpose of the Director-Led Sunday School Enlargement is that more people will be reached by the church for Bible study, led to Christ as Saviour, guided in the development of Christian maturity, and enlisted for service. The Survey will provide information that will enable us to realize our mandate to serve all of the community.

These two events will also help us in preparation for the Crusade of the Americas during 1969. The dates our association have chosen for the Crusade are March 16-30, 1969. Furthermore, the information obtained in the Survey will give us an opportunity to reach many whom we often believe to be the Unreachables.

There is a growing concern among our people that "mission action" must follow "mission study." As Evangelist C. E. Autrey said: "To present Christ as Lord and Saviour and call upon the people to accept him by faith and repentance is the cutting edge of our gospel. After this is done we must teach the redeemed people to live as Christians should live."

This concern must manifest itself in a ministry to those outside the walls of our church buildings. To serve the special needs of exceptional people will require dynamic leadership, an informed church membership, a willingness to become involved in community needs, and a spiritual commitment to priorities.

This spiritual commitment, I believe, will also lead us to seek racial justice, compassion and help for the economically deprived, and relief from all of the oppressive forces of our society. Our presently formed Social Service Committee of the Association can and will give effective leadership in these areas of our social concern. Our verbal witness must overcome our witness of silence and result in our "Mandate to Serve."

He recognized Mel Luther, Minister of Music and Education at Emmanuel Baptist Church, who led the congregation in singing "Praise to the Lord, the Almighty," and "Saviour, Like a Shepherd Lead Us."

2. T. L. Cashwell, Jr., Pastor of the Hayes Barton Baptist Church, extended a cordial welcome to the messengers and visitors in attendance at this opening session of the annual meeting of the association. He invited the guests to visit the building at the close of the service.

3. Fuquay Springs Pastor Charles Dorman, Chairman of the Committee on Order of Business, recognized the committee and

explained that every effort had been made to arrange a meaningful program for the two-day meeting of the association. He invited suggestions for the benefit of future committees. He then offered the motion that the printed program, with such changes as may be voted by the messengers, become the order of business for the meeting, and that the messengers now registered and those to be registered constitute a quorum for the transaction of business. The motion received a second and was passed.

4. Homer F. Holmes read the scripture as found in Acts 20:17-24 and led in prayer.

5. Moderator Hodge recognized visitors outside the Raleigh Association which included guests from Virginia. After extending a warm welcome to the guests he expressed appreciation for the opportunity of serving as moderator of the association for the past two years. He paid special tribute to Robert L. Costner, Secretary of Missions, for his sympathetic understanding and wise counsel throughout his term of office. The moderator urged the messengers from all the churches in the association to join in the programs of the association to the end that more effective service may be rendered to our denomination.

6. Secretary of Missions Costner commented briefly on the autonomous status of the Raleigh Association and stated that there is no desire on the part of the association to infringe upon the individual rights of any church. The relationship between the association and the church is intended to be one of full cooperation. He then recognized the following persons who presented effectively specific areas of interest and accomplishment.

Bennett Straughn, by use of color slides, reviewed various activities conducted by the association.

Jo Ann Utter, member of Forest Hills Church and State winner in the Training Union sponsored Sword Drill, held the attention of the congregation as she related her experience and the benefits she received as a contestant in this event. She said that everyone who enters is a winner because of the experience enjoyed and shared. Her report prompted the expression that Young People need only to be encouraged and given an opportunity to serve.

Secretary Costner then called attention to the "exceptional" and recognized L. E. Forrest, a layman at the Fellowship Baptist Church, who reviewed the significant growth of the Fellowship Church during its brief history. He stated that the church had 36 charter members in 1958 and now has 330 persons on its rolls. Their budget has grown from \$3,160 to \$31,460 during this period. And the church has licensed one minister.

Jack Coffey, Pastor of the New Hope Church, outlined the procedure to be followed in the telephone survey scheduled early in 1968.

The Secretary of Missions commented only briefly on his report, but suggested that the messengers review his message as printed in the Book of Advance Reports. (The report is found on page 5 in these minutes).

7. The congregation joined in singing "O God, Our Help in Ages Past."

8. Clerk Leon Spencer reported that 312 messengers and 83 visitors had been registered for the opening session of the annual meeting.

9. Special music was rendered by the Hayes Barton choir.

10. In a very impressive and effective manner Nathan C. Brooks, Jr., Director of the Division of Church Programs of the Baptist State Convention, used the topic "Mandate to Minister" to emphasize the urgent need of support for the Cooperative Program by all of the churches. He called attention to Baptist ministries in areas of military personnel, deaf people, training ministers, aid to missionary pastors, rendering assistance in purchase of church lots, and other training and leadership programs. He stated that only through enthusiastic participation in the Cooperative Program can these needs be met adequately.

11. The benediction was pronounced by Ronda Robbins, Pastor of the Apex Church.

Friday Morning, October 27, 1967

12. Moderator Hodge called the meeting to order and recognized Mel Luther, who led the congregation in Singing "To God Be The Glory" and "My Hope Is Built On Nothing Less."

13. On behalf of the host churches—Bethany, Central, Hephzibah, and Wendell—Rodney Beals, Pastor at Wendell extended a cordial welcome to everyone and made several appropriate announcements concerning the church facilities.

14. Warren Dean, Layman from the Wendell Church read selected passages of Scripture and led in prayer.

15. Clerk Leon Spencer recognized Pastors and other church staff members coming into the association during the preceding year. He welcomed them into the fellowship of the association and invited them to participate in its program of activities.

16. Associational Sunday School Superintendent Earl Crumpler, in commenting on the major reasons for OUTREACH, cited Bible teaching and enrollment of every available person in the community into active participation in a vibrant Sunday School program as the means of obtaining the desired witness, soul-winning Christians, and a recognition of the need for worship. He called attention to the fact that Sunday School growth in the past five years averages only 3 persons per church per year. He added that "We're in reverse unless we advance to keep pace with the population." After calling attention to the report as found in the Book of Advance Reports, he moved its adoption. The report follows:

SUNDAY SCHOOL REPORT

There were four Sunday School Conferences in our Association this year. In January the conference was designed to explain the Sunday School officers and encourage the use of the Church Growth Plan.

With the help of the Sunday School Department of the Baptist State Convention and the Sunday School Board of the Southern Baptist Convention, the Raleigh Association will have a Director-Led Sunday School Enlargement Campaign on March 23-28, 1968. In the conference for Sunday School officers last May, an attempt was made to explain the mechanics of the Enlargement Campaign and encourage each church to participate.

The conference in July was directed by each Associational Department Superintendent.

In September, Daryl Heath of the Sunday School Board and Paul Kesteron of the Baptist State Convention led our Sunday School Action Night. The central theme was the Director-Led Sunday School Enlargement Campaign. The dates for the campaign, as indicated above, are March 23-28, 1968. This Enlargement Campaign affords our churches an unusual opportunity for outreach and expansion. Many congregations have voted to enter the Enlarge-

ment Campaign. It is the hope of the Associational officers that more churches decide now to enter this enlargement effort.

The Sunday School is the church in Bible Study. The Sunday School, therefore, is the natural arm of the church for outreach. By 1975, the Raleigh area will have a projected population of 250,000 persons, an increase of two times the present population. Unless we increase our efforts, the Raleigh Baptist Association could still have 86 Sunday Schools in 86 churches in 1975, as we have now. May God help us to make that effort in reaching out.

17. Mrs. Kyle Graybeal, W. M. U. President for the Association, reviewed plans of the W. M. U. for the coming year and outlined somewhat in detail the mission program being promoted jointly by the Brotherhood and W. M. U. She emphasized that through this joint effort a church can better fill its mission in the community. She moved that the report as found in the Book of Reports be adopted, but that privilege be granted to amend some of the statistical information upon receipt of additional information before the minutes go to press. The report which follows was adopted by the messengers.

WOMAN'S MISSIONARY UNION REPORT

Under the theme "A Church Fulfilling Its Mission Through Education" Woman's Missionary Union of the Raleigh Association has sought to help the church achieve this through its program of work, during the 1966-67 year. Every educational organization in a church has a teaching task, but the content

to be taught is distinctive. W. M. U.'s curriculum includes the missionary message of the Bible, the progress of Christian Missions and contemporary missions. In teaching missions, W. M. U. has sought to lead church members to develop a growing understanding of God's missionary purpose and to respond to this purpose in a personal **commitment** and **obedience**. God through His Spirit has directed our work this year in a great way and for this we are grateful.

As we review our work, we would like to express our sincere appreciation to all our host churches who welcomed us so graciously.

The Leadership (or Methods) Conference was held at Tabernacle Baptist Church, October 25, 1966 with 306 ladies attending the day and night sessions. Fifty churches were represented and 30 children were cared for in the nursery.

Two basic Leadership courses were offered during the year. The day session was held at Emmanuel Baptist Church November 21, 22, and the first Night session to be offered in the association, was held at Trinity Baptist Church, February 13, 20, 27; there were 141 ladies who received their cards of accreditation for the completion of both these courses.

Two mission Study Institutes were conducted during the year. The Home Mission Study series was held, January 24 at Calvary Church with 150 present for the day and night sessions. The theme was "Southeast Asia". On September 24, at the New Hope Church, the Foreign Missions series, on "Africa", was held. There were 77 in attendance with 37 churches represented at this meeting. These conferences were conducted under the leadership of Mrs. Robert Costner, Associational Mission Study Director.

"LEARN OF ME—GO YE" was the theme for the Annual Session of the Associational W. M. U. which was held at Apex Baptist Church, April 20, 1967. Mrs. Kyle Graybeal, Vice-President, presided over this session. Host churches were Apex, Good Hope, Swift Creek, Salem, Collins Grove, New Hill and Pleasant Plains. Guest Missionary speaker for the morning session was Mrs. James Moorhead, missionary to the Philippines, whose topic was "Responding to the Commission". The afternoon session was highlighted with a special feature, "State W. M. U. at Work", with the following State W. M. U. officers: Misses Miriam Robinson, Kathryn Bullard, Linda Warren, Sara Ann Hobbs and Bernice Popham. Mrs. G. K. Middleton, Baptist Mother of the Year, gave the Charge and Dedicatory Prayer for the newly elected Associational Officers. The closing meditation "COME—LEARN! GO—TEACH" was given by Rev. and Mrs. Robert Costner. Rev. Costner is Secretary of Missions of the Raleigh Baptist Association. Queen Regent's Marsha Hodge and Brenda Cash, both of the Boulevard Baptist Church, were Pages for the day. There were 46 churches represented with 281 attending.

The Association Young Woman's Auxiliary Council, led by Mrs. Stanley Webb of the Macedonia Church held quarterly meetings at Forest Hills, Macedonia, and Boulevard churches. Their programs consisted of a **Monogram Service**, presented by council officers; a skit, "I Am Aware"; a chalk talk by Mr. Johnny Crow of Boulevard church and Mission Action program by Mrs. Felix Cooper, the Associational Mission Study Director; and an installation service of new council officers. There was an average attendance of 46.

The Associational Girls Auxiliary quarterly meetings were held in December, March, May and September. There was an average of 114 girls attending these meetings. Programs included "How To Do Clinics" led by Associational W. M. U. Officers, a picnic with special "Mission Action Project", and a program "Proclaim" by the Falls Church G. A. girls. Mt. Vernon, Falls and Millbrook G. A. girls were hostesses for these meetings.

Camp Director, Mrs. W. C. Adkinson conducted a two week Associational

G. A. camp at Umstead State Park in July. There were 206 girls enrolled, with 42 churches represented. There was a total of 165 decisions made for the Lord at this camp, with 46 of these being conversion experiences.

A Sunbeam Day Camp for eight year old World Friends was held for the first time in the Raleigh Association this year. Mrs. Clifford Horton was the Camp Director, assisted by Mrs. Robert Harrell, Gladys Baker, Don Garner, Bernice Popham, Judy McClure, and Mrs. Kyle Graybeal. There were 49 children enrolled with 13 churches represented.

Always a highlight of our year's work is the Annual Planning meeting and Prayer Retreat which was held in September at the Boulevard Baptist Church for the Associational W. M. U. Executive Board. The Reverend Wm. L. Culbertson led a special study on prayer. The year's promotional work is coordinated in the planning session.

There are six churches in our Association that have no W. M. U. work at this time. We are especially grateful for the new youth organizations started in the following churches: St. John's—Beginner, Primary, Sunbeam Bands, Jr. G. A.; Mt. Olivet—ungraded G. A.; Reedy Creek—Y. W. A., Jr. G. A.; Greenwood Forest—Sunbeam Band Nursery, Beginner Sunbeam, and Primary Sunbeam.

Our records show that there are 80 W. M. S. organizations in the Raleigh Associational W. M. U. with a membership of 4,240. These organizations foster the following youth organizations: Sunbeam Nursery groups with an enrollment of 136; 134 Sunbeam Bands with 1,847 members; 141 G. A.'s with 1,382 enrolled and 29 Y. W. A.'s, with 266 members. There are 397 organizations with a total enrollment of 7,871.

There were 17 W. M. S. organizations, 7 Y. W. A.'s, 46 G. A.'s and 39 Sunbeam Bands who received recognition on the Aims for Advancement. The Raleigh Associational W. M. U. will earn Honor recognition for the 1966-67 year, making the fourth straight year as an honor organization. Fifteen percent of all organizations earned some recognition this year.

Our emphasis for the new year is "A Church Fulfilling Its Mission Through Ministry." Woman's Missionary Union is equipped to help the church fulfill its mission through ministry by focusing on MISSION ACTION. This is an organized effort to witness and to minister to persons of special needs or circumstances. "Inasmuch as ye have done it unto one of the least of these, ye have done it unto me." (Matthew 25:40)

Mrs. John F. Carpenter
President

18. Joe Zimmerman, Chairman of Church Enlistment outlined plans for the Church Survey and Canvass to be conducted early in 1968. He urged the leadership to begin now to plan for this important undertaking.

19. In the absence of Bennett Straughn a motion was offered that the Training Union report as recorded in the Book of Reports be adopted. Motion carried and the report follows.

TRAINING UNION REPORT

This has been a year of change, of new emphasis, and of new concepts in Training Union for the Association. We believe that Training Union faces a new day of effectiveness in the life of our churches.

There were four Executive Committee meetings, three Training Union Officers and Leaders' Council meetings, and two mass meetings. All of these sought to make Training Union more meaningful to our people.

"M" Night continues to be the most exciting event of the year. There were 2457 persons present to hear Dr. Porter Routh of Nashville. Pilot Baptist Church led with the largest attendance of 135 persons.

There were 347 persons in attendance at Tabernacle Baptist Church on March 18 for Youth Night. Excellent Training Union Tournaments were held at the North Street Baptist Church on March 24. There were 230 persons present for the annual Associational Training Union Banquet on May 5, 1967, at the Tabernacle Baptist Church.

The "M" Night speaker for this year will be the Reverend James S. Potter, pastor of the Pritchard Memorial Baptist Church, Charlotte.

Bennett Straughn
Associational Director

20. Larry Heath, Minister of Music at Calvary Church, pledged his best efforts towards the improvement of church music during the coming year. Upon his motion the report as found in the Book of Reports was adopted, and is submitted herewith.

ASSOCIATIONAL MUSIC REPORT

It has been said that music is the universal language. Music is also the one means of expression for every Christian in the worship services of the church. As the Psalmist has said, "Let all the people praise Thee, O God". Music, then, or at least Sacred Music, is the universal means for preparing hearts for worship of God. Through Hymns and Gospel Songs, we make our hearts ready for the message that God has inspired his servant, the Minister, to give to our hearts. We should all strive to have a part in the worship music of every service that we attend, that the service might be more meaningful to each of us.

Let us all strive to participate in a greater way in the music of our local church, and seek to enlist others to yield their talents to God. Also, we want to urge every church to take stock of their music ministry and report it to the association, so that we might have a true picture of what is being done in the Raleigh Baptist Association.

The Music Education Committee of the Raleigh Baptist Association submits the following list of activities of the past year: 1. The Committee, or individuals thereof, assisted approximately 30 churches in our association in special projects. 2. The Music Committee assisted the Training Union in the annual "M" Night program last December 7, at the Memorial Auditorium. 3. The Music Committee sponsored an associational "Hymn and Anthem Festival" in the Spring of 1967 (nine churches participated and was held at the Calvary Baptist Church). 4. The Music Committee sponsored a "Church Worship Workshop" at the Hayes Barton Baptist Church in March of 1967. 5. Finally, the Music Committee provided music assistance to the Sunday School, Training Union, Brotherhood, of the Raleigh Baptist Association during the year.

Mel T. Luther
Director

21. In the absence of Brotherhood President Peyton Brown, Secretary of Missions Costner brought the report and urged the leadership to encourage the Brotherhood in its program of missions. He invited the men also to respond to the appeal of the Royal Ambassadors and seek out those qualified to lead the boys into a broader religious experience. Upon his motion the report was adopted.

22. Vice Moderator Lamar Brooks recognized Moderator Hodge who brought the report on the Baptist Hospital. He commended the association for its fine support of the Hospital, but he reminded the messengers of the steadily increasing costs of medical care and urged continuing support for this superior agency of our Convention. Upon his motion the report which follows, was adopted.

BAPTIST HOSPITAL REPORT

The services of our Baptist Hospital are subject to heavy demands which continue to grow heavier year by year. The care of Service patients remains at the heart of the work of the Baptist Hospital.

The Mother's Day Fund is the foundation of the financial aid given to Service Patients. The hospital tries to help the most needy patients as much as possible, but the funds have not been sufficient to give as much help as is needed in many cases.

The kind of medical care provided by our Baptist Hospital is very expensive, and the Hospital has no choice but to ask full payment of all who can pay. The Hospital has been spending in free care for our people far more than it receives from our Mother's Day Offerings. This has caused the Hospital to run into debt the past two years and the same has been happening this year. Our people need to understand this and to recognize that we are going to have to provide much greater support if the Hospital is to continue to provide free service in the same manner for those who cannot pay for it.

John W. Lambert
Hospital Representative

23. The congregation joined in singing "O, Zion Haste."

24. Special music was rendered by Jack Heath, Minister of Music at Wendell, who sang "Great Is Thy Faithfulness."

25. Grady McKeithan, Pastor of Salem Church, read the Scripture as recorded in Romans 5:1-5 and led in prayer, after which Robert Mullinax, Pastor of the First Church, Cary, delivered a challenging and forceful sermon on the theme, "A Dynamic Salvation." He asserted that the only real kind of salvation is dynamic and that such a salvation is active as opposed to static or potential. He reminded the congregation that there is more to be done than win the convert to Christ because our rolls are bulging with names of the initiated, many of whom have not been enlisted into the active service of our Lord. The speaker's forceful message challenged everyone in attendance as he declared that one's first duty

26. The congregation joined in singing, "When I Survey the Wondrous Cross."

27. Clerk Leon Spencer announced that 413 messengers and 190 visitors had registered during the meeting and called attention to the Report of the Executive Council. He then gave a digest of the letters which revealed the following:

Although there is a growth in membership of 754 during the year participation in Sunday School, Training Union, Brotherhood, Vacation Bible School, and W. M. U. shows some loss. The lack of the "Dynamic Salvation" to which the sermon cited above alluded appears to be in evidence in these statistics. Financially there is a normal growth shown from the digest. Support for the Cooperative Program and for Association Missions shows an increase. Per Capita gifts to all missions increased from \$12.45 to \$12.53 on the basis of churches reporting and yet the cents out of the offering plate dollar going to missions dropped from 17.5¢ to 16.1¢ during the year. The First Church, Raleigh led in per capita gifts to Missions with \$41.21. The following ten churches were above the association average. Hayes-Barton, second, \$36.55; Forest Hills, third, \$34.66; Fuquay Varina, fourth, \$26.29; Rolesville, fifth, \$19.54; Ridge Road, sixth, \$18.94; Apex, seventh, \$18.50; Boulevard, eighth, \$18.19; Collins Grove, ninth, \$17.42; Wake Forest, tenth, \$17.25; Tabernacle, eleventh, \$16.62. Twenty-three churches were above the average in cents of the offering plate dollar to missions. The first ten are listed as follows: Raleigh, First, 32.1¢; Forest Hills, second, 31.7¢; New Bethel, third, 30.0¢; Rolesville, fourth, 28.8¢; Collins Grove, fifth, 27.8¢; Wake Forest, sixth, 26.1¢; Apex, seventh, 25.7¢; New Bethel (J), eighth, 23.7¢; Hephzibah, ninth, 23.4¢; and Tabernacle, tenth, 22.6¢.

The clerk also called attention to the fact that Shady Grove Church has disbanded and that it is no longer a duly constituted church. The church letter was returned by the former clerk who supplied this information.

30. James E. West, Chairman of the Social Service Committee, moved the adoption of the report of his committee as found in the Book of Reports, after which he asked permission to speak briefly on the motion. He called attention to the suggestions which the following report contains and urged everyone to study these proposals and seek to examine the needs of the people of our association. The report was adopted as recommended.

SOCIAL SERVICES REPORT

The Christian life is faith in and devotion to God as revealed in Christ, and loving kindness to all people. Life in Christ begins with faith and continues with faithfulness. Good deeds to people, particularly those in need, express faithfulness. Since all people have needs, all people are due our concern and compassion.

People and their needs evoked from Christ compassion and moved Him to a helpful ministry and a sacrificial death. He came to redeem the lost and minister to the needy. The neglected, the outcast, the disadvantaged person concerned him most. Such persons should concern Christians today.

We challenge each Church to a self-evaluation concerning its ministry to the needy, both within the Church fellowship and without the community. We commend those Churches and other groups who are actively helping the needy. We further suggest in this report some redemptive activity that will aid in this ministry.

Space and time permit a look into only two areas of human need. These areas are Juvenile Delinquency and Mental Retardation.

JUVENILE DELINQUENCY

The Christian's attitude toward delinquent young people is important. No help is offered by holding a judgemental and condemnatory attitude toward

young offenders. Nor does the Church help when it becomes an exclusive fellowship where certain peoples feel unwanted. Indeed, the saving and redeeming of these young people should be the compelling aim of both the Christian and the Church.

Beyond having the right attitude toward the young delinquents, the church must further determine how to help them. The following possible steps are suggested:

1. We request that our Associational Juvenile Rehabilitation Committee make a study to discover the prevalence of delinquency and the resources of the Churches available in prevention, control, and rehabilitation.
2. We suggest an Associational ministry to support the juvenile court and assist leaders in the local churches. Such a service to the court would be provided through a "Pastors Day in Court".
3. We suggest the election of an Associational Juvenile Rehabilitation Director.

In the saving and redeeming of young delinquents there are many resources available within the association. Three are enumerated:

1. Foster homes—Christian foster homes provide youth an opportunity to receive care, nurture, love and security. Prospective homes must be screened, selected, and offered to the courts for study, approval and supervision.
2. Youth employment—job placement opportunities for youth in need of work and satisfaction that comes with earning money.
3. Referral services—pastors, religious workers, and parents need to know where to turn for help and what services are available.

MENTAL RETARDATION

Often overlooked in the ministry of the church are those persons with special needs because of mental retardation. Some of our churches are trying to minister to this special group. One difficulty in meeting the challenge of this special ministry is due to the fact that there are varying degrees of retardation, and there are few in each church on the same level. We need to be aware of other persons and the ministries of other churches to this group. Possibly the most effective ministry of these persons could be given by churches working together on a geographical basis rather than a strict denominational basis.

We suggest that the Executive Committee of our Association find cooperative ways to meet the needs of the mentally retarded. Further that a survey be made to determine what is presently being done by our churches to meet the needs of this group. It may be helpful that channels of communication and cooperation be opened with the Raleigh Council of Churches in an effort to determine what other groups are doing and the possibility of interdenominational cooperation in this special ministry. By working together in a larger Christian fellowship and along with the Wake County Association for Retarded Children there might be developed an effective ministry of the church to these persons who are often overlooked.

CONCLUSION

Much is being written and said today about the Church—its failures, its lack of influence, its irrelevance, and its unwillingness to be the Church. Much of this criticism is true and is needed to disturb the comfortable, self-satisfied and self-involved Church.

However, beyond this criticism there is much for which the Church needs to be commended. There are many activities and programs in operation that are helping the non-privileged and needy. Within our Association there is much positive redemptive help being given the deaf, the blind, the alcoholic, the homeless, the mentally retarded, the juvenile delinquent, the prisoners, the handicapped, the unwed mothers, the school dropouts, the hungry, and the uneducated. We commend all these efforts and encourage all our churches to become more involved in this ministry to the needy.

Shall we remember Christ's words, "well done thou good and faithful servant, inasmuch as ye have done it unto the least of these . . . you have done it unto me".

James E. West
Chairman

31. Missions Committee Chairman W. T. Mills moved adoption of the report as printed and then spoke to the motion. Recognizing the difficulties experienced by the Missions Committee in choosing the best sites for extension work, Chairman Mills urged the leadership to share with the committee any local needs to expand the ministry by purchasing lots in strategic locations throughout the association. The report which follows was subsequently adopted.

MISSIONS COMMITTEE REPORT

During the year 1966-67 the Missions Committee received no requests for financial assistance to new churches in our Association. There were no requests for assistance in organizing new churches although one new church came into being in the northeast Cary area coming out of the Reedy Creek section. This church is being considered by the Membership Committee, and both Committees stand ready to give any assistance they may be capable of rendering.

The Association owns two lots, one in north Raleigh, and the other on U.S. #401 South. The area south of town has not grown as rapidly as that to the north and so the northern area seems to claim priority in our present thinking. As a result of this, your Committee meeting on September 12 instructed its chairman to contact the area churches to the north which are Hayes Barton, Ridge Road and Creedmoor Road to seek their guidance and help in making some decision concerning the use of our lot on Birchwood Drive and Lead Mine Road. We would like to proceed with the organization of a church in that location, or sell this property and purchase other property more strategically located. This present location is in a community that has changed from individual dwellings to multiple apartment complexes, and so a change may be desirable pending a recommendation from the neighboring churches.

This report carries no recommendations, but your Committee stands ready to explore any areas the pastors of our association might suggest, and to seek to purchase lots for future churches. It also stands ready to assist in any way possible local congregations in the formation of new churches in their adjoining communities.

W. T. Mills, Chairman

32. In the absence of Bennett Straughn, Secretary of Missions Costner presented the Calendar of Activities for 1968 and moved its

adoption. He especially urged everyone to give preferential treatment to the important dates of the Raleigh Association and plan immediately to attend the programs and meetings scheduled for the benefit of the entire association. The motion was adopted without change. The Calendar appears elsewhere in these minutes.

33. Membership Committee Chairman Harold West discussed the request of newly constituted Liberty Church to be accepted into the fellowship of the Raleigh Association. Upon the recommendation of the committee, Chairman West offered a motion that the Liberty Church be brought under the watchcare of the association for 1968. The motion was unanimously adopted and the messengers from the Liberty Church were recognized and warmly welcomed into the fellowship.

MEMBERSHIP COMMITTEE REPORT

The Membership Committee of the Raleigh Baptist Association met on September 25, 1967 to consider the application of the Liberty Baptist Church to come into the fellowship of the Association. After careful consideration and in accordance with the provisions set forth in Article III of the Constitution, the Committee voted to recommend to the meeting of the Executive Council on October 9, 1967 that the Liberty Baptist Church be brought under the watchcare of the Association during the coming year.

This recommendation was approved by the Executive Council. Your Membership Committee urges your approval of this action. If, after one year this committee feels that the Liberty Baptist Church has progressed and shown an attitude of cooperation, the church will be recommended to come into the full fellowship of the Raleigh Baptist Association in accordance with the Constitution as stated above.

Harold West
Chairman

34. Ben C. Fisher, Executive Secretary of the Division of Christian Higher Education of the Baptist State Convention, brought an inspiring and challenging message in behalf of Christian Higher Education. He defined education as a tripod with the three legs being identified as the Home, the Church, and the Christian College. He asserted that if any leg is shortened education gets out of balance, and thus the individual is likewise out of proper balance. The speaker called attention to the annual decrease in number of young people who choose full-time Christian service as their vocation. He concluded his message with an appeal to the leadership to call out the best young people in their communities and invite them to consider full-time Christian work. The following report, upon his motion, was adopted.

CHRISTIAN EDUCATION REPORT

As of October 1, 1966, there were enrolled in the North Carolina Baptist colleges 11,347 students. This represents approximately the same number enrolled last year. Limited facilities, both in housing and in instruction, have made it necessary to turn away many qualified students. Enrollments are as follows: Campbell, 2,267; Chowan, 1,234; Gardner-Webb, 1,262; Mars Hill, 1,371; Meredith, 930; Wake Forest University, 3,022; and Wingate, 1,561.

The Baptist State Convention of North Carolina supports a unique program of Christian higher education. There are three senior colleges: Campbell, Buie's Creek; Mars Hill, Mars Hill; and Meredith, Raleigh; Wake Forest University, Winston-Salem; and three junior colleges; Chowan, Murfreesboro; Gardner-Webb, Boiling Springs; and Wingate, Wingate.

The Baptist colleges in North Carolina and elsewhere in the Southern Baptist Convention continue to train the vast majority of the church vocational workers. Currently, there is the same concern in our colleges that is being expressed throughout our Convention about the decline in the number of young people answering the call to full-time Christian service. The Christian colleges, through the Council, are currently seeking ways and means of cooperating more fully with local churches in an effort to reverse this trend.

However, the Christian college is not solely in the business of training full-time Christian workers, for the vast majority of students attending a Baptist college will return to their communities as laymen. Sometimes we tend to overlook the vital contribution of lay-leadership trained in our Christian colleges. These men and women return to their communities not only to assume responsibilities in the local church, but to bear a Christian witness through their professions in the communities where they work.

The Baptist colleges in North Carolina continue to be grateful to the Cooperative Program and its vital financial support. For the year 1967, \$1,578,-960 has been budgeted.

The colleges are grateful for the unusual response this year in offers for Christian Education Day materials. It was necessary to have a second printing of some 30,000 pieces of material in order to fill all of the requests. In 1966, the Christian Education Day offering was \$132,046, and we are in hopes that there will be an increase this year. The materials this year were built around the need for challenging more young people, both in the churches and on the college campuses, to consider a church vocation.

The Council on Christian Higher Education continues to serve as a coordinating agency of the Baptist colleges and the Baptist State Convention. Special material is available in the Council office concerning all of our Baptist colleges, and is available to churches and individuals upon request. This material may be obtained by writing the Council on Christian Higher Education, 301 Hillsborough Street, Raleigh, N. C. 27603.

35. John S. Pittard, Chairman of the Memorials Committee, brought the report in memory of those who have passed away during the past year. The report which follows was, upon his motion, adopted after which the memorial prayer was spoken by James F. Heaton, Pastor of the Tabernacle Church. List of "Our Beloved Dead" appears elsewhere in these minutes.

MEMORIALS COMMITTEE REPORT

We are privileged to think of our loved ones who have gone on to receive their reward. Paul speaks of being absent from the body, present with the Lord; and he looked eagerly forward to his Crown of righteousness. Jesus said, "In my Father's house are many mansions," and He promised His disciples that He would return for them that they might be with Him in the place He would prepare. The early Christians welcomed death as the entrance into glory.

As we think of the more than three hundred of our members who have entered into the life eternal, we may thank God for their lives among us and be grateful for the hope which to them has become a glorious reality. We owe special tribute to the noble heritage which they left their loved ones and friends, and the contribution which they made toward the advancement of God's Kingdom in the hearts and lives of those with whom they came in contact.

We would not adequately give praise where praise belongs if we failed to include the many faithful pastors, deacons, Sunday School superintendents, young people's workers and the faithful women of our missionary societies. All did an effective part in building and maintaining our Church and its organizations.

It is an inspiring thought that "we are compassed about with so great a cloud of witnesses," cheering us on in the race that they began. Concerning them a stanza of Henry Alford's hymn is fitting.

Ten thousand times ten thousand, in
sparkling raiment bright.
The armies of the ransomed saints Throng
up the steps of light.
'Tis finished, all is finished, Their
fight with death and sin
Fling open wide the golden gates,
And let the victors in.

36. The congregation joined in singing, "Our Best."
37. Wendell Pastor Rodney Beals was recognized for announcements about arrangements for lunch.
38. The prayer of benediction and thanksgiving was offered by Lamar Brooks.

Friday, Afternoon, October 27, 1967

39. Mel Luther opened the final session of the annual meeting by leading the congregation in singing "Guide Me, O Thou Great Jehovah" and "Holy Spirit, Breathe on Me."
40. Rodney Beals read the Scripture as found in I John 4:7-21 and led in prayer.
41. E. P. West, Sr. was recognized to present a resolution entitled, "Concerning Sunday Observance." Although no action was requested the resolution, by common consent, is included herewith

for information and for whatever consideration future sessions of the association may wish to give such a proposal.

CONCERNING SUNDAY OBSERVANCE

Whereas, the Christian witness in secular society at times grows distressingly faint, and

Whereas, the pressures of compromise and accommodation to the pattern of the world about us is all but overwhelming, and

Whereas, at the hub of our area, and in the fair city whose name our association thus far happily bears, and for whose reputation as a comparatively wholesome and God-fearing community we are understandably jealous, there is now being considered the matter of certain restrictions on the ever growing pressure for general, wide open, and ever expanding Sunday business operations;

Therefore be it resolved:

First, that while there is no easy solution to the problem, we make every effort, whenever and wherever possible to faithfully resist this stifling encroachment; and

Second, that we as messengers to the Raleigh Baptist Association, now gathered on this the 27th day of October, 1967, and as individuals representing the various communities of the area, do hereby express our commendation for the consideration by the city of Raleigh, and any other municipality within our bounds, any measure which should tend toward respect for and preservation of the day, now so long set apart, and hitherto, so widely observed, for public worship and needed rest from labour.

E. P. West, Sr.

42. L. E. Forrest, Chairman of the Committee on Committees, presented the recommendations of his committee. In the absence of nominations from the floor, he moved the adoption of his report. It was adopted unanimously and the list of committees thus chosen appears elsewhere in these minutes.

43. Nominating Committee Chairman John Lambert called attention to the Executive Committee and Associational Officers before presenting the recommendations of his committee. Inasmuch as there were no nominations from the floor, he moved the election of those recommended for office for the coming year. The election carried unanimously. The list of officers appears elsewhere in these minutes.

44. Newly elected Moderator Lamar Brooks was asked to preside for the remainder of the session. In accepting the responsibility of this office he pledged to the association his best toward the attainment of goals established by the association. He also invited everyone to feel free to share with him ideas and means by which the service of the association can be expanded.

45. Parks Harris, Chairman of the Committee on Time, Place and Preacher, presented the following recommendation which was, upon his motion, adopted.

REPORT ON TIME, PLACE, AND PREACHER

The evening session of the Raleigh Baptist Association will meet with First Baptist Church, Cary, October 28, 1968. The morning and afternoon sessions meet with Ephesus, October 29, 1968.

We recommend that Rev. L. M. Woolweaver preach the sermon and Rev. Marion Terry be the Alternate.

We further recommend that the Evening Session of the 1969 Raleigh Baptist Association be held with Raleigh First Baptist Church and the morning and afternoon sessions be held with Apex.

Respectfully Submitted,
J. R. Partin

Parks C. Harris, Chairman

46. Resolutions Committee Alphonso Jordan requested Thomas G. Bashford to read the report of the committee after which Chairman Jordan moved its adoption. The report, as adopted, follows:

THE COMMITTEE ON RESOLUTIONS

1. We resolve that the Raleigh Baptist Association does express its sincere thanks to H. A. Hodge for the splendid way he has presided over this 162nd Annual Session.

2. We resolve to express our thanks to all of those who have taken part in this splendid program, all speakers, musicians, and to those who have given reports from the various departments of our Association.

3. We resolve to express our appreciation to the host churches, Hayes Barton, Wendell, Hephzibah, Bethany, and Central, for this Annual Session. Their hospitality and cordiality have been clearly demonstrated and appreciated.

4. We resolve to express our gratitude to our Associational Clerk, Leon Spencer, and to our Associational Treasurer, L. G. Bullard, for their faithfulness and efficiency. Their tasks require much effort, time, and ability. For their devotion and service we are thankful.

5. We resolve to give a higher degree of loyal support and service to our Association and to the Kingdom work of our Baptist State Convention.

6. We resolve to dedicate our 1967 Minutes of the Raleigh Baptist Association to:

Mr. Leon Spencer—our faithful Associational Clerk for the past twelve years.

Miss Margaret Bright, New Hill Baptist Church, whose dedicated life and radiant Christian spirit is symbolized in thousands of her fellow Christians in the association.

47. Guy S. Cain, Annuity Secretary with the Baptist State Convention, outlined briefly the Annuity Program as it affects pastors and church employees. He urged the leadership to include in the budgets of their churches an amount sufficient to pay the full cost of the pastor's annuity, put all employees in the plan, and raise the ceiling to the limit of their salary and not restrict participation to \$4,000. He urged also that if there are any questions he will welcome any inquiry.

ANNUITY BOARD REPORT

The new Southern Baptist Protection Program

Response to the new program of family and retirement protection during the first quarter of 1967 indicates enthusiastic acceptance by ministers and denominational employees. During the first three months of 1967 more than 1,000 persons joined some part of the three-plan program as compared with only 685 during the first quarter of 1966.

The new program, called the Southern Baptist Protection Program, provides additional benefits for disability, new benefits for children, education of children and dependent parent. These extra benefits are in Plan "A".

The new Protection Program incorporates the three plans into one certificate which formerly required separate certificates for each plan. The three plans are: Southern Baptist Protection Plan which is now Plan "A"; Age Security Plan, now called Plan "B"; and Variable Benefit Plan, now Plan "C".

Annuitants Receive Dividend Check

Because of action taken by the trustees of the Annuity Board in February, each person receiving a guaranteed benefit from the Board was mailed a "dividend" check. This year each check was for an amount equal to one-twelfth of the person's annual benefit. These checks were made possible because of excess interest earnings. Approval was given to mail these dividend checks annually, providing the Board realizes an excess in interest earnings.

Benefits Paid Out

In 1966 more than \$4,256,244 was paid in age retirement, disability or widow benefits to persons who had participated in the Protection Program.

10 Per Cent Total Salary Encouraged

The cost of living continues to climb. A retirement program based on \$4,000 salary is no longer adequate to meet the needs of a minister when he retires. There seems to be no hope of leveling off of the inflationary trends. Because of this, the new Protection Program was started so churches could help their pastors increase their retirement protection. Now a church may participate on the total salary of its pastor or other employees. Ten per cent dues on total salary is recommended as minimum.

Members in Annuity Board Plans

As of December 31, 1966, some 1,492 persons had joined Plan "A" of the program. A total of 18,328 churches were providing the Protection Program for their ministers and staff members. Almost 12,600 of these churches were paying both member and church dues.

In North Carolina over 1,600 churches are participating with over 1,900 basic plan certificates.

Rev. Guy Cain promotes the Protection Program in North Carolina. He is jointly employed by the Annuity Board and the North Carolina Baptist Convention. For information about any of the plans in the Protection Program contact Rev. Guy Cain, 301 Hillsborough Street, Raleigh, N. C. 27603, or write the Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

48. Burley Turner, Homes for Aging Representative, called attention to the report as found in the Book of Reports and moved its adoption after which he spoke briefly on the motion and presented Superintendent W. A. Poole of the North Carolina Baptist Homes. Superintendent Poole reported that although there are now five units in operation a waiting list of 150 persons is on file. His was

an optimistic view, however, because of the fine support received from Baptists and others throughout the State. He stated also that the Raleigh association is represented in each location—Rest Haven and Hayes Home, Winston-Salem, Albemarle, Yanceyville, and Hamilton. In concluding his remarks he expressed appreciation to the Raleigh association for the continued interest being manifested in the Homes for Aging and invited inquiry at any time about matters of common interest pertaining to the Homes.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING 1967 ASSOCIATIONAL REPORT

Your North Carolina Baptist Homes for the Aging have been on the move during the past year. In fact, we will be ready to move into our new Home at Yanceyville in September and will be able to receive 30 more dear old people into the family of our Homes. When the Yanceyville Home, our fifth, is occupied, we will have a total of 200 deserving older men and women in our care in all of the Homes.

As you know, we now have four Homes and an Infirmary in operation. Resthaven and the Hayes Home in Winston-Salem; the Albemarle Home at Albemarle; the Hamilton Home at Hamilton.

In these Homes you have an eternal investment and can rejoice in the loving care which you are making possible for our older people. The majority are financially needy persons, and are supplemented through the love gifts of North Carolina Baptists. Two sources of income from the churches are increasingly vital in the support of our residents—the Special Day Offering, received on the 3rd Sunday of February each year, and our share in the Cooperative Program.

The Special Day Offering for 1967 is at an all-time high and has increased by 10% over last year. This is most commendable, but when we face the reality of costs, which have advanced by 20%, and the maintenance of a new Home and the care of 30 additional residents at Yanceyville, we could face a real crisis during the next year, unless the gifts from our Baptist people continue to increase in proportion to our needs.

We wish to thank all of our Baptist people across the State who are enabling us to minister to the aging in Christ's Name, and we want all of you to know that each of your 5 Homes exists for the people from all over our great State. We could not operate without your love, your prayers, your concern, and your financial support.

In the midst of our joys have been our sorrows. Our oldest resident, Aunt Fannie Drumwright, passed away in June, just short of her 106th birthday. She came to live with us at the age of 93, and the 13 years of her presence with us have been a shining example of the special significance of a Christian ministry to older people. The compassionate nursing alone which this little lady received is reason enough to thank God for the people called Baptists, whose vision and concern for mankind have included the aging in answering the Master's call in the service of the Lord.

49. Corbin Cooper, Secretary of the Interracial Cooperation Department of the Baptist State Convention, brought a challenging message on the subject, "Our Ministry to All Men." He asserted that Christians cannot afford to live uninvolved in matters pertaining to other races. He added that "the problems will not just go away." And he declared that "only love can find the key to open the door of understanding." In summarizing he cited means by which churches can improve race relations. Among them were challenges to be ever alert to commend those who are trying and to promote an effort to win PEOPLE to Christ.

50. Jack L. Bullard was recognized for the presentation of the following matter entitled, "A Motion to Establish a Committee on Interracial Cooperation." Upon his motion the following recommendation was adopted:

In recognition of our Christian responsibility in race relations I move that the Raleigh Baptist Association instruct the Executive Council to Appoint a committee on Interracial Co-operation. It shall be the duty of this committee to extend and implement the program of Interracial Cooperation of the Baptist State Convention of North Carolina within the life of the Raleigh Baptist Association, as it deems advisable.

51. Past Moderator H. A. Hodge installed Lamar J. Brooks as Moderator, L. E. Forrest as Vice Moderator, Ted W. Williams as Clerk, and L. G. Bullard as Treasurer. In carrying out this assignment Hodge pledged his full support to each of the new officers during the coming year.

52. The Congregation joined in singing, "O Love of God Most Full."

53. The benediction was pronounced by L. D. Holt.

REPORT TO THE ASSOCIATION BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

1967

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. No task is more important than helping a child to grow into healthy, well-adjusted, responsible citizenship. At the Children's Homes we seek to provide the proper atmosphere, encouragement and supervision to assure the development of inborn, God-given talents of our children.

This agency offers a variety of quality services to the children of families who have not been able to continue a satisfactory pattern of living together. A total of 33 cottages and five campuses provide group care of different kinds. There are two residences for emotionally disturbed children, convenient to a great medical center where psychiatric services are available. This fall, for the first time, a single cottage at Wallburg is being opened for the rehabilitation of boys.

In addition to group homes, the needs of many children are met through the use of Foster Homes. A growing interest in this phase of work is encouraging. Many families are finding happiness and opportunity for service in caring for foster children. Thus, many boys and girls, who otherwise would not have this opportunity, are privileged to grow up in Christian homes. Should you have an "extra measure of love" to share in this way the Homes would like to know of your interest.

Regional case work centers, staffed by trained social workers, are located in six prominent areas of the State and add to the ability of the Homes to offer counseling services to distressed families and to those for whom family rehabilitation has been achieved.

In June of 1967 the first of the new family cottages was completed and is being used by brothers and sisters who can profit by sharing the same home. This building was provided by Mr. and Mrs. William M. York of Greensboro, and is named the York Cottage. It is a model for the family living approach in group child care. A similar cottage is already under construction at Mills Home and two buildings of this type are now being built on the Kennedy Home campus.

The Child Development Center on the Mills Home Campus was established to serve the local community as a means of strengthening family life and to provide a demonstration and informational program which can offer assistance to churches in beginning any phase of weekday care and education for preschool children. During the 1967-68 session the Center will serve 70 children and their families in two kindergarten groups and nursery school groups, with about 35 children in full day care. The staff is providing consultation services upon request to churches interested in the program.

Members of the Board of Trustees and the Staff of the Children's Homes are committed to the task of maintaining a Christian Program of Child Care—a program that will merit the undivided support and loyalty of our people and that will bring favor to our Lord. To that end it is our purpose to meet, as effectively as possible, the challenges of our day.

ASSOCIATIONAL FOUNDATION REPORT

In the absence of our very efficient Executive Secretary of the Baptist Foundation of North Carolina, we shall attempt to provide a brief report for such use as may be necessary for the Associational Meetings beginning the first week in August. Certainly in the history of the work of the Baptist Foundation and especially in its last four years of active promotion, 1967 will be remembered as a year of tragedy with our leadership. For some months our Chairman, Dr. I. G. Greer, has been critically ill at his home in Chapel Hill. Some weeks ago, in July, our Executive Secretary, C. Gordon Maddrey, was stricken with a series of heart attacks. He has improved very satisfactorily since that time. The loss of the leadership of these two faithful men at any time would be tragic, but especially as we approach the annual meetings of our Associations throughout the Convention.

If Mr. Maddrey were able to prepare this report, he would thrill us with the many interesting and challenging developments up to the time of his illness some weeks ago. This has been the most fruitful year in the work of the foundation with many new commitments and marked progress in developing some of the projects of large standing. This is especially true of the new Home for the Aging in Yanceyville which you will hear much more about in

the report on the Homes for the Aging. Certainly this will continue to constitute a great challenge to many of our people who can find in the Baptist Foundation their finest opportunity for investing in Kingdom Enterprises.

DEDICATED TO BENNETT STRAUGHN

Bennett Straughn, Training Union Director, Raleigh Baptist Association for the past 16 years, is affectionately known as "Mr. Training Union." He was born in Raleigh, educated in Raleigh Public Schools, and has attended night classes at North Carolina State University. He has been employed at the Raleigh Post Office for the past 35 years.

Bennett is married to the former Katherine Howell and they have one daughter, Kay, a student at East Carolina University. Katherine and Kay have given themselves unselfishly as Bennett has served in the churches of our association.

Bennett was Training Union Director at Hayes Barton Baptist Church for 20 years before going to Tabernacle Baptist Church where his wife is employed as Church Secretary.

Bennett is currently teaching a Men's Bible Class at Tabernacle, he is a Senior Deacon, and has been Training Union Director for 11 years. He is in his 8th year as Region IV Director of Training Union.

Bennett has dedicated his many talents in the service of Christ. His winsome humor, love for people, and faithful service to the churches are characteristic of this strong Christian layman.

RALEIGH BAPTIST ASSOCIATION SECRETARY OF MISSIONS REPORT

This has been another busy year in the Raleigh Baptist Association. You have been most kind and receptive in all of our relationships during these almost eleven years. I am grateful for your confidence and for the progress being made in the churches of our association.

Please continue to pray for and support your elected associational leadership. Without their dedicated talents and cooperative efforts our associational work would not be possible.

Perhaps our most fruitful cooperative effort during the year was our Director-Led Sunday School Campaign in March. About one third of our churches participated in the campaign. We saw excellent results immediately in most of the churches, and the long-range plans for growth will prove wise for the future.

The theme for our work in 1968-69 is "A Church Fulfilling Its Mission Through Evangelism and World Missions." Your associational leadership is eager to assist the churches in making this theme a reality. This will be done through scheduled associational meetings approved by messengers at this annual session. Every effort will be made to make these meetings helpful and fruitful. Church leaders are urged to give meaningful support and prayerful attention to these meetings.

The Crusade of the Americas revivals are scheduled for March 16-30, 1969 in our association. About half of our churches have voted to participate in the Crusade during these two weeks. It is our hope that more churches will take this action at an early date. Every church, regardless of size, is needed to make a spiritual impact upon our associational area. Where churches find it difficult to obtain an evangelist for this period, why not ask the pastor to lead in the revival meeting? Some of our best revivals can result as we prayerfully support him.

The area covered by the Raleigh Baptist Association is faced with dynamic growth and change. Changes are inevitable in the life of our churches and in our associational programs if we are to meet the needs of our people. We would all agree that God does not change and man's basic needs to not change, but our methods must change to meet the challenge of the age in which we live.

Your associational leadership pledges creative and effective opportunities to serve the churches in the association. Together we can make an effective witness at home and abroad. Let us remember that World Missions must begin right where we are. As we strengthen the local church, we need also to give attention to needs within the association that can be met only as we meet them together. To accomplish this we must have an involvement from more people in our churches and a broader financial support. If we would only give more to Associational Missions by a percentage point or so each year, we could meet all of our expansion problems. Please give prayerful thought to what you can do through Associational Missions and World Missions.

12. Clerk Ted W. Williams recognized pastors and other church staff members coming into the association during the preceding year. He welcomed them into the fellowship of the association.

13. Associational Sunday School Superintendent Earl Crumpler brought the Sunday School Report. He called attention to the task of the Sunday School which is to teach the Bible. The Sunday School is the outreach of the church. In commenting on the Sunday School Enlargement Campaign held during the year he said that the twenty three participating churches found more than six thousand prospects. He called attention to the report as printed in the Book of Advance Reports. The report follows:

SUNDAY SCHOOL REPORT

The Sunday School, because of its fundamental nature, plays a significant role in most major church undertakings. This is also true on the Associational level. During this year an attempt was made to increase the outreach of our churches and make preparations for the Crusade of the Americas.

In March, 23 of our churches participated in a Sunday School Enlargement Campaign. Staff members from the Sunday School Board in Nashville and other competent directors from across our Convention came to our association to direct the Enlargement Campaign in the churches.

There is an alarming decrease in the enrolment of our Sunday Schools. In this day of increased population and possibilities for nearly every church in the association, our Sunday Schools should be growing at a rate much more rapid than reports indicate. The results of the 23 churches can only be an example of what the possibilities are for all our churches. For example, reports from the participating churches showed 6,769 prospects on file. In these 23 churches there is a need for 126 new departments, 173 new classes and 323 more workers. The out reach potential for our association is limited only by our willingness to reach out.

The Crusade Of The Americas will involve every church of our association. The role of the Sunday School in this effort to lead Christians to deeper commitment, to reach and train the lost and to seek a continuing ministry of Bible teaching must not be underestimated.

Every Sunday School can do the following essential actions in preparation for the crusade.

1. Create a climate of concern for the unreached.
2. Discover church prospects.
3. Cultivate the prospects.
4. Enlist prospects in Bible Study,

5. Teach prospects the gospel and its claims.
6. Witness to prospects about salvation and church membership.
7. Include new members in the life and work of the church.

The Sunday School has the organization that can aid in making for revival success by continued scheduled visitation and witness.

In 1970 there will be significant changes made in the organization and choice of literature in our Sunday morning Bible Study. The church that is unprepared for these changes will be at a great disadvantage. It is essential that your Sunday School Superintendent attend the Assemblies at Caswell and Ridgecrest during the next two summers and that all of the leadership in each church avail themselves to opportunities of learning the details of the up-dating of our organizations.

14. Bennett Straughn, Associational Superintendent of Church Training, brought the Training Union Report. He used a mock computer into which he fed various questions concerning training activities. He called attention to the report as printed in the Book of Advance Reports. The report follows:

Training Union Report

The Training Union scheduled their regular officers' and leaders' meetings mass meetings, executive meetings, etc. during the year. Attendance was very good.

"M" Night this year welcomed back to our city, Dr. James S. Potter, pastor of the Pritchard Memorial Baptist Church, Charlotte, N. C., as guest speaker. The "M" Night choir was under the direction of Don Laine, minister of music at the New Hope Baptist Church, Raleigh. An excellent drama was presented which left the audience with a challenge. Our association rated first in North Carolina with an attendance of 2,657.

Youth Night was again an outstanding event of the year. It was held this year at the Hayes-Barton Baptist Church.

Every year attendance at our summer assemblies is growing. Many of those attending were there for the first time. On the other hand, there are still many in our association who go every year.

Participation in the various tournaments continues to increase. This year 17 juniors participating in the Memory Work Drill were declared winners. They were: Ray Strickland of Falls Church; Joe Middleton and Hal Perry of Forest Hills Church; Barry Green, Theresa Green, and Pamela Jane Rogers of Garner, First Church; Craig George, John Holland, Robin Holland, Kim Marie Smith, and Tim Thompson of Hayes-Barton Church, Paula Maultsby and Becky Stewart of First Church, Raleigh, and Jan Critcher, Shannon Critcher, Amy Richardson, and Barbara Sauls of Turner Memorial Church. In the Intermediate Sword Drill, Larry Parker and Carol Martin of Forest Hills Church Raleigh (Sword Drill can have two associational winners, boy and girl); in the Young People's Speakers' Tournament, Ernest Bolton of New Bethel Church (17-18 yr) and Lee Proctor of Forest Hills Church (19-24), and in the Adult Scripture Reading Tournament, Mrs. Jim Smith of Hayes Barton Baptist Church.

15. Mrs. J. Kyle Graybeal, Director of Woman's Missionary Union of the association called attention to the WMU Report in the Book of Advance Reports. She said that teaching missions is the first task of WMU. Mission study shows how far we have gone in carrying out God's plan. She said that the new organization plan emphasizes depth study, intercessory prayer, and mission action. The report follows:

Woman's Missionary Union Report

With the words of Jesus "Inasmuch as ye have done it unto one of the least of these ye have done it unto Me" serving as our watchword for the year; Woman's Missionary Union entered a year of special emphasis on ministering to persons of special need and circumstance. Making loving response to the crucial needs of persons in the name of Christ; proclaiming what God has done in and through Jesus Christ for the salvation of all was the impetus that saw the beginning of Mission Action Groups who translated Christian love into Christian ministry. Since the purpose of Associational Woman's Missionary Union is to assist the local organizations in carrying out the mission tasks which are theirs, a number of opportunities for training, fellowship, and inspiration were provided throughout the year. The many churches which served as hostesses during the year cared for us and showed such wonderful hospitality that we would like to express our deepest gratitude.

Longview Church welcomed us for the Method's conferences on October 24. A total of 373 persons attended the morning and evening sessions. 58 children were cared for in the nursery.

Duplicated day and night sessions for the teaching of Basic WMS, YWA, GA and Sunbeam leadership courses were held November 27 and 28 at Highland Baptist Church. There was a total attendance of 151 persons with 109 leadership cards being earned.

Two Mission Study Institutes were held during the year. The Institute for the home mission series of books was held January 18, 1968 at Macedonia Church. Dr. Roger Crook who was the author of the Young People's book, "The Tide Comes In" was a special guest teacher. There were ninety persons attending. Mt. Olivet Baptist Church was the meeting place for teachers of the Foreign Mission series of books. The theme was "Spanish America" and the institute was directed by Mrs. Donald Laine. There were 77 persons present.

The Annual meeting of Woman's Missionary Union was held at Hayes Barton Church on April 25, 1968. Serving as Hostess churches were Hayes Barton, Ridge Road, Forest Hills, Leesville, Six Forks, and Trinity churches. Mrs. J. Kyle Graybeal presided over the session. The theme for the day was "Inasmuch...God So Loved...We Love." Linda and Brenda Harden, Queens Regent in Service from First Church, Garner were pages. Guest speakers were Miss Miriam Robinson, Executive Secretary for North Carolina WMU, Mrs. Hubert Middleton, Missionary to Chile, and Rev. John Poe, missionary to Brazil. Miss Robinson introduced and explained new organization plans for WMU. Mrs. Middleton presented the challenge that is ours in Chile and Mr. Poe told us of the exciting beginning of the Crusade of the Americas to be held in the spring of 1969. The soloist was Mrs. W. C. Lamb. The session ended with the audience singing "More Love to Thee" as a prayer recessional. 328 persons were present.

Due to the inquiries about and interest in the new organization plans being introduced an "Interpretation Clinic" was held at Ridge Road Church on May 9, 1968. 216 persons attended this clinic.

The Associational Young Woman's Auxiliary Council held quarterly meetings at Green Level, Temple, New Bethel (J) churches and a picnic at Pullen Park. Speakers included Mrs. Kyle Graybeal, Mrs. Carol Moore, former missionary journeyman, and Miss Linda Warren, Director of North Carolina YWA. A special installation service for new officers was held during the summer picnic. Mrs. Richard Smith, newly elected Associational YWA Director conducted the installation.

Mrs. Carol Moore, former missionary journeyman, offered an interesting challenge to the members of Associational Girl's Auxiliary as they met in December at Morrisville church. The Girl's Auxiliary at Pilot Church presented a skit on the life of Annie Armstrong as the council met in their church in March. 315 girls were present for the annual GA picnic held in Pullen Park. Mrs. Harold Briton spoke to them about the work of the Goodwill center in Raleigh. The September meeting was held at New Hope Church where the New Hope youth chorus presented an outstanding musical program.

Two weeks of G. A. Camps were held in Umstead Park June 24-July 6. The camps were sponsored by Associational WMU and directed by Mrs. W. C. Adkinson. There were 210 girls and 26 staff members for a total attendance of 236 with 46 churches represented. There was a total of 154 decisions with 45 of these being conversion experiences. The Michael Ledbetters and Mrs. Norma Sanchez were the missionary guests.

August 19 found seventy World Friends present for the Associational Sunbeam Day Camp held at Lion's Park. Mrs. Carlton Fleetwood directed the camp which provided Mission Study, Nature Study, handicrafts, and recreation.

September 5 was the day set aside for a prayer retreat and Annual planning meeting for the WMU Executive Council. Mrs. Robert Howell directed the prayer retreat and Mrs. Philip Boone, WMU Director from Forest Hills Church led the Bible Study hour. The theme was "Christ the Only Hope" and the day was spent at Falls church.

First Baptist Church, Cary was hostess for the Method's conferences for new officers and leaders for the 1968-69 year's work. There were 415 adults present with 65 children cared for in the nursery. 48 churches were represented. The eight conferences were designed to help the local organizations become "Geared to Change" as they begin work under the new organization plans.

The Denominational theme for the new year is "A Church Fulfilling Its Mission through Evangelism and World Missions" Woman's Missionary Union will help the church fulfil its mission with a special emphasis on Evangelism. The words of Jesus "Ye shall be witnesses unto me....unto the uttermost part of the earth" will serve as our watchword for the year.

16. Larry Heath, Director of Music for the association brought the Music Ministry Report. He commented on the "Good News" presentation and expressed appreciation for the opportunity of working with the participating young people from the many churches of the association. He called attention to the report in the Book of Advance Reports. The report follows:

Music Ministry Report

The basic objective of our associational music ministry is as follows: "The objective of the Raleigh Baptist Association Music Ministry is to assist churches of the association in establishing, conducting, enlarging, and improving music programs."

We have sought to meet this basic objective through the following church centered, and associational related programs and activities. A complete Associational Music Council was formed and met periodically for planning and discussion of the Associational Music Ministry. Several Projects were undertaken. Information was secured from the churches in the Association regarding their Music Ministry needs through a questionnaire. The Associational Music Council sought to respond to meet these needs by individually contacting pastors and ministers of music. Through private counsel several of our churches have received assistance.

We have sought to involve our youth in music ministry this year. Rehearsals were held from January through March for "Good News," a Christian Folk Musical. "Good News" was presented at our Associational Youth Night with 125 youth participating in the chorus. It was later presented at North Hills Shopping Center, the State Training Union Youth Convention held at Forest Hills Church, and finally at Memorial Auditorium on May 12 with attendance near 1800.

On May 13 and 14 we sought to provide a training opportunity for music leadership by holding a Church Music Workshop at Tabernacle Baptist Church. The Music Council laid plans and secured leadership for this activity. Classes were held for Pastors, Ministers of Music, Department Song Leaders, Church Organists, Pianists, and leadership of Youth Choirs, Junior Choirs, and Children's Choirs. Classes were provided in Music theory and voice. The average attendance was 75 per night with 25 different churches represented.

We have sought to provide opportunities for fellowship among Minister's of Music and Education by a monthly meeting (luncheon) of those interested in sharing ideas, problems, and discussing music/education needs. Several of these meetings were held during the year at the S & W Cafeteria.

A Church Music Leadership course of a general nature was included in the Central Leadership Training School held at Emmanuel Baptist Church in October 1968.

The Associational Committee on Order of Business requested that the Music Ministry present "Good News" at the annual meeting to be held on October 24 and 25. Rehearsals were held during September and October with 200 youth enrolled in the chorus. Around 175 presented the Folk-Musical on Thursday evening, October 24, 1968 at Forest Hills Baptist Church.

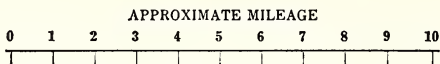

The Music Ministry of our Association has a bright future because church music programs are growing and music service in the churches is moving at a hastening pace. To God be the glory for what has been accomplished, but our prayer is that we may have an even greater and more effective ministry in 1968-69.

17. Eugene Scarborough, Associational Director of Juvenile Rehabilitation Ministry, spoke concerning his work. He stated that his services are made available to the association mainly through the Home Mission Board and the Department of City and Metropolitan Missions of the Baptist State Convention. The association pays travel expenses. He said that his ministry seeks to meet a growing problem. In 1966, 208 children came to the attention of the court. In 1967 there were 515 He asserted that his hope is to provide sponsors for children in "one to one" relationship showing children that an adult really cares. This is a resource ministry to let churches know that the child is in trouble and to help the sponsor more adequately meet his needs.

18. Howard Dawkins, representative from the North Carolina Baptist Hospital in Winston-Salem, was introduced and spoke concerning the work of the hospital. This report as printed in the Book of Advance Reports follows:

BAPTIST HOSPITAL REPORT

This is a full year at our Baptist Hospital with more than thirty thousand sick people being given medical service and Christian Ministry, and more than 165,000 visits being made to the clinics of the hospital. In addition to this, more than 700 persons are receiving training in the various fields of medical care and Christian

service, and a vast amount of medical research is being done in the causes and treatments of the diseases which afflict us and our loved ones.

The Development Program, which is greatly to increase the capacity of the Medical Center to train and to serve, is progressing on schedule. The new power plant is scheduled to go into operation in October. The paramedical school building is due to be ready by next April. It will provide the best in teaching facilities and make it possible to double the capacity of our nine schools and to add new schools. The Medical School addition is to be ready by September, 1969, and will allow that school to enlarge by 35%. Contracts are due to be let in October for the new patient building, which is to be completed in 1971. This building and the remodeling of the oldest part of the present plant will provide more than 200 new patient beds and greatly enlarged space and facilities for offices and for examinations and treatment of patients.

The cost of this large Development Program is being provided by interested individuals, corporations, foundations and government agencies, which recognize the valuable service our Medical Center is rendering and the urgent need for greatly enlarging these services.

But this is a very difficult year financially, and our hospital has been forced to make important changes in its financial policies. In the face of the mounting costs and the increasing needs of our people, the hospital has been struggling with a growing deficit. We have been told this for several years but the gap has continued to increase between the cost of free service and the money we have provided for this service. The amount of the free service now will have to be governed by the amount of the Mother's Day Fund. A patient's hospital bill will be estimated in advance, any available hospital insurance will be deducted, and the balance must be paid before the patient is admitted unless he is certified by his county welfare department or some other agency. Any balance beyond the estimated bill must be paid before the patient is discharged. In case of an emergency, the patient may be admitted but the hospital bill must be paid as soon as possible after admission. The Mother's Day Fund will be used, as it has been, to pay the difference between the amount paid by the certifying agency and the total cost of caring for the patient.

The great concern at our Baptist Hospital is for these patients who must have financial assistance if they are to get the specialized care they need. But the hospital has come to the point that it cannot continue to operate without the money necessary to cover the cost. In view of these circumstances, we believe the great majority of our pastors and our people will understand these changes and give their full cooperation. The Mother's Day Offering will need to be increased greatly if our hospital is to fulfill its mission to our people who most need it. We want to assure our hospital that it can depend upon us in full measure.

John W. Lambert
Hospital Representative

19. Larry Heath, led the congregation in singing "Rescue the Perishing." Toby Druin, Music Director of the North Street Church And Associate Editor of the Biblical Recorder, sang "Follow Me." The scripture was read by Marion Terry, pastor of the Pleasant Grove Church, using Psalm 142:1-7. L. M. Woolweaver, pastor of the Ephesus Church, after leading the congregation in prayer, preached the annual sermon. The subject was: "Neglected Souls." He called upon the congregation to care for the outcasts of society. He said that these people are precious souls made in the likeness and image of God. He drew a fine verbal picture under which these people exist. He asserted that the only answer is the

gospel of Christ. He said that it is the duty of every Christian to be a Witness to Christ. The gospel is for every man. Not only should we care for the outcasts, but also for the spiritual needs of skeptics, sophisticates, and aristocrats. He also said that we need to care for the spiritual well-being of the members of our own households. Let it not be said that "no man careth for my soul." Larry Heath led the congregation in singing "Throw Out The Lifeline."

20. The report on the Baptist Foundation was brought by Robert N. Simms, Jr., layman from Raleigh First. He called attention to the report printed in the Book of Advance Reports. The report follows:

BAPTIST FOUNDATION REPORT

During the past year, The North Carolina Baptist Foundation, Inc. has made regular and systematic progress. More and more of our Baptist people are inquiring about the services of the Foundation and are following these inquiries with concrete evidence of their concern. Some have made direct monetary contributions through the Foundation for a particular agency or institution. Others, with the help of their lawyers, have made provisions in their wills that through the Foundation Christian causes have been remembered.

One of our major emphases has been in the area of will making. Our pastors, associational superintendents, and our church representatives have given encouraging help in this educational campaign. The response in each instance, whether in association or individual church, has been most gratifying.

We solicit your prayers and continuing cooperation. The Foundation remains ready to assist you in any phase of our endeavors. Please call on us if we can be of assistance to you.

25. James West, Chairman, brought the report of the Social Service Committee as printed in the Book of Advance Reports. The report follows:

SOCIAL SERVICES REPORT

Citizenship that is worthy and responsible concerns America in this year of National elections. As Christians our citizenship is both earthly and heavenly. Earthly, because of our humanity; heavenly, because of Christ and his life in us.

To be worthy and responsible Christian citizens is to be involved obediently in the work of Christ and redemptively in the affairs of men. The intent and extent of the Christian's involvement includes every facet of living, and the desired end is to bring everything under the Lordship of Christ and everyone into wholeness and holiness.

This report addresses itself to the subject of Political Action. Much of the material is adapted from Henlee H. Barnette's article, "Protestant and Political Responsibility", Review and Expositor, Vol. LXV, No. 3, pp. 101-014. Political Action

Baptists must begin developing a more realistic political theology and become skilled in the fine art, theory, and practice of politics, if they are to have a strong voice in the shaping of public policy. A few guidelines are suggested toward these ends.

(1) As a result of an appalling political illiteracy among both pastors and their flocks, Baptists must become more knowledgeable about the science of government: political strategy and political action.

(2) Every citizen, regardless of his political leanings, should be encouraged to exercise his great privilege to vote at the polls and thereby participate in the selection

of leaders and the formation of public policy. Preachers appear to be among those who fail to vote. A survey in Chicago examined the voting habits of this city for the years 1956 through 1960. The survey showed that only 17 percent of the Protestant ministers voted during this time while 99 percent of the tavernkeepers, 97½ percent of the gamblers, 26 percent of the Masons, 29 percent of the Protestants, and 16 percent of the housewives voted.

(3) Citizens, and this applies particularly to Baptists, should avoid sentimentality in politics. That is to say, they should avoid too much emphasis upon single, peripheral issues and concentrate on the central problems at stake. Often the private virtues of a politician can be the sole basis for supporting him in an election. For example, in Germany in the 1930's church members of the more pietistic groups of the state church praised and supported Adolf Hitler because he refused to drink or smoke.

(4) Our desperate need is not for more politicians, but more statesmen in government. Our most capable young people should be encouraged to enter politics as a career.

(5) Criticism of government policies when they move in the direction of totalitarianism and the denial of basic human rights is the responsibility of every citizen. Also, it is the duty of the citizen to work for the extension of democratic privileges in terms of racial equality, decent standards of living and civic righteousness. When moral problems and social ills are at stake, citizens must speak out and act against them.

(6) Each church can urge its members, regardless of party affiliations, to register and to vote. It can provide a recognition service for those reaching voting age in a forthcoming election. Study courses and discussion groups can be formed. A Christian Citizenship Committee can be established. Church members can be encouraged to serve in political positions all the way from the precinct to the presidency. A church can encourage its members to read and discuss the Declaration of Independence, The Constitution, The Bill of Rights, and current legislation on vital issues. Parents can be urged to set a good example by voting and by explaining to their children why they vote. And the whole family can pray for those in political roles and for the spiritual and moral welfare of the nation. Above all, the pastor can proclaim the biblical perspectives of politics. While the New Testament contains no political philosophy or blueprint for political order, it does present certain attitudes and principles which bear on the state.

Biblical guidelines of political action which the pastor can articulate are clear:

(1) a recognition of the state as a God-given institution to maintain order and justice; (2) the duty of citizens to support the state in terms of taxes; (3) the right to criticize the evils of government and of corrupt politicians; (4) to pray for rulers; and (5) to obey God rather than the state when its demands conflict with the Christian conscience.

26. Bennett Straughn, Chairman, brought the report of the Calendar Committee as printed in the Book of Advance Reports. He moved adoption of the report. Motion carried. The report is found on page 5.

27. William T. Mills, Chairman, presented the report of the Missions Committee as presented in the Book of Advance Reports. He moved the adoption of the report including three important recommendations. The motion carried. The report follows:

MISSION COMMITTEE REPORT

In this time of overwhelming population increase, and the quote Dr. Hudgins of Jackson, Mississippi, "Bewildering technology, convulsive sociology, paganized ideology, confused theology, and changing ecclesiology," your Missions Committee

finds itself staggered by the challenge of the Raleigh and Wake County area needs. We feel hampered by lack of funds, and personnel, but none the less hopeful that we may provide opportunity for the people in this county to hear the Gospel and to have the blessings offered by the Church in every community or section where none exists, but where the potential for a Church does. Against this background your Committee makes the following recommendations:

1. That the lot owned by the Raleigh Association on Lead Mine Road be traded or sold, and a more strategic location found to serve the needs of the northwest Raleigh area. The reason for this action being that the community around the lot has changed since it was purchased from residential (single dwellings) to Apartment Complexes, Commercial, and Office - Institutional. Such a community while needy does not generally lend itself to the establishment of a stable Church, and your Committee feels that a different location for a future Church in this area would better meet the needs that are apparent in this section of Raleigh. We further recommend that this action be taken under the local direction of the Hayes Barton, Ridge Road and Creedmoor Road Baptist Churches, our Secretary of Missions, and our Missions Committee. This action also to authorize the Trustees of the Raleigh Association to carry out any legal requirements that might be necessary to such transaction, and that any expenditure of money be held within the frame work of the Missions Budget.

2. In the light of the rapidly expanding population of our county we have been made aware that Southern Baptists are not organizing Churches as rapidly as we would like or should. This concern led us to examine the situation and we found that busy pastors all gave the same reply that they were unable to take the time away from their local duties to go out into areas where surveys were needed and do the work necessary toward the organizing of a new church. We also are aware that our Associational Secretary of Missions has had increasing responsibilities while his staff has remained almost the same. At this particular point the need seems to focus upon lack of personnel to get the job done. Therefore, your Missions Committee would like to recommend that our Secretary of Missions be authorized to employ extra help on a temporary basis from time to time as the situation may demand, either Seminary Students or others, to go into needy areas and conduct surveys and assist in the organization of a new Church in such areas if the survey should so indicate. This employing of additional personnel to be held within the framework of our Missions Budget.

3. Your Committee was asked to take under consideration the needs apparent in a section south of Garner known as Heather Heights, and in response drove out to this section to see for ourselves. The construction foreman showed us plans for a two thousand (2,000) family development, 931 units being single family dwellings. This development is near to already expanding developments in this area, and is to be completed within the next five to ten years. As a consequence of our discussion and visit to the site your Committee would like to recommend that we look with favor upon the acquiring of a lot in this section that would be suitable for the establishment of a Church as funds are available or to accept as a gift such a lot that may be made available. We recommend further that any action toward the organization of a Church in this area be in co-operation with the pastor and congregation of the First Baptist Church of Garner, and other neighboring Baptist Churches. This action to also authorize the trustees of the Raleigh Association to act in any legal capacity that may be required.

28. Harold West, Chairman, presented the report of the Membership Committee. He moved that the Liberty Baptist Church of Cary, North Carolina be accepted into full fellowship of the association in accordance

with provisions of the constitution of the association. Motion carried. He invited churches to call upon the services of the committee.

Moderator Brooks extended a welcome to the pastor of the Liberty Church, G. Lee McIntyre, on behalf of the church.

29. William H. Poole, Chairman, presented the report of the Memorials Committee. The report follows: (A list of "Our Beloved Dead" appears on page 25 of this annual.)

IN MEMORIAL

We are reminded, in this beautiful and special moment of reflection, of two sobering truths. First, that all humanity is standing on the brittle edge of life because during the past year many of our Christian friends - some young, some old - were invited to "Walk with God through the valley of shadow of death". The second reminder is the fact that "we are treading where the saints have trod".

Thus we are pleased that we can pause, in the midst of our business deliberations, to thank God for those precious souls who made their contributions to the cause of Christ. As Christians they sought to bring peace to a troubled world, hope to the hopeless, happiness to sorrowful hearts, and eternal life to the doomed. Thus they have given to us an awareness of the spiritual adventure and the high privilege of "making this world like unto the Kingdom of God".

Yes, "we are treading where the saints have trod".

30. Robert L. Costner, Secretary of Missions, recognized Mrs. Stanley Webb, office secretary in the associational office, for her excellent work. He made several announcements and suggested that the clerk send a letter of appreciation to Mr. Fred Fletcher, president of television station W. R. A. L., for programming "Church of Our Fathers" and "Light Unto My Path."

31. L. M. Woolweaver, host pastor, made announcements concerning the noon meal.

32. Larry Heath led the congregation in singing "I Love Thee."

33. Robert Mullinax, pastor of Cary, first led in prayer and gave thanks for the meal.

Friday Afternoon, October 25, 1968

34. Larry Heath opened the final session of the annual meeting by leading the congregation in singing "Ye Servants of God."

35. L. M. Woolweaver read Ephesians 6:10-20 and led in prayer.

36. L. E. Forest, Chairman, brought the Report of the Committee on Committees as printed in the Book of Advance Reports. He moved its adoption. Motion carried.

37. W. C. Adkinson, Chairman, presented the report of the Committee on Nominations as printed in the Book of Advance Reports. He moved its adoption along with the election of those named in the report. Motion carried. The list of officers appears on page 6.

38. W. C. Adkinson, Cooperative Program Representative, brought the Cooperative Program Report as printed in the Book of Advance Reports. He moved its adoption along with the three recommendations included in the report. Motion carried. The report follows:

COOPERATIVE PROGRAM REPORT

What the budget is to the local church, the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad — it's preaching the gospel — it's healing in the name of Jesus through hospitals and clinics everywhere — it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as your church channels a worthy part of its income through the Cooperative Program we enter into partnership with God and one another in obedience to the command, "Go... preach...teach...!"

Let us resolve to pray earnestly for all Kingdom work through the Cooperative Program and support our prayers with sacrificial giving of self and substance. The Yates Association had 100% of their churches giving through the Cooperative Program during 1967.

A new Eight Day Stewardship Program will be available from the Stewardship Commission of the Southern Baptist Convention on April 1. It will suggest visitation of every family in the church by the Deacons, prayer by every church member and a Week- end Stewardship Revival. Many of the pilot churches have found this an effective way to increase giving and pledge the church's budget.

RECOMMENDATIONS

We recommend:

(1) That each church plan, vigorously promote, and subscribe a worthy budget.

(2) That each church have a special prayer for Cooperative Program causes during each church service in October.

(3) That each church give regularly, a worthy percentage of each offering plate dollar through the Cooperative Program.

39. The clerk, in the absence of Parks Harris, Chairman, presented the report of the Committee on Time, Place, and Preacher and moved its adoption. Motion carried. The report follows:

REPORT ON TIME, PLACE, AND PREACHER

The evening session of the Raleigh Baptist Association will meet with the First Baptist Church of Cary, October 23, 1969. The morning and afternoon sessions meet with the Apex Baptist Church of Apex, October 24, 1969.

We recommend that Rev. W. C. Adkinson preach the sermon and that Rev. Spurgeon Hayes be the alternate.

40. Alphonso Jordan, Chairman, presented the report of the Committee on Resolutions. He moved its adoption. Motion carried. The report follows:

THE COMMITTEE ON RESOLUTIONS

1. We resolve that the Raleigh Baptist Association does express its sincere thanks to Lamar J. Brooks for the splendid way he has presided over this 163 Annual Session.

2. We resolve to express our thanks to all of those who have taken part in this splendid program, all speakers, musicians, and to those who have given reports from the various departments of our Association.

3. We resolve to express our appreciation to the host churches, Forest Hills, Ephesus, Cary First, Mt. Olivet, Boulevard and Greenwood Forest for this Annual Session. Their hospitality and cordiality have been clearly demonstrated and appreciated.

4. We resolve to express our gratitude to our Associational Clerk, Ted W. Williams, and to our Associational Treasurer, L. G. Bullard, for their faithfulness and efficiency. Their tasks require much effort, time, and ability. For their devotion and service we are thankful.

5. We resolve to give a higher degree of loyal support and service to our Association and to the Kingdom work of our Baptist State Convention.

6. We resolve to dedicate our 1968 Minutes of the Raleigh Baptist Association to our dedicated and beloved Bennett Straughn, Associational Training Union Director for the past fourteen years.

41. The moderator called attention to several items in the Book of Advance Reports not specifically presented during this annual session. These reports appear at the end of the numbered proceedings.

42. Guy Cain, Annuity Board Representative, brought the report of the Annuity Board. The report as printed in the Book of Advance Reports follows:

ANNUITY DEPARTMENT

REPORT ON CURRENT PARTICIPATION,

A recent southwide summary shows 23,534 men holding certificates in the basic Plan "A", Southern Baptist Protection Plan. In North Carolina churches are being billed for 1,823 of these men. This does not include group participation in our state institutions and agencies. Of our 3,441 churches in the North Carolina Baptist State Convention, 52% are not participating in the Retirement Program for their pastors.

Health Benefit Plan southwide enrollment is 14,276—858 in North Carolina.

Life Benefit Plan enrollment in 11,486—1,097 in North Carolina. Report On Annuity

Our Most recent report shows 226 men receiving monthly checks and 158 women receiving monthly checks.

Many of these checks are small due to (1) small salary base participation, (2) late enrollment, giving short time of participation.

Social Security report shows that at the end of 1967 1,331 pastors were enrolled in Social Security. Most of these men have both Social Security and the Southern Baptist Protection Program. The economic conditions of the times dictate that all of our pastors need both these programs for retirement and family protection. Penalty Waiver For Late Enrollment

During 1968, the first official year of the new certificate in Plan "A", all of those men who have delayed getting their certificate in the program have this "grace period" which "waives the penalty for delayed participation". This penalty affects all of the provisions of Plan "A" except the retirement credit. Thus, it is urgently

important that pastors and associate ministers not yet enrolled do so before this calendar year ends.

To upgrade the retirement program, ten percent of total salary should be in the budget; the increased deposits will be placed in Plan "B" or Plan "C". In recent years many churches have taken this step.

43. In the absence of Dr. Ben Fisher, Joe Baker, Business Manager of Meredith College, brought the report on Christian Higher Education. The report as printed in the Book of Advance Reports follows:

CHRISTIAN HIGHER EDUCATION REPORT

The total enrollment of our Baptist College as of October 15, 1968 is 12,024. Forums Will Be Scheduled Again on Each Campus This Year

At the unanimous request of the college presidents, the Council on Christian Higher Education will again schedule forums on each campus of the seven Baptist colleges, to which pastors and other church leaders will be invited. This decision came as a result of the very successful BEST forums which were held last year, and a number of pastors and laymen have suggested that this type of communication between the colleges and our Baptist people might well become an annual event. Cooperative Program

The continued growth of the support by our Baptist people of the Cooperative Program is most encouraging, and we wish to take this opportunity to thank our Baptist people for the generous support through this means. For the year 1968, the following amounts were budgeted: Campbell - \$272,377; Chowan - \$163,100; Gardner-Webb - \$154,945; Mars Hill - \$234,864; Meredith - \$234,864; Wake Forest University - \$399,595; and Wingate - \$171,255.

We should like, also, to report that we are grateful for the increased interest in the Baptist College Day and the number of churches participating. The Baptist College Day has two main objectives: to inform our people about the purpose and program of Christian higher education, and to provide an opportunity through the Baptist College Day offering to give much-needed help to our schools.

We urge our pastors and churches next year to contact our schools and ask for a team of Baptist young people to give testimonies concerning what going to a Christian college means to them. One pastor said recently: "The two young people who came to our church have changed the whole attitude of our congregation towards the Baptist Colleges and the Cooperative Program." We would also remind you that the Council office will be ready to assist any church in planning the observance of Baptist College Day, and will also be glad to recommend speakers.

A Moral and Ethical Force

The Christian college campus is emerging once again as a great moral and ethical force in American culture. Our church-related colleges have taken the lead in restoring discipline and moral and ethical responsibility on the college campus. The denominations who grasp this opportunity to work with young people are the ones who will have the most effective Christian witness in America in the future. This is no time for retreating or retrenching. It is a time for positive Christian witness from our churches and from our Christian colleges. We believe that we have a mandate to reestablish a sense of Christian values in American Life.

Council on Christian Higher Education

The Council on Christian Higher Education is a service organization, as well as a coordinating agency for the Baptist colleges in our state Convention. When in Raleigh, we invite you to visit our office, and we also have special materials concerning all of our Baptist Colleges and young people. The Council also cooperates with local churches, Pastors' Conferences, and the associational missionaries in furnishing speakers on Christian higher education.

44. Mrs. Ruby Brooks, Area Representative of the Baptist Childrens' Homes of North Carolina, presented the report of the Childrens' Homes as printed in the Book of Advance Reports. She called attention to a Social Service Office located at 2008 Hillsborough Street, Raleigh, North Carolina. This office offers service to the churches of the Raleigh area. The report follows:

BAPTIST CHILDREN'S HOMES REPORT

North Carolina Baptists and other friends of the Children's Homes are making possible a Christian way of life for hundreds of boys and girls who otherwise would be denied many of life's best opportunities. More than 1300 children were assisted in some type of service during the past year.

All associated with the Children's Homes are deeply grateful for every type of support. Co-operative Program income through the churches is increasingly important. Last year's Thanksgiving offering is the largest ever — now approaching \$325,000. Special gifts, bequests through wills and estate planning provide much needed income and wonderful opportunities to invest in the lives of children and young people.

Encouraging progress is being made in the capital funds campaign to build a home for children in Western North Carolina to be located in Haywood County between Waynesville and Clyde. It is hoped that construction can begin early in 1969. The Western Home, in addition to providing group care, will strengthen all types of services now being provided children and their families in the Western area.

Four family style cottages have been constructed and dedicated during the past year — two at Mills Home and two at Kennedy Home. Two additional cottages will be constructed at Mills Home during the coming year. Funds for these buildings have come from bequests through estate planning by friends of neglected and dependent children.

The number of good Christian homes for the care of foster children is growing. More are needed in all sections of the state. Foster homes serve children of all ages and are particularly helpful for some who have special needs. Couples with or without children of their own, who have an abundance of love, find this to be a challenging and rewarding opportunity for Christian service.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthy the blessings of our Lord. We covenant with you to face the future as we have the past: to offer Christian nurture to children in distress in the name of Christ our Savior and Lord.

45. Dr. Howard Ford, Director of the Division of Missions of the Baptist State Convention of North Carolina, spoke on the subject "Evangelism and Crusade of Americas." He asserted that one of the most significant things about the Crusade of the Americas is that the initiative came from a country to which we have sent missionaries for many years. He said that we are living in a confused and troubled world and that "Christ" IS "the only hope." Because of this it is our responsibility to share this hope through the Crusade of the Americas.

46. The clerk, Ted W. Williams, announced the final count on registration. Registered messengers: Thursday night — 485, Friday — 150 for a total of 635. Registered visitors: Thursday night — 665, Friday — 42

for a total of 707. Total messengers and visitors — 1,342.

47. Robert L. Costner conducted a brief installation service for the newly elected officers. Dedication prayer, which also served as the benediction, was given by L. D. Holt.

48. The moderator, Lamar J. Brooks, declared the 163rd Annual Session of the Raleigh Baptist Association adjourned.

REPORTS IN THE BOOK OF ADVANCE REPORTS NOT INCLUDED IN THE ORDER OF BUSINESS

BIBLICAL RECORDER REPORT

This is a period in history when some church publications are struggling to exist. Smaller circulation, rising cost of publication, mergers, and other factors are creating hardships for many publications.

Your *Biblical Recorder* is not immune from some of these problems, but there is a brighter side to its ministry. In January, the *Recorder* had its 135th birthday so this indicates it is durable and hardy. While circulation did not set any new records in the past year, a healthy gain was noted. Inflation, accompanied by increased printing costs, caused the *Recorder* to have to buckle its belt, but necessary economy steps were well-accepted by our Baptist people. One of these was to let the churches pay the state sales tax, thus saving the *Recorder* nearly \$5,000 a year.

There is every indication that the *Recorder* is continuing to be read closely. Letters to the editor reflect this growing interest on the part of readers. This is healthy and is one of the strong points of Baptist democracy. The *Recorder* runs well over 200 letters a year, many of them expressing strong feelings on a variety of subjects. Baptists are individualists and since this is part of our heritage, the *Recorder* is glad to receive letters on the issues facing Christians today. There must be dialog among Baptists and the *Recorder* is glad to serve our denomination in this capacity.

The tragedy is that more of our Baptist people don't get the *Recorder*. Although hundreds of churches send it to every home, there are too many churches that do not have it in the budget. Frequently the interest and hard work of one person can mean the difference. Try it and see.

The *Recorder* staff rededicates itself to the job of getting out the best paper possible in these days of serious upheaval. Speaking the truth in love is the goal of the *Recorder* at all times. The support of all Baptists is needed in carrying out this objective.

Respectfully submitted,
J. Marse Grant, Editor

HOMES FOR THE AGING

The past year in your Baptist Homes for the Aging has been one of the most eventful in the history of the Homes. Of primary significance was the opening of the Yanceyville Home on November 1, 1967, and the dedicatory services on April 25, 1968, with Governor Dan K. Moore as the principal speaker.

When the Yanceyville Home, accomodating 31 residents, is filled to capacity, the number living in all of our Homes will reach 200. Residents at Yanceyville, Resthaven, the Albemarle Home, the Hayes Home, and the Infirmary constitute a large and ever-growing family of elderly people who receive compassionate and tender care.

The waiting list for admission to one of our five Homes continues to grow, but has been revised and is a bit more realistic than ever before. The opening of the

Yanceyville Home has relieved the pressure greatly on this waiting list, and persons are encouraged to make application from the various sections of our great State.

Baptists of North Carolina can be grateful for their record in ministering to the residents in their five Homes for the Aging. Recent reports reveal that our Baptist Homes for the Aging are giving more financial assistance to their needy aging than any other denominational Home in North Carolina. About 85% of the residents ministered unto receive assistance through the love gifts of North Carolina Baptists. These love gifts from our Baptist churches come from two main sources: (1) The Special Day Offering, received on the 3rd Sunday of February each year, from which the Homes derive 22½% of their total support; (2) The Cooperative Program from which we receive 12½% of total income. Gifts for 1967 through these two sources were at an all time high and amounted to around \$200,000.00. The 1968 Special Day Offering, at this time, is reflecting an encouraging increase. Unless these two vital sources of income are increased considerably, your Baptist Homes cannot be maintained, either on the basis of quality of care, or quantity.

More than in any previous years the ministry of the Homes has been extended beyond the day to day care of the residents to our local churches and communities. Experiences have been shared in more than one Association, in World Missions Conferences, Family Life Conferences, High School classes in Family Living, etc.

Life among the residents in the Homes is most interesting, and if one wonders about activity among those whose average age is 80, let him come and see. Let everyone who is contributing to this great area of human need be grateful to the Lord to be a part of a great denomination that has had the vision to plan for the aging, and is moving forward in meeting the needs of this very deserving group.

Annual Report to the Association
by the
CITY AND METROPOLITAN MISSIONS DEPARTMENT
Ernest C. Upchurch, Secretary

Division of Missions
Baptist State Convention of North Carolina

The City and Metropolitan Missions Department of the Division of Missions, seeks to promote a total mission program in every area of North Carolina that has a population of 2500 and up. However, the metropolitan culture is always active in shaping concept and values in all geographical areas of our state.

The projected population growth of our state reveals an estimated growth between 1960-1980 to be one million people. These people need to be reached with the Christian witness of our churches. This department is the urban missionary effort of our convention to assist churches and/or associations in extending this witness.

Metropolitan missions has three distinct phases of its work, namely:

- I. The General Urban Church and Associational Ministries.
 - A. Research and study has been made in metropolitan mission needs and ministries and ways and means of meeting these needs.
 - B. Churches and Associations have been assisted in specific urban needs and long range planning of associational city ministries.
 - C. Seminars and conferences and clinics have been well received by ministers and lay people in this area of work. One outstanding conference of this nature was held in Greensboro during the year.

II. Metropolitan Christian Social Ministries.

The Compassion ministries of Jesus were to all people — “when he saw the multitude he was moved with compassion on them.” Matthew 9:36.

Christ not only had compassion on the multitudes he also had compassion on individuals. He had compassion on the widow of Nain (Luke 7:11-15), on two blind men (Matthew 20:30-34), on a leper (Mark 1:40-42), and on many more in need. Many of his miracles expressed compassion for people. The Christian Social Ministries is designed to meet the total compassion needs—moral and spiritual of mankind.

A. Associational Programs:

The associational Christian Social Ministries includes services in Baptist Center work (kindergarten, weekly activities, Goodwill Centers) Rescue Missions, Juvenile Rehabilitation, Adult Rehabilitation. Literacy, Migrant and Relief Ministries.

B. Juvenile Rehabilitation:

Two programs of juvenile rehabilitation are being conducted. One in Winston-Salem in co-operation with the Pilot Mountain Association, The Reverend Maurice Briggs is serving as director of this associational project. One is in Raleigh in co-operation with the Raleigh Association and the Home Mission Board. Mr. Eugene Scarborough is serving as minister of this work. There are many, many other needs and opportunities if money and personnel were available.

C. Literacy:

Workshops were conducted in associations and among the field workers of metropolitan missions. Ways of implementing this work are being studied and strategies planned.

Conclusions:-

City and Metropolitan Missions Ministries are administered in co-operation with the Metropolitan Missions, Christian Social Ministries and Non-Evangelical Department of the Home Mission Board of the Southern Baptist Convention. This co-operative method finds these departments supplying joint-employed personnel, funds, techniques and working closely with local co-sponsors of the mission projects.

The Department's continued concern and overall perspective is for all people, especially in urban areas of North Carolina. The department's ministries are a part of the total witness of State Missions. SCHEDULE OF ACTIVITIES 1970 -----	5

The year 1968-69 has been a rewarding year for those of us who serve in the Raleigh Baptist Association. There has been an atmosphere of stability and strengthening of the several phases of our work. This has been because of the fine, dedicated leaders we have in all departments of our programs and those who faithfully serve on our various committees. I have an increasing appreciation for those who have served with me for these almost twelve years. Our Baptist witness in the Raleigh Association is also strengthened by those who move into our churches and give freely of their talents and energies.

Although the need is so great and the accomplishments seem relatively small, this year has seen significant progress in our program of Youth and Family Services. Mr. Eugene Scarborough, our part-time minister in this area, has made special efforts to fully inform the people in our churches of the needs and to prepare them for sponsorship of young people in trouble. "Minister's Day in Court" is another means of bringing a healing ministry to a growing problem.

The Raleigh Association entered into a new phase of work on June 1, 1969. After months of serious study by a special committee of the Baptist Good Will Center, and in consultation with Mr. Ernest Upchurch of the City and Metropolitan Missions Department of the Baptist State Convention, and a visit by personnel of the Home Mission Board, this new relationship was established.

The work of the Baptist Center is now under the supervision of the Raleigh Baptist Association. It is supported financially by the cooperative efforts of our churches, the Home Mission Board, and the Baptist State Convention's Department of City and Metropolitan Missions.

Mr. and Mrs. Monty Hicks are our workers at the Baptist Center. They will work with our associational leadership and with an advisory committee of the association, headed by Mr. Joe Correll, to enlarge the ministry of the Baptist Center. An interesting history of the Good Will Center has been compiled by Mrs. Grace E. Sorrell and these are being shared with the churches. Churches assisting with this work in the past and those who wish to join them are asked to make all checks payable to *Baptist Center and mail to Mr. L. G. Bullard, 503 E. Jones Street, Raleigh, N. C. 27601.*

Your co-workers in the Raleigh Baptist Association are seeking to encourage a vital sense of mission in every area of our work. This is not an easy task and we do not ask that it be easy. However, we do need the best in leadership from our churches, and financial support adequate to meet our growing needs. The cost of living, land acquisition for new church sites, growing service needs, cost of Associational Minutes, and other factors call for increased financial support.

The vitality of our Baptist witness as a denomination is dependent upon a strong sense of "belonging" which is the essential characteristic of our Associational Missions Ministry. The development of denominational structures which often bypass the Association has been a factor in weakening all phases of our work. A mutual sense of Christian fraternity and missionary urgency on a local level will make a meaningful contribution to kingdom concerns at home as well as for Home and Foreign Missions.

22. James West, Chairman, presented the report of the Social Services Committee as printed in the Book of Advance Reports. The report follows:

SOCIAL SERVICE REPORT

Are we morally and spiritually prepared to enter the 1970's? The problems are many. The issues are great. The needs are urgent. Are we Christians who constitute the Baptist churches of this area, ready to be the "salt" and "light" that will be a transforming and redemptive force?

So much in our society needs changing and cleansing. Surely this must be the Christian's business. Bishop Earl G. Hunt, Jr. cites five maladies afflicting our civilization today: self-assured affluence, willful irrelevance, sanctified anarchy, sex psychosis, and pragmatic atheism. And Bishop Hunt adds: "God needs laymen radically committed to sacrifice for His cause and His Church, filled with trust like little children, ready to give priority to spiritual discipline and service in their local churches. . . men purged of prejudice and filled to overflowing with New Testament love, men convinced that these are the only values and this is the only effort which matters supremely in our time."

Numerous are the significant social trends that are being carried over into the 1970's. Some of them are: mounting racial tensions, increasing crime and delinquency, emerging dominance of youth, unresolved war crisis, impact of the reactionary, de-personalization of the individual, excessive emphasis on success, greater tendency for people to withdraw, and external social pressures bearing directly on the churches. To meet these crises and challenges, Christians must be christian and the church must be the church. Christian influence and Christian ideals must be applied.

It is the time in which Christ must be supreme in our homes, churches and communities. Through the mission action programs of the church, we can relate ourselves to needy humanity—giving a cup of cold water in the name of Jesus Christ and pointing people to the good life that is here and now as well as hereafter.

23. Bennett Straughn, Chairman, brought the report of the Calendar Committee as printed in the Book of Advance Reports and moved its adoption. Motion carried. The report is found on page 5.

24. William T. Mills, Chairman, presented the report of the Missions Committee as printed in the Book of Advance Reports and moved its adoption. Motion carried. The report follows:

MISSIONS COMMITTEE REPORT

Your Missions Committee is not pleased that it must bring such a sterile report this year, but to be honest we must. We all are aware of the tremendous growth of Raleigh and Wake County over the past few years. We are aware also that only six new churches have come into being during the last twelve years, and to our knowledge only one of these was a sponsored mission. We have two lots that can be used as church sites or traded, but they are over-grown with weeds. We need more funds, better plans or revised organization; possibly some of each, and so would welcome any suggestions that might be forthcoming in a constructive and positive manner,

There have been no requests from any churches for help. Individual feelers have been extended, however, from the Quail Hollow section and from the Brookhaven area; and it has been the feeling of your chairman that if these people could get a Sunday School started, and then a church, that our committee would be glad to recommend whatever financial aid we could to help them in such an effort.

It is also the feeling of your chairman and the shared feeling of your committee that something needs to be done in our Association in the area of a restudy of Associational Missions as such. Your committee has explored some possibilities, such as the incorporation of the Missions Committee, the addition of key laymen, the assessment on a volunteer basis of each church for special funds for Missions and Expansion. Additional personnel has been suggested, and a number of other approaches.

I, like most of you, am a pastor and already feel that I must run like mad just to stay even; but as chairman of the Missions Committee, I feel like a man standing chest deep in the ocean engulfed by a tidal wave, handed an ink blotter and told to dry it all up. We haven't a good report to give and I am sorry, but with all the sincerity of our hearts, we lay this matter before the Association and call for Help!!!

25. Harold West, Chairman, presented the report of the Membership Committee as printed in the Book of Advance Reports and moved its adoption. Motion carried. (Mr. West read a letter of petition from the Pleasant Ridge Baptist Church and stated that a report would be brought to the January meeting of the Executive Council.) Moderator Brooks welcomed representatives of the Pleasant Hill Baptist Church and of the Olive Chapel Baptist Church. The written report follows:

MEMBERSHIP COMMITTEE RECOMMENDATION

Members of the Olive Chapel Baptist Church, presently a member of the Yates Association, in its October 5, 1969, church business conference voted to petition the Raleigh Baptist Association for membership in the Association, as soon as possible.

After talking with the pastor of the Olive Chapel Baptist Church and being satisfied with:

- Their reasons for transferring to the Raleigh Association
- Their relationships with the Yates Association
- Their attitude and cooperation with the Southern Baptist Program
- Their standing as a church organization, building and property
- Their excellent record
- Their desire to come into the fellowship of the Association

The Membership Committee of the Association recommended to the Executive Council at its meeting on Monday, October 13, that the Olive Chapel Baptist Church be accepted into the full fellowship of the Raleigh Association without the one year watchcare period of newly organized churches.

26. The Committee on Memorials was not ready to report at this time. The report will be submitted later and will be printed in a special section following the numbered proceedings.

27. Donald Laine led the congregation in singing "Lord, Speak to Me that I May Speak."

28. Dr. Thomas A. Bland, Professor of Christian Ethics at Southeastern Baptist Theological Seminary in Wake Forest, brought a report on the Urban Studies Seminar held June 16 to July 11, 1969. He said that out of the seminar

came the following suggestions for Christian ministries and mission in today's and tomorrow's Raleigh Baptist Association. Following is an outline of his remarks, as presented by Dr. Bland for inclusion here:

1. More attention will need to be given to planning. The Research Triangle area is dynamic and growing. Wake is the biggest of the three counties (Orange, Durham, Wake), and Raleigh is the largest city. While population is difficult to project, the 1980 projections foresee the possibility of nearly 300,000 in Wake County and nearly 200,000 in Raleigh. (The projections of the Research Triangle Planning Commission actually are 271,000 for Wake County and 177,000 in the city of Raleigh)

- a. Relate to the Planning Department of the City of Raleigh.
- b. Relate to the Research Triangle Planning Commission. Both have excellent resources to offer.
- c. Immediate and long-range planning are needed by the Association and the churches.

2. More ministries will need to take place outside the four walls of the churches. Just as we are learning in theological education that more experiences outside the classroom are necessary to prepare men for adequate ministry today, so are the churches learning that more work has to be done away from the church buildings.

Consider, for example, Christian ministries in shopping centers. North Hills is the largest 2-level mall in the Southeast. Another shopping center projected for Raleigh is to be the largest between Washington and Atlanta. Here people can be counselled; noon-services held, etc.

3. Raleigh is the kind of city, we believe, which could profit from the establishment of one or more Christian Coffee Houses. Here are opportunities for Christian witnessing, for evangelism in "a low key" often among the alienated from the churches, and for services to persons in trouble. The youth culture, including students, would be good "target groups" here.

4. Begin more week-day ministries in the churches. A survey shows very little being done in Raleigh churches along these lines. Day-care programs, nurseries, week-day Bible classes, neighborhood ministries (especially in the inner city) and ministries to senior citizens are possibilities. A brochure listing suggestions is available from the Department of City and Metropolitan Missions of the Baptist State Convention of North Carolina.

5. Let us expand our evangelistic emphases. More evangelizing will take place through personal work, through genuine dialogue in which persons listen carefully and speak honestly, and through lay involvement. The Holy Spirit is prepared to do for us today all that He did for the disciples in the first century.

6. Build bridges of understanding across racial lines. There is a new pluralism in the black community. It is expressed in "black power." Its goal is a larger share of political, economic, and social opportunities for blacks. Blacks, for the most part, no longer seek admission to "white" churches. Our exclusive policies have caused us to sin away a good part of our day of grace. However, the problems of urban America are problems of human relations. Raleigh is in the "throes" of urban renewal. Churches and churchmen can become advocates of the people who, deprived of their housing, neighborhoods, and communities, must go some place. We can support the Community Relations Committee.

7. As agents of reconciliation on behalf of Christ we must be willing to become more involved in meeting very basic needs. Housing is one of these. RICH (the Raleigh Interchurch Housing) at Method is a good example of how churches worked together to provide housing. While there are Church-State issues involved, it is possible to form *ad hoc* corporations through churchmen and church groups to provide better housing. Let us remember that Jesus was concerned with the whole man, including his physical needs.

8. Expand the work of ministry to international students. Forest Hills has a good program for Chinese students. Other churches could work with other nationalities. These students need friendship, fellowship, and the Christian witness (but not proselytizing!) Two Raleigh churches of other denominations are teaching English language classes to wives of international students and are providing free nursery care for the children while the mothers attend the classes.

9. Let the churches become more involved in referral services. People in need or in trouble often do not know where to turn for help. The churches can function as "enabling" referral agencies. John Lambert compiled a most useful list of agencies. Dan Keels made a careful study of suicides in Raleigh. From police records he found out that most attempted and committed suicides take place near the geographical heart of the city. Suicide is now the Number 10 cause of death in this country. It increases with the size of cities. Out of Keels' study the Wake County Mental Health Association is working to establish suicide prevention units in the city and county. (You may have seen the articles in the Oct. 13 and Oct. 14 issues of the *Raleigh Times*.)

10. The growth of independent Baptist churches in the Raleigh area should say something to us about our lack of aggressiveness in missions and evangelism. What can we learn from these churches? There are at least five, and they "ring" the city of Raleigh. We can appreciate their zeal and their direct involvement in mission action. They have made inroads among less mature members of our churches. We need to become more alert to opportunities for new churches, new forms of ministry, etc., which this Association will sponsor!

11. We have large numbers of college and university students in Raleigh. No single pattern of ministry will reach them. Some prefer a campus-oriented church experience. Others desire to get into more traditional churches similar to "the church back home." Too many are lost altogether to Raleigh churches and it is feared, eventually to Baptists and to a church by any name. This is a "target group" on which we should concentrate and expend our best thinking and effort.

12. As the inner-city changes the stronger churches will be found more and more in the suburbs. (There are, of course, some exceptions.) Patterns of cooperation need to be devised between suburban and inner-city churches so that a more comprehensive Christian ministry is engaged for the whole metropolitan area. Incidentally, rural churches will more and more be taken in by urban sprawl. Wherever a church is located in this Association it will be increasingly affected by urban forces.

13. The Research Triangle Park is a most interesting addition to our area. An ecumenical industrial mission, experimental in nature, called COMPLEX, is there. This should be studied with great care to see what we can learn about patterns of ministry to scientifically oriented ministries.

14. Institutional ministries, including hospitals, prisons, etc., need to be surveyed and given more adequate coverage by area churches.

Conclusion: One sociological study of how churches relate to their urban environments was done in a northern city, with these three types of churches emerging:

1. Involved churches—These turn in on themselves. They wither and die.
2. Transitional churches—These are trying to come to terms with the needs of the city. They are in process of study and change.
3. Involved churches—These are the churches that seek to be on Christian mission and to minister with integrity wherever they are to their own neighborhoods.

Where does your church fit into this scheme?

29. Donald Laine led the congregation in singing "We're Marching to Zion."

30. John W. Lambert, Hospital Representative, presented the report of the North Carolina Baptist Hospital as found in the Book of Advance Reports and presented Dr. W. K. McGee, Director of Denominational Relations at the Baptist Hospital, who spoke concerning its work. The report which was received as information follows:

**“THE MEANING OF OUR HEALING MINISTRY
through
The Mother’s Day Offering
at the
North Carolina Baptist Hospital”**

What does the healing ministry at our Baptist Hospital mean? What is it worth to have a part in saving the life of a father or mother who has no other means of help? What is it worth to have a part in helping a child to live a normal life through providing necessary surgery?

To realize this ministry, go back to May, 1923, when the Baptist Hospital received its first patient. It was then a General Hospital with 80 beds. Today it is a Medical Center with 525 beds, and upon completion of its expansion program in 1972, it will have 737 beds. As the hospital has grown in size, its services have increased until today more than 18,000 patients are admitted annually; nearly 100,000 visits made to the Outpatient Clinics, and its facilities used by physicians as a referral center throughout North Carolina, in other states, and often by other countries.

Our Mother’s Day gifts to the Hospital are used in only two ways: *First*, to pay the difference between the Hospital’s cost of caring for patients certified by Welfare Departments and the amount provided by other such sponsors. *Second*, the gifts are used for patients in greatest medical need who cannot be certified by an agency and are unable to pay the total cost of their care.

Our Hospital is challenged today—challenged by the growing number of people who need help, the new and better ways medical science has developed for patient care, and the increasing cost of everything connected with hospital care.

We are challenged—challenged to share in a greater ministry through our Mother’s Day Offering. Many patients cannot get the care they need in community hospitals, because they require the specialized facilities and skill available only at a Medical Center. In our Association, from January through September of this year, 66 churches gave \$10,066.15. But this is \$1,309.70 less than the same number of churches gave last year.

Let us share this challenge! If you do not have a Hospital Representative in your church, please elect one. Begin working with the Representative now, so that next year all 85 churches in our Association will share this healing ministry. Your Hospital is asked to help save lives every day in the year. We would not “Pass by” on the other side of the street, when our neighbor calls for help; neither let us fail to hear the call for help from our neighbors in the Baptist Hospital. For many, it is the only hope for desperately needed treatment and care.

31. Max Powell, News Editor in the Raleigh Office of Television Station W T V D Channel 11, and member of the New Hope Baptist Church sang “His Eye is On the Sparrow.” The scripture was read by Spurgeon Hays, pastor of the Bethlehem Baptist Church, using Philippians 3: 1-11. W. C. Atkinson, pastor of

the First Baptist Church of Garner, preached the annual sermon upon the subject "That I May Know Him." He said that there is only way to know God and that is through Jesus Christ. The earnest desire of every person is to know Him. Mr. Adkinson closed the message with prayer.

32. Donald Laine led the congregation in singing "Serve the Lord With Gladness."

33. The moderator made several announcements. He recognized several visitors and called upon the host pastor, Ronda E. Robbins, to give directions concerning the noon meal. Mr. Robbins recognized the churches serving as co-hostesses—New Hill, Salem, and Pleasant Plains.

34. Grace for the noon meal was pronounced by Ernest C. Upchurch, Secretary of the Department of City and Metropolitan Missions of the Baptist State Convention of North Carolina.

Friday Afternoon, October 24, 1969

35. Donald Laine led the congregation in singing "Rejoice Ye Pure in Heart" and "Ask Ye What Great Thing I Know."

36. L. E. Forrest, Vice-Moderator, called the afternoon session to order and recognized Ronda E. Robbins who read I Thessalonians 4:9-12 and led in prayer.

37. Otis Hooks, Associational Sunday School Superintendent, presented the report of the Sunday School as found in the Book of Advance Reports which was received by the association as information. The report follows:

SUNDAY SCHOOL REPORT

I feel that we are on the greatest "threshold" for growth in our Sunday Schools that we have been since the "Million More in '54". We have great things in store for us in the future and the future begins on October 1, 1970. I would not say that they are great "changes" but I would say they are great "improvements." Of course we are still in the year 1969-70 and we must not forget it. We have plenty to do during this year. It is called the "Dual Thrust". We have a program to work during this year and at the same time many things to do to "Shape the 70's".

"Preparation Period for the 70's"

Phase I – *Getting the Challenge*. Every church council should study the book "70's Opportunity for Your Church" sometime during October – February.

Phase II – *Understanding the Task*. Every church council should study the book, "A Dynamic Church" sometime during January – April.

Phase III – *Organizing for Work*. Every officer and teacher of your Sunday School should study the book, "Bible Teaching Program" sometime during March – June.

Phase IV – *Training for Action*. During this time, May – September, all the age-group administration books will be studied by all teachers and officers.

Group Grading will be as follows:

Pre-school division – ages 0-5

Children's division – ages 6-11 or grades 1-6

Youth division – ages 12-17 or grades 7-12

Adult division – 18 and up

One of the things that thrills my heart is the new books for training that will be coming off the press for the 70's. There will be "Understanding Books" for adults, youth, children, and pre-schoolers. There will be "Guiding Books" for the same. These books replace the Sunday School books in Category 17.

Much of this information can be had by every Sunday School officer and teacher by attending the associational meetings and clinics that will be held this year. Remember the objective of the Associational Sunday School Program is to "assist churches in establishing, conducting, enlarging, and improving their Sunday School Program". We, the officers of your association, want to help you attain these goals this year.

It was a real joy to see our "Action Night" go over so well. I feel it was a great success with 186 attending. Thank you so much for helping us.

38. Bennett Straughn, Director of Church Training for the association, presented the Church Training Report as found in the Book of Advance Reports. The report which was received as information follows:

CHURCH TRAINING REPORT

Church Training held their regularly scheduled meetings during the year with an increase in attendance at each of them.

"M" Night this year brought Dr. R. F. Smith, Jr., pastor of the First Baptist Church, Durham, N. C. to the Memorial Auditorium. The "M" Night choir was under the direction of Donald W. Laine, minister of music at the New Hope Baptist Church, Raleigh. Again our association rated first in North Carolina with an attendance of 2,360 at "M" Night.

Youth Night was unusual this year in that there was no speaker for this event. Under the direction of Donald W. Laine and Mrs. Jack Smith, the young people presented a worship experience known as "Happenings" which proved to be very inspiring. The attendance was very good. Youth Night was held at the Tabernacle Baptist Church.

Attendance at our assemblies, both State and Southwide, is still on the increase.

Participation in the tournaments continues on the increase. This year 13 Juniors participated in the Regional Memory Work Drill with 11 being declared winners. The winners were: Steve Barham and Ray Strickland of Falls Church; Janice Middleton and Joe Middleton of Forest Hills Church (Joe being a 4-year winner); Pamela Rogers and Becky Stewart of Garner, First; John Holland and Robin Holland of Hayes Barton, Raleigh; Keith Bennett, Marc Franks, and Barbara Sauls of Turner Memorial. Theresa Green of First Baptist Church, Garner, participated in the Regional Intermediate Sword Drill. In the Young People's Speakers' Tournament (17-18), Joe Ann Utter of Forest Hills Church, Raleigh, was State winner; (19-24), Douglas Jones of New Hope Baptist Church, Raleigh, was winner in the Regional Tournament. In the Adult Scripture Reading, Mrs. Max Lennon of the Boulevard Baptist Church, Raleigh, was winner in the Regional Tournament.

39. Mrs. James R. Gates, Associational W.M.S. Director, presented the W.M.U. Report as printed in the Book of Advance Reports and moved its adoption. Motion carried. Mrs. Gates suggested seven questions we need to ask:

- | | |
|---|----------------------------------|
| 1. Can you be trusted with today? | 5. Will you help bridge the gap? |
| 2. Will you accept the challenge of change? | 6. Are you available? |
| 3. Is your world big enough? | 7. Are you ready for tomorrow? |
| 4. What are your priorities? | |

The report follows:

WOMAN'S MISSIONARY UNION REPORT

This has been a year of changes and choices for members of Woman's Missionary Union. Because the world is changing at a dizzying pace and with the realization that the majority of today's changes have a direct bearing on our response as Christians, deeply affecting the church and its mission, Woman's Missionary Union has been challenged to offer the unchanging gospel in the most imaginative and compelling forms possible. Accordingly bold new plans and structure, an organization to meet changing needs was offered. The new plans called for flexibility in organization and choices in individual participation. Emphasis was placed on depth study, intercessory prayer and mission action with members forming groups according to their interests and the needs of their community.

In keeping with the denominational theme for the year "A Church Fulfilling its Mission through Evangelism and World Missions," the WMU watchword for the year has been "Ye shall be witnesses unto me. . . unto the uttermost part of the earth." As a part of the Crusade of the Americas emphasis Raleigh Associational WMU joined with its PACT partner, the Elkhorn Associational WMU in Kentucky in praying for the Crusade.

Following the introduction of the new organization plans for WMU, the first training opportunity of the year came when Calvary Baptist Church was hostess for the Basic Leadership Courses on October 28 and 29. Duplicate day and night sessions were offered for the WMU, WMS, YWA, GA and Sunbeam courses. Three hundred ninety eight persons attended these sessions with 296 earning Leadership cards.

In January because of the "flu" epidemic, the Home Mission Study Institute was cancelled and associational leaders prepared sheets of helps for each of the series of books for teachers to use with other helps in the teaching of these books.

During the Annual Session of North Carolina Woman's Missionary Union in Charlotte in March, First Baptist Church, Garner, received recognition for having a Distinguished WMS. This is an excellent accomplishment and we congratulate them.

The annual meeting of Raleigh Associational WMU was held April 24 at New Hope Baptist Church. Serving as Hostess Churches were Bay Leaf, Millbrook, Falls, Mount Vernon, New Hope and Wake Cross Roads Churches. Mrs. J. Kyle Graybeal presided over the session. The theme for the day was "Ye Shall Be Witnesses. . . Now!" Outstanding messages were given by the Rev. and Mrs. Luther Morphis, Missionary Associates to Germany, the Rev. R. L. Costner and the Rev. Lamar Brooks. A dramatic presentation "Encounter" by Mrs. Frank Wagner and Mrs. Gene Greisman brought a new awareness of the urgency of reaching out to minister to persons of special need. Misses Bobbie and Nancy Heilman, Queens-Regent, from Hayes Barton Church acted as pages. Two hundred seventy persons were present.

On May 8, 41 leaders met at Temple Baptist Church for a "Problem-Solving Clinic." Miss Kathryn Bullard, North Carolina WMS Director, was present to lead this meeting.

In preparation for the new year, Methods Conferences and Foreign Mission Study Institutes were held at Millbrook Church on September 25. There were conferences for WMU officers, YWA Leaders, GA Leaders, Sunbeam Leaders. Helps were given for teaching the fall series of books. Two hundred fifty persons representing 39 churches were present for both night and day sessions.

The Associational YWA held four quarterly meetings during the year. The first of these was November 4 at Ridge Road Baptist Church when 61 girls heard Mrs. Zeb Moss, Missionary to Zambia, speak to them. . . .on February 10 the Associational YWA Banquet was held at Wake Cross Roads with Mrs. H. H. Jones and the Wake Cross Roads YWA's serving as Hostesses. There were more than 120 girls present to enjoy the fellowship and to hear the Rev. Charles McIntosh, Pastor of Bethany Church, as the featured speaker. First

Church, Garner, was hostess for the May 12 YWA meeting when Mrs. J. Kyle Graybeal spoke to the 47 girls present concerning making any vocation or calling a Christian vocation. Then on August 11 the YWA picnic was held at Pullen Park with 41 girls present. New officers for the coming year were elected and installed.

The first meeting of the year for the Associational GA's was held on December 7 at Southeastern Seminary in Wake Forest where they were taken on a tour of the campus and were privileged to meet missionaries in residence there as well as hear many of the professors speak. One hundred seventy girls enjoyed this exciting day. . . Tabernacle Church was hostess for the March 10 GA meeting. Esther Small and Lynn Moss, "missionary kids" told of their life on the mission field. . . 150 girls were present for this meeting. One of the highlights of the GA year is the annual picnic at Pullen Park. On May 24, 270 girls were there to hear Miss Sara Ann Hobbs, Executive Secretary for North Carolina WMU, speak to them. On September 8, Wake Cross Roads Church was hostess to the Associational GA's. Mrs. Betty McElrath challenged the 58 girls there with the many opportunities for service on the foreign mission field.

The two weeks of GA Camp sponsored by Raleigh WMU were held at Umstead State Park, July 14-19 and July 21-26. Mrs. W. C. Adkinson, Camp Director, reported a total enrollment of 227, including 26 staff members. Forty four churches were represented. There were a total of 218 decisions with 44 of these being conversion decisions.

The Associational Sunbeam Day Camp for World Friends on June 26 at Longview Baptist Church was an outstanding success. Nature hikes were the favorite activity of most of the 65 children who attended. Mrs. Carlton Fleetwood and her dedicated staff are to be commended for the success of the day.

We are justly proud, we think, of the fine work being done by the youth leaders of WMU for this is a most vital part of our total work.

Our Associational Organization met the requirements this year for a Distinguished Woman's Missionary Union.

Associational WMU is so grateful to those churches who acted as hostesses for our meetings this year. We have always been so warmly received and well cared for that it makes our service more than joy.

Will you join us in our very earnest prayer that during the coming year "Our love should not be just words and talk; it must be true love, which shows itself in action." (1 John 3:18 TEV).

40. Donald Laine, Associational Music Director, presented the Church Music report as printed in the Book of Advance Reports. The report which was accepted as information follows:

MUSIC MINISTRY REPORT

The Associational Music Ministry has sought this year to minister to the smaller church with its needs. This will be the policy for the coming year.

There was held on April 28 an Associational Music Workshop. During this time there were helps provided for all age-groups. The juniors, young people, and adults had music reading sessions during this time. There was also a class for handbells for those interested.

There is being conducted five separate rehearsals of the new folk musical, "Tell It Like It Is". These five rehearsal groups will come together to perform this music at the annual "M" Night on November 3. Over 300 young people are involved in this endeavor.

41. Luther Osment, Associate in the Brotherhood Department of the Baptist State Convention and Associational R.A. Leader elect, presented a Brotherhood Report. The report which was received as information follows:

BROTHERHOOD REPORT

Our objective in the Brotherhood program in our churches is to lead men and boys to a deeper commitment to missions, to a more meaningful prayer life for missions, to a larger stewardship on behalf of missions, and to a personal involvement in missions.

The Associational Brotherhood officers are developing a program of inspiration and information to assist the Brotherhood organizations in the churches in reaching these objectives.

On Thursday, November 13 a Brotherhood Leadership Workshop will be conducted at Calvary Baptist Church. There will be five conferences, covering every phase of the Baptist Brotherhood Program. It would be splendid if each church could have at least one man in each of the five conferences.

On Saturday, April 18, 1970 the Raleigh Association Royal Ambassador Track Meet will be held. There will be events for all Royal Ambassador boys. The winners will represent our association in the State Meet in Winston-Salem, May 16.

Please take note of these state dates of these Brotherhood meetings: Baptist Men's Convention and Royal Ambassador Congress, March 20-21 in Fayetteville. Ten weeks of Royal Ambassador Camp at Camp CaRAway, beginning June 15. Begin plans soon to see that boys from your church have a Christian camping opportunity next summer.

Information will be coming to the churches on additional opportunities in the months ahead. In the meantime Edwin Bullock, the Associational Brotherhood Director and Luther Osment, the Associational Royal Ambassador Leader, stand ready to assist the churches in the development of Brotherhood work.

42. Eugene Scarborough, Director of Youth and Family Services, presented his report as printed in the Book of Advance Reports. The report which was received as information follows:

YOUTH AND FAMILY SERVICES

The year of 1969 has been a growing one for the Youth and Family Services Ministry. During the year I have had conferences with 89 young people in trouble and detained at the Wake County Detention Home. Several churches – Emmanuel, Hayes Barton, Ridge Road, to mention the main ones – have been most helpful by providing a Sunday School class, socials, and some personal visitation to these teenagers as they await their hearings in Juvenile Court.

There has been considerable travel to the extent of some 4,630 miles in the process of visiting the detention center, court, and a number of churches in which 23 sermons or lectures have been delivered. I am deeply grateful for the growing concern shown by our churches as we face the problem of juvenile crime.

Valuable and strong relationships have been established with the Juvenile and Domestic Court of Wake County, Social Services, and Wake County Mental Health – the main organizations dealing with youthful crime in the county. These groups have all been most cordial in receiving our ministry and have given every indication that they will cooperate willingly to let us know where problems exist, and how to train our people to help.

Last November a two-night training session for persons interested in sponsorship was held in which 25 people participated. As of October 8, 1969, a Minister's Day in Court project began in which ministers volunteer to attend the Juvenile and Domestic Court to offer their listening ear to youth and their families, and to assist in referral so that continual help may be given.

At present our greatest need is for the enlistment and training of sponsors. This is a person who is willing to offer a relationship to the youth and his family in hopes that through association the family may see a new side to life. As the Minister's Day in Court Program begins to function, its success will depend on having a ready and willing group of lay sponsors to lead families out of their plight.

Any Youth and Family Services Ministry depends on two elements — full cooperation by the courts and social agencies, and full cooperation by the members of a local church. The first element is more than willing to cooperate. We need now to enlist the full cooperation of our church laity.

43. Donald Laine led the congregation in singing "Blessed Assurance, Jesus Is Mine."

44. Moderator Brooks presented L. E. Forrest, Chairman, who presented the report of the Committee on Committees as printed in the Book of Advance Reports. He moved its adoption. Motion carried. The committees as elected are printed on pages 7 and 8 of this Annual.

45. W. C. Adkinson, Chairman, presented the report of the Committee on Nominations as printed in the Book of Advance Reports. He moved its adoption along with the election of those named in the report. Motion carried. The list of officers appears on page 6 of this Annual.

46. The clerk, in the absence of Parks C. Harris, Chairman, presented the report of the Committee on Time, Place, and Preacher and moved its adoption. Motion carried. The report follows:

REPORT OF TIME, PLACE, AND PREACHER COMMITTEE

We recommend that the Thursday evening session (October 29) meet with the First Baptist Church of Raleigh and that Friday's session (October 30) meet with the Green Level Baptist Church.

We recommend that the Annual Sermon be preached by Ronda E. Robbins and that W. M. Enzor be the alternate.

47. Thomas Bashford, Chairman, presented the report of the Committee on Resolutions. He moved its adoption. Motion carried. The report follows:

We resolve that the Raleigh Baptist Association express its sincere gratitude to all who have helped to guide it through this one hundred sixty fourth year.

1. To our moderator, Lamar J. Brooks, for the efficient manner in which he has conducted the past two annual sessions.

2. To our clerk, Ted W. Williams and our treasurer L. G. Bullard, for their devotion to duty and their interesting and accurate reporting of the association's work and finances.

3. To our host churches, Cary First, Apex, New Hill, Salem, and Pleasant Plains for

their contribution to this annual session. The warm welcome and gracious hospitality of each church will long be remembered and appreciated.

4. To our secretary of missions, Robert Costner, to our Associational office secretaries, Mrs. Stanley Webb and Mrs. Raeford Conn, to all committee members, musicians, speakers, and all volunteer workers who contributed to the smooth and efficient operation of this annual session we express deep gratitude.

5. We furthermore resolve to express our appreciation by a greater personal involvement in the work of the Raleigh Baptist Association as it moves into the one hundred sixty fifth year of service to the churches.

48. Clerk Ted W. Williams gave the final report on registration which showed a total of 595 messengers and visitors registered. There were 77 churches represented.

49. In the absence of Dr. Ben Fisher, John T. Kanipe, Jr., Director of Development at Meredith College, spoke briefly on Christian Higher Education. James Y. Greene, Secretary of the Student Department of the Baptist State Convention, presented Miss Roma Bowen, student at Meredith College, from High Point. Miss Bowen spoke concerning Christian Higher Education at Meredith. The report on Christian Higher Education as printed in the Book of Advance Reports which was received as information follows:

CHRISTIAN HIGHER EDUCATION

Training for Christian Service: One of the great services which our Baptist colleges render to the denomination is that of preparing young men and women for full-time Christian service. We have currently enrolled in the North Carolina Baptist colleges approximately 600 students who will become pastors, missionaries, directors of Religious Education, directors of Church Music, chaplains, denominational workers, and Christian college teachers. While these represent the major categories, there are numerous sub-divisions among these categories that require men and women with special training.

Youth Corps: A new program was inaugurated this summer in which the Baptist colleges joined hands with the Church Training Department to utilize college students for summer work in the local churches. As this report is being written, we are getting some splendid reports from churches who have employed these young people.

It should also be noted that Baptist college students are working in a number of other areas and programs: summer assemblies, Brotherhood Department, Woman's Missionary Union, Vacation Bible School, Audio-Visual Aids, Department of Work with the Deaf, Town and Country Department, and Interracial Cooperation Department.

Students Could Help Throughout the year: The Council office gets many reports regarding off-campus religious activities of students. One college reports that as a result of a weekend revival led by students, there were 40 professions of faith. Our college students are anxious to be used. If any church is interested in having some of these young people come, one of our Baptist colleges should be contacted.

Cooperative Program: As this report is being made, it appears that there will be a real gain this year in Cooperative Program giving. This means a gain not only for the Baptist colleges, but for every phase of our work, including our great Home and Foreign Mission programs. The Baptist colleges wish to take this opportunity to thank the North Carolina Baptist churches for the generous support they have received during the past year: Campbell

College – \$280,645; Chowan College – \$168,051; Gardner-Webb College – \$159,649; Mars Hill College – \$241,993; Meredith College – \$241,993; Wake Forest University – \$411,725; and Wingate College – \$176,454.

Baptist College Day: We urge the churches to begin now to think about the observance of Baptist College Day on Sunday, June 21, 1970. Our Baptist churches have been supporting the Baptist College Day offering in two ways. Some use the envelopes and take a special offering. Other churches include all of the special offerings in the budget. Because of the critical financial need of our Baptist colleges, we earnestly ask you to remember us with your special offering.

A Sense of Values: someone has said that America today is a place where people know the price of everything and the value of nothing. Baptists and other great Christian denominations have an unparalleled opportunity through their colleges to place a fresh emphasis on man's moral and ethical responsibilities. Christian colleges can play a major role in helping America to regain a Biblical sense of values. It is still more important to know how to live than how to make a living.

50. A brief installation service for the newly elected officers was conducted. Moderator Brooks turned the gavel over to the newly elected moderator, L. E. Forrest. Robert L. Costner, spoke words of appreciation for retiring Moderator Brooks and led in a prayer of dedication for the new officers. The prayer also served as the benediction which brought to a close the 164th Annual Session of the Raleigh Baptist Association.

MEMORIALS COMMITTEE REPORT

It is a glorious thing for a man to live as a Christian, and it is a victorious thing for a man to die as a Christian. "Blessed are the dead that die in the Lord, from henceforth, yea saith the Spirit: for they shall rest from their labors."

The Lord has received unto Himself a number of our beloved brothers and sisters since this association last met. Our hearts go out in sympathy to those who suffer this loss, but we rejoice with those who are with the Lord, for to this end they believed, they lived, and served.

Those who died in the Lord have not lived in vain, but their lives still enrich those among whom they lived and labored while on earth. May we dedicate our lives more completely to our Lord as we try to serve here among our fellowmen.

The Committee examined and recommended the following candidates for Ordination:

Roy Arnold was examined by the Committee on November 15, 1968 at the request of Falls Baptist Church. The ordination service was held on November 24, 1968.

John Colin Harris was examined by the Committee on October 17, 1968 by the request of Ridge Road Baptist Church. The ordination was held on November 17, 1968.

Harold L. West was examined by the Committee on August 5, 1969 at the request of Forest Hills Baptist Church. The ordination service was held September 7, 1969.

REPORT OF THE DEPARTMENT OF INTERRACIAL COOPERATION

Baptists in the two state conventions have strenghtened some established work during 1969 while opening new avenues of service together.

Members of the General Baptist State Convention shared in the annual statewide Vacation Bible School Clinic at Wingate College in January. A new feature on the program was an inspirational message delivered by Dr. Leon Riddick, a Negro pastor from Charlotte. The clinic is planned by the Sunday School Department.

For the second time, the statewide conference on evangelism held in Greensboro was sponsored jointly by the two conventions. The first Statewide Men and Boys Convention to be co-sponsored was held in Winston-Salem in March. The meeting was arranged by the Laymen's League of the General Baptist State Convention and the Brotherhood Department of the Baptist State Convention. A record attendance of over 7,000 was recorded.

The annual series of conferences on human relations was held in April and utilized the talents of Dr. W. R. Grigg and Dr. Emmanuel McCall of the Home Mission Board. Conferences were held at the Yates Baptist Church, Durham; the University Baptist Church, Chapel Hill; First Baptist Churches of Ahoskie, Wilson and Gastonia.

Other departments utilizing Negro talent in statewide activities included the Baptist Youth Convention, held at Lumberton in May, and featured Dr. F. G. Sampson, a pastor from Louisville, Kentucky. This convention was planned by the Church Training Department. Also, Dr. and Mrs. C. R. Edwards of the First Baptist Church, Fayetteville, served as the first Negro conference leaders at the North Carolina Baptist Assembly, Southport, during World Missions Week in June.

Various churches and associations have encouraged the program of work with National Baptists on the local level. Successful biracial revivals were planned and held in Robeson and Anson Associations this year. Several associations invited Negro speakers to participate in their annual meetings. A growing number of white pastors and congregations are seeking ways of dialogue with Negro congregations.

Scholarship aid was provided for 22 students at Shaw University, North Carolina College at Durham, Fruitland Bible Institute, Union Christian Institute, and Hardbarger Business College.

Vacation Bible School work continues to improve in quantity and quality with the department helping with 52 schools this year enrolling 5,132 people. Exciting efforts with Week Day Bible camps were held at the Mount Zion Baptist Church, Asheville, and the Bethel "A" Baptist Church, Brevard.

Those who serve with the department in addition to the Secretary are Mrs. Mary E. Washington, Office Secretary; Rev. C. C. Craig, Raleigh; Rev. J. Z. Alexander, Raleigh; Rev. Marvin Williams, Rocky Mount; Rev. Benjamin Daniels, Winston-Salem; and Mrs. Alcovia O. McCall, Asheville, In addition to these there were 8 adults and 9 young people employed as summer workers. The Home Mission Board sponsored two of the summer workers.

Corbin L. Cooper, Department Secretary

ANNUITY BOARD REPORT

Inflationary Trend Continues

During 1968, neither inflation nor the economy showed any evidence of a slow down. Even as late as the second quarter of 1969, there was no sign of a leveling off by the inflationary trend. The cost of living rose 4.7% pushing the Consumer Price Index to a record 123.7 in December, 1968. This was the greatest increase since 1951.

To meet the needs of retiring ministers, church staff members, and denominational employees, the Annuity Board has developed the Southern Baptist Protection Program to provide an adequate retirement income. As the inflationary trend continues, many churches and agencies are upgrading their retirement programs by contributing 10% of total salary. The Annuity Board and state conventions heartily recommend this action.

Response to the three-plan Protection Program was good during 1968. The Program includes: Plan "A", the basic retirement fund; Plan "B", the supplementary fund; and Plan "C", the variable fund. Response was also good in the Life and Health Benefit Plans.

Highlights of 1968

1. 3,451 new members in the Southern Baptist Protection Program
2. 23,714 members now participating in Plan "A", 1,538 more than in 1967
3. 18,086 churches providing protection for their pastors
4. 145 agencies providing protection for 9,894 employees
5. \$173,863 given in relief grants
6. \$6,543,169 paid in total relief and protection benefits
7. 3,106 applications for Health Benefit Plan, 1,677 net gain
8. 790 applications for Life Benefit Plan, 134 net gain

Third Year for "13th Check"

For the third consecutive year, the Annuity Board issued a "13th check" to all recipients of life retirement benefits. The extra check, amounting to 12% of each person's annual benefit, was made possible by interest earnings in excess of the amount necessary to pay the retirement benefits. The excess earnings are distributed to plans of active members as well as to retired persons.

Information about the Protection Program and the Life and Health Benefit Plans can be obtained from your State Baptist Building or from the Development Division, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

BAPTIST FOUNDATION REPORT

The assets of The North Carolina Baptist Foundation, Inc., have now reached beyond the one million dollar (\$1,000,000) mark, including trust funds and real estate. Since the reactivation of the Foundation, around 1962, the total assets have increased from \$350,000 to the present excess of slightly over one million. This is positive proof that the Baptists of North Carolina have discovered that the Foundation is really a service arm of the Baptist Convention of North Carolina.

As mentioned above, the Foundation renders a service to: (1) God, (2) individual Baptists, and (3) Baptist agencies and institutions. Every Baptist has an opportunity through his Foundation to provide for continuing stewardship in the agencies and institutions in which he has an interest.

The Foundation has again this year put particular interest upon the making of wills. Several of our churches have used the facilities of the Foundation to conduct Will Clinics and reports from these clinics indicate that they were most successful. We have also had an opportunity to counsel with many people concerning their own wills, and in some instances we have provided the information and direction necessary for inclusion of Baptist causes in their will.

We have had a most successful year and can attest to the fact that the Foundation is on the move and is rendering service to individual Baptists in a most concrete way.

BAPTIST CHILDREN'S HOMES REPORT

North Carolina Baptist churches and other friends of children are making possible an excellent program of child care.

The Cooperative Program Gifts and the Thanksgiving Offering are increasingly important and necessary. Last year's Thanksgiving Offering exceeded the year before but it needs to be bigger this year. Those of you who go to the grocery store and buy clothes for your children have no trouble understanding the increased cost of keeping children. This year we need \$500,000 to keep up with increases in expenses.

The Long Range Development Program of Baptist Children's Homes is now in its last half year. Cost has far exceeded expectation when the program was launched in 1965. The following has been realized in the five years:

1. Six cottages and furniture
2. Two staff houses
3. Relocation of dairy at Kennedy Home
4. Greer Home property purchased
5. Sadler Library at Mills Home
6. Construction and furnishing the Child Development Center at Mills Home
7. Renovation of Mills Home Church
8. Constructed home for Superintendent at Mills Home
9. Renovation of Wall Home
10. Purchase of Broyhill property
11. Purchase of land, Mills Home
12. Ground has already been broken for the Broyhill Home in Western North Carolina and it is hoped we can serve children there within the next year.

To continue the high type of child care program of North Carolina Baptists, the loyalty, understanding and faith of the members is important. You make this far reaching program of social service possible.

Mrs. Nathan C. Brooks, Jr.
Children's Homes Representative

HOMES FOR AGING

Never before have your Baptist Homes for the Aging been more conscious of the Lord's presence and of His goodness than during the past year. At a time when the economy of the Homes was at its lowest ebb, with a sizeable deficit looming larger by the moment, when the weather was at its severest on the 3rd Sunday of February, the day of the Special Offering, the churches came through with an offering that promises, at this point, to be the greatest in the Homes' history. The Lord, who is in charge of the weather and in charge of the Baptist Homes for the Aging, has surely rewarded our faith and moved upon our Baptist people to see the urgency of our needs, and we are grateful.

Ours shall continue to be a relationship of trust in the Lord and faith in our Baptist people. We earnestly hope that a continued and sustained effort will be made by our churches to increase and strengthen the amount of the two main means of support for our ministry to the Aging — the Special Offering, and the Cooperative Program. Through these two sources, one-third of the total income for the Homes is derived, and 85% of the residents, who are financially dependent, are cared for and supplemented. If we are to continue to assist these many needy persons, and if we are to reduce the deficit in the operation of the Homes, brought about by the rising cost of living, we must have more liberal support from our churches.

We do not believe that our Baptist people would want to curtail any of the vital ministries of the Homes and that they will respond to this urgent appeal.

Since last year, the Yanceyville Home, our newest Home, has been filled to capacity, and we now have almost 200 deserving older men and women living in our midst there and in our other four Homes — Resthaven, and Hayes Home, in Winston-Salem, the Albemarle Home, in Albemarle, and the Hamilton Home, in Hamilton. These wonderful people are finding much happiness in Christian companionship with persons of their age group, and great security in knowing that they will be loved and cared for in sickness as well as in health.

It is a deeply rewarding experience to see the light and joy of Christ on an older person's face and to hear words of deep appreciation almost daily for the Christian love and nurture that North Carolina Baptists are making possible through this ministry. We believe, therefore, that our Baptist people will want to have an ever-increasing part in so worthy a labor of love in the Master's Name. We know that the Lord will not fail us, and we also believe that our people will want to be as faithful as possible.

Burley S. Turner, Representative
Homes for the Aging

BIBLICAL RECORDER REPORT

The year 1969 has been one of the most significant in the 136-year history of the *Biblical Recorder*. True, we cannot point to any spectacular gains in circulation, but each week the *Recorder* is read by almost 300,000 North Carolina Baptists in some 90,000 homes. For almost a century and a half the *Recorder* has played a vital role in the life of our convention and state, and it will continue to do so.

Our pages this year have carried a variety of reports of the activities of Baptists all across the state. Early this spring membership in our 3,454 churches passed the one million mark—a historic milestone. We also carried numerous stories and reports of the progress of the Crusade of the Americas.

The first half of this year, of course, saw much of the news interest focused on the General Assembly. Possibly more than any other assembly to date, this year's session was of

vital importance to Baptists and other Christians across our state. Because of this importance, the *Recorder* gave special emphasis to reporting moral and social issues being considered by the legislature. Our readers responded in marvelous fashion, making the impact of the church felt throughout the state.

Whenever something significant was happening among North Carolina Baptists, our readers were aware of it. We hope to offer expanded coverage in the future and will always strive to improve our effort. We want to be good stewards of the trust North Carolina Baptists have placed in us.

Naturally, we hope that this stewardship will be rewarded with more participation in readership in our churches. The *Recorder* should be in every Baptist home.

We will continue to speak the truth in love.

J. Marse Grant, Editor

COOPERATIVE PROGRAM REPORT

When the word "stewardship" is used, most of us begin to see dollar signs \$\$! If we think of stewardship only in terms of money, we miss the mark in our concepts. Stewardship means *responsibility* – responsibility in all areas of life. We are stewards or trustees of our time, our talents and our abilities. The Christian attitude is that we are responsible beings and must one day give account to our Maker for all that God provides.

The worship of God with tithes and offerings through our churches provides a way for expressing our gratitude for His blessings.

Those of us who are privileged to leadership are dedicated to teaching and training in the Biblical doctrine of stewardship and try to give our very best to this ministry.

Materials for informing our people are produced and distributed by the Department of Stewardship Development. R. T. Greene is Secretary and Mrs. Susan Cochrane is office secretary.

Teaching and training in the Forward Program, Growth in Christian Stewardship and Simple Plans for Stewardship Development is the responsibility of Harold White and his associate, Cleve Wilkie. Mrs. Dorothy Smith is office secretary.

Mrs. Smith is also office secretary for the Annuity Department, Guy Cain, Secretary.

The distribution of films, filmstrips and other audio visual materials and a radio and television ministry is carried on by L. J. Morriss. Mrs. Esther Kidd, office secretary, assisted by Mrs. Frances Riley and Mrs. Sylvia Neely in this work.

O. J. Hagler is Director of the Division and Mrs. Lacy Coates is secretary.

The Cooperative Program is the *main* channel for supporting World Missions, Christian Education, Social Services and an ever expanding State Mission program. The goal for these causes this is \$6,750,000.

A special State Missions Offering goal of \$250,000 is a challenge to all Baptist churches. Other approved special offerings – The Lottie Moon Christmas Offering, The Annie Armstrong Easter Offering, The Heck-Jones Memorial Offering, the Hospital Special on Mother's Day, the Thanksgiving Special for the Baptist Children's Homes, Christian Education on Father's Day and the offering for the Homes for the Aging in February – all combine to an amount that will approach ten million dollars in 1969.

As dedicated Christian stewards, will you try to lead your church:

1. To use a stewardship program to help subscribe your own church budget.
2. To increase the percentage of the offering plate dollar given through the Cooperative Program.

On your invitation, we stand ready to assist in every way possible.

CITY AND METROPOLITAN MISSIONS DEPARTMENT

Ernest C. Upchurch, Secretary

Division of Missions

Baptist State Convention of North Carolina

The City and Metropolitan Missions Department of the Division of Missions seeks to promote a total mission program in all of North Carolina.

The projected population growth of our state reveals a need to reach more people in the days ahead with the Christian witness of our churches. This department is the urban missionary effort of our convention to assist churches and/or associations in extending this witness.

Metropolitan missions has three distinct phases of its work, namely:

I. The General Urban Church and Associational Ministries

- A. Research and study has been made in metropolitan mission needs and ministries and ways and means of meeting these needs. These consist in actual studies of given areas and given work to learn from these special situations.
- B. Churches and associations have been assisted in specific urban needs and long range planning of associational city ministries.
- C. Conferences and Seminars and Clinics have been well received by ministers and lay people in this area of work. The one outstanding metropolitan missions conference of this nature was held in Durham, Temple Baptist Church, during the year. Also, a very successful Rural-Urban Conference was held at Gardner-Webb College.
- D. Urban institutional ministries have been encouraged among industry, hospitals, rest homes, etc.

II. Metropolitan Christian Social Ministries

In the Raleigh Association, at present, two projects are underway—namely:

1. The Baptist Center program located on Delway Street. The program is under the direction of a fine Christian couple. It is composed primarily of weekday ministries. This is an effort of blending the traditional Christian ministry concepts with new approaches to make the gospel relevant as possible.
2. The Youth and Family Services Ministry. This is conducted by a part-time seminary student worker. It is beamed toward helping youth in trouble and their families. It is implemented through trained volunteer workers from the churches.
3. Other aspects of the Christian Social Ministries included in the City and Metropolitan Missions Department are literacy, migrant, adult rehabilitation, alcoholic, drug addicts and ex-prisoners, disaster relief ministries.

III. The Program of Work Related to Non-Evangelicals and Sects

This approach finds the department serving through ministries to the following groups:

1. Catholic information services to the churches.
2. Jewish information and cooperative work to the churches.
3. Sect information to the churches.
4. Non-Christian world religions information services.

Conclusions:

The City and Metropolitan Missions Department ministries are administered in cooperation with the Department of Metropolitan Missions, Christian Social Ministries and Non-Evangelical Department of the Home Mission Board of the Southern Baptist Convention. The cooperative method assists this department supplying joint employed personnel, funds, techniques, and working closely with local co-sponsors of the mission's projects. The department's ministries are a part of the total witness of State Missions.

Dr. Carey G. Mumford

To Whom This 1970 Annual is Dedicated

Dr. Carey G. Mumford, who died on June 24, 1970, served as Moderator of the Raleigh Baptist Association in 1949 and 1950. He served as Lay-Representative on the Executive Council of the Association from the Pullen Memorial Baptist Church for seventeen years and on the Missions Committee for more than ten years. His dedicated service and wisdom on this committee resulted in the establishment of twenty-two churches.

Dr. Mumford served as Clerk of Pullen Memorial Baptist Church for thirty-nine years and was a member of the General Board of the North Carolina Baptist State Convention for four years. He was a deacon at Pullen Memorial for twenty-eight years and Superintendent of the Sunday School for ten years.

Dr. Mumford was educated at Mars Hill College, Wake Forest College and Duke University. He served on the faculty of North Carolina State University for forty-one years.

Among those who survive Dr. Mumford are his widow, Mrs. Cleone Cooper Mumford; one son, Carey G. Mumford, Jr.; two daughters, Mrs. Robert L. Nance and Mrs. Ray J. Pencsak; and his step-mother, Mrs. Mattie T. Mumford.

For all who knew and loved Dr. Mumford, the words of John Greenleaf Whittier are appropriate:

*All hearts grow warmer in the presence
Of one who, seeking not his own,
Gave freely for the love of giving,
Nor reaped for self the harvest sown.
Thy greeting smile was pledge and prelude
Of generous deeds and kindly words;
In thy large heart were fair guest-chambers,
Open to sunrise and the birds.*

SECRETARY OF MISSIONS REPORT

This has been an exciting and demanding year in the life of your leadership in the Raleigh Baptist Association. Exciting, in that we have ventured out into new areas of Christian service: demanding, in that our goals for achievement were always beyond our grasp. However, solid progress has been made in all areas of our associational ministry.

Every effort has been made to assist our churches in the changes effective October 1, 1970 in Sunday School, Church Training, Woman's Missionary Union, Brotherhood, and Music Ministry. Your leaders attended clinics and then were available to work with the church leadership in the challenge of the 70's. Most of our churches used this leadership in effective ways to improve our Bible study and leadership programs. We believe that a great deal of confusion has been avoided by those willing to plan ahead for a more dynamic ministry.

Your association made the beginning with a new Shopping Mall Chaplaincy Ministry at North Hills. This was a cooperative work with the Home Mission Board, City and Metropolitan Missions Department of the Baptist State Convention, and the Raleigh Baptist Association. Seventeen to eighteen hundred people are employed in the North Hills Shopping Mall. Thousands of people frequent the shopping area on a daily basis. Our part-time Chaplain is available to meet the special needs of this community. When needed, referrals are made for in-depth study and solution of personal problems. From this modern setting our churches are reaching out to minister in new ways. Your church is sharing in this work as you support the budget of the association. \$500.00 was allocated in our budget for this work for the past year: \$600.00 is requested for the new associational year.

Our Baptist Center, formerly called Baptist Good Will Center, has gone through a year of change in leadership. Mr. and Mrs. Monty Hicks resigned their position at the Center, effective July 30, 1970. Mrs. Rachel Swanson has carried on the work of the kindergarten the latter part of the summer and will continue to do so. Rev. Roy L. Hood became Director of the Baptist Center on September 1, 1970. In addition to his work at the Center, Mr. Hood is also Director of Christian Social Ministries for our association. His office is in the Baptist Center, 203 Delway Street, telephone 833-3743. This work is co-sponsored by the Home Mission Board, the City and Metropolitan Missions Department of the Baptist State Convention, and the Raleigh Baptist Association. Twenty-five churches of our association make special gifts for this work at the Center. Others are invited to participate by sending their checks to Baptist Center, Raleigh Baptist Association, 301 Hillsborough Street, Raleigh, N. C. 27611.

New work has been started this past year in two areas of our association. On April 12, 1970 Green Pines Baptist Church was organized. At the end of five months, this church had a membership of 120. On September 27, 1970 Mission work was begun at the J. W. York Elementary School on Brookhaven Drive in north-west Raleigh. This work is co-sponsored by the Hayes Barton Baptist Church and the Raleigh Baptist Association.

We are seeking to meet the challenge of the 70's. To do so, we must study our association in the light of vast social and economic changes and enlist the involvement of dedicated men and women in all of our Christian ministries.

Robert L. Costner presented the report for the treasurer. This was a written report and was approved as read.

The requirements for the Baptist Center were discussed. W. C. Adkinson moved that the Association pay the 36% of expenses not covered now by the Home Mission Board. The motion was seconded and approved. The council also approved plans for fire insurance coverage for the Center and insurance on the children who participate in the daily program.

Mr. Costner presented the plan for a Chaplaincy Program in the North Hills Shopping Mall. The Home Mission Board, the Baptist State Convention and the Raleigh Association are requested to sponsor this new work. Bennett Straughn moved that the Association begin this as new work and give \$500.00 through September 30, 1970. The motion was seconded and approved.

Stanley Webb brought a report from the membership committee that Pleasant Ridge Baptist Church be brought under the watch-care of the Association for the balance of this associational year. Motion was made by Jack Coffey and seconded by W. C. Adkinson that the committee report be approved. Motion carried.

Otis Hooks sent a report of Sunday School activity. The Association has been divided into nine groups. Nine people will receive special training in Sunday School work for the 70's and will go into the churches to assist in the changes scheduled for October 1970.

Jack Coffey reported on a preview of a Billy Graham movie to be held at the Ambassador. He urged ministers and lay people to see this movie. He also spoke on importance of attending the conferences on evangelism in Greensboro.

Following a discussion on seeking good sites for new missions and churches, the meeting was adjourned with prayer.

Minutes of last meeting were read and approved.

The W.M.U. report was given by Mrs. J. Kyle Graybeal. She gave details of meeting held at Hillcrest Baptist Church. She has attended a number of "Shaping the 70's Conferences". The W.M.U. leadership of the Association is most interested in helping to establish an active W.M.U. in every church. The annual session of the W.M.U. will hold day and evening sessions.

Eugene Scarborough gave a report on the Youth and Family Service Ministry. Progress is being made in various phases of the work. The Minister's Day in Court is functioning adequately. The Youth and Family Service Committee has held two meetings. The greatest need just now is for more lay people to participate in the program of ministering to children in trouble.

Bennett Straughn reported on the Church Training activities. Youth Night was one of the most successful in years. The tournaments were held at Ephesus Baptist Church and were well attended and associational winners were announced.

Since he is leaving the Association his resignation was accepted with regret. Mr. Costner expressed appreciation of the Association for the splendid work Mr. Laine has done in our various meetings.

Mr. Robert L. Costner led a discussion about the property we now own and possible new locations for churches. Jack Coffey suggested we hold on to sites we now own on 401 South and 70 West until it was definite that we would not need to establish churches there. He also suggested we might have a joint effort with the Yates Baptist Association in a Chaplaincy program for the Research Triangle. L. D. Holt suggested that our missions committee confer with school board officials about future school sites and seek to purchase property in these areas as early as possible.

The meeting was adjourned with prayer by Dr. James F. Heaton

The cost of 8.6 acres with a house located on it is \$30,000.00. The Executive Committee of the Association joined with the Missions Committee in suggesting that the Association borrow \$27,000.00 to make this purchase possible. The church has made a down payment of \$3,000 to hold the property and it is understood that Green Pines will make additional payments for this land. After full discussion Dr. James F. Heaton moved that the Association borrow the funds needed at the best possible terms. Motion was seconded and approved.

Bullard had submitted his resignation, effective the end of the associational year and that the committee had two suggestions regarding the work of the associational treasurer. One, that Ted Williams, Clerk of the Association also be elected Disbursing Treasurer; two, that Mrs. Mary Conn, Office Secretary, be given additional duties as Financial Secretary. This would mean receiving, recording and banking all funds for the Association. A motion was made and seconded that the report be approved. Motion carried.

21. Bennett Straughn, Chairman, brought the report of the Calendar Committee as printed in the Book of Advance Reports and moved its adoption. Motion carried. The report is found on page 5.

22. W. C. Adkinson, Chairman, presented the report of the Missions Committee as printed in the Book of Advance Reports and moved its adoption. Motion carried. The Moderator welcomed representatives of Green Pines and the new work in North West Raleigh. The report follows:

MISSIONS COMMITTEE REPORT

The Missions Committee of the Raleigh Baptist Association has enjoyed a good year of achievement. The committee has worked closely with a dedicated group of people in the Green Pines Community, one mile east of the Neuse River and located just off Highway 64, East. This area has been under study for a number of years. This spring seemed to be the logical time to follow through on our plans. A large number of interested people met April 5, 1970 in the Knightdale School to discuss the issues involved in starting a new church. Our Secretary of Missions met with this group and presented suggestions and encouragement. Reports of previous meetings of interested people showed a great need for this new work.

On April 12, 1970 the Missions Committee met with a large number of people in the Knightdale School for the purpose of starting a new Baptist Church. W. C. Adkinson, Chairman of the Missions Committee, presided over the service of organization. James F. Heaton, pastor of the Tabernacle Baptist Church, Raleigh, brought a message on "The Church". L. E. Forrest, Moderator of the Raleigh Baptist Association, and Thomas Bashford, member of the Missions Committee participated in the service. Robert L. Costner called upon those who wished to join the new church and 67 persons responded.

At a later meeting of the new group, James Pulley, retired Chaplain and resident of the Green Pines Community, was called to be the pastor. When the charter period ended some weeks later, the church had 117 members.

Members of the Missions Committee met with representatives of the Green Pines Baptist Church on two occasions to locate a suitable site for the church. Two sites were under study and the committee made suggestions that were later studied and voted upon by the church in business conference. The church voted for a beautiful site of 8.6 acres. The Missions Committee recommended to a special called meeting of the Executive Council of the Raleigh Baptist Association that we assist the church in the purchase of this \$30,000 property. The Council voted to assist in every way possible, either through a loan arrangement or the sale of our property on 401 South or a combination of both.

Your Missions Committee has held three meetings in regard to beginning a new church in the Birchwood Hills, Deblyn Park, Brookhaven, Lake Ann, Oak Park, Glenwood Forest, and Laurel Hills area. We already own a lot in the Birchwood Hills subdivision. On August 18, 1970, our committee met with the Missions Committee of the Hayes Barton Baptist Church. We discussed the possibility of Hayes Barton acting as co-sponsor with the Association in starting a mission at the J. W. York Elementary School, 5201 Brookhaven Drive. Hayes Barton has voted to follow through with this suggestion and has a special missions committee appointed to work with the new mission and the Missions Committee of the Association.

On September 27, 1970, there were 34 persons present for the organization of this new mission. Ten persons presented themselves for membership. This meeting was held in the J. W. York School and will continue to meet there until further arrangements are made.

The Missions Committee is grateful for the continued support of all the churches in the Association as we seek to begin new work where it is needed. We will need even greater financial assistance as we strengthen the work we have started during this past associational year.

23. Harold West, Chairman, presented the report of the Membership Committee as printed in the Book of Advance Reports and moved its adoption. Motion carried. The report follows:

MEMBERSHIP COMMITTEE REPORT

The Associational Committee on Membership met at the Ephesus Baptist Church January 8, 1970, to consider the request of Pleasant Ridge Baptist Church on Lake Wheeler Road, Raleigh, North Carolina, for membership in the Raleigh Baptist Association.

After prayerful consideration, the committee recommends that the Pleasant Ridge Church be brought under the watchcare of the Association until the 1970 Annual Session of the Association. This recommendation was presented to the Raleigh Association Executive Council and approved at the January, 1970, meeting. This action was taken because the request of the Pleasant Ridge Church was forwarded to the Baptist State Convention and did not reach the Raleigh Association Membership Committee in sufficient time for the committee to make a report at last year's Annual Meeting.

The Membership Committee of the Raleigh Association met Monday, September 21, to consider the progress of the above mentioned church and two newly organized churches. The Green Pines Baptist Church was organized April 12, 1970, by the Missions Committee of the Raleigh Baptist Association. This church is located approximately 1½ miles east of the Neuse River near Highway 64. The church is fully organized with approximately 125 members and gives approximately 10% of its gifts to missions.

A Baptist Work was organized September 27, 1970, at the J. W. York School by the Missions Committee of the Raleigh Baptist Association and the Missions Committee of the Hayes Barton Baptist Church. This group will meet in the York School until more suitable arrangements are made. A permanent location will be decided on later upon approval of the Missions Committee, Membership Committee and the Raleigh Baptist Association.

Again, after careful and prayerful consideration this committee makes the following recommendations in accordance with Article III of the Constitution:

1. Because of its attitude and cooperation with the Southern Baptist program, we recommend that the Pleasant Ridge Baptist Church be accepted into the full fellowship of the Raleigh Baptist Association.

2. It is recommended that the Green Pines Baptist Church come under the watchcare of the Raleigh Association for a period of one year, after which the church's progress, attitude and cooperation will be reviewed and considered for full fellowship.

3. It is recommended that the Baptist Work organized on September 27 at the J. W. York School come under the watchcare of the Raleigh Association for a period of one year, after which the group's progress, attitude and cooperation will be reviewed and considered for full fellowship.

24. Gordon K. Middleton, Sr., Chairman, presented the Report of the Memorials Committee as printed in the Book of Advance Reports and moved its adoption. Motion carried. The congregation stood in silent memory and Dr. Middleton led in prayer. The report follows:

MEMORIALS COMMITTEE REPORT

Each year at our Annual Associational Meeting, we pause in our deliberations to remember our friends and co-workers who have passed on to their reward.

Christian friends and Christian fellowship mean much to us and have been the source of encouragement in our personal lives, as well as in wider aspects of missions here and around the world. The lives of those who have gone on ahead will continue to be an inspiration to us.

Let us stand for a moment of silence as we recall the names of those who are with Christ, and give thanks for them and for their lives, remembering as we do, to pray that God will raise up more laborers to take their places.

25. Luther Brewer presented the report of the Social Services Committee as printed in the Book of Advance Reports. He presented William R. Jessup, Executive Secretary of the Raleigh Community Relations Committee. Mr. Jessup said that:

1. The church must be sensitized to the needs of people.
2. The church must work on changing attitudes as well as behavior.
3. The church must offer economic guidance and assistance.
4. The clergy must be involved in civic and social affairs.
5. The church must be involved in making of its membership good citizens.

6. The church must be a part of the process of reconciliation.

Mr. Brewer moved the adoption of the report. Motion carried. The report follows:

SOCIAL SERVICE COMMITTEE REPORT

Your Committee recognizes that the "business as usual" philosophy if applied to the church will not be adequate for the church in the 70's. The church needs new skills, better attitudes, and a vitalized sense of social responsibility if she is to minister in the present storms of social change.

The real question is, "Will the church consent to be the church, and live out the logical, yet radical dimensions of her call to discipleship?" The choice is ours. The church can be alive and effecting change in the lives of people; or it can be apathetic, irrelevant, trivial, class-conscious, race-conscious and theologically illiterate.

The church has the resources and potential for influencing change in our society. The Gospel provides the foundation for such concern. As Haskell Miller has said: "In some respects the church has the best possible opportunity for encouraging and leading our people to creative social achievement. It has the voluntary interest and participation of people at the level of their concern for highest values. No other institution in our society has such a good basis for getting our citizens to do the very best of which they are capable. Using this opportunity, the church can, if it will, inspire its people to the hard tasks of building better structures in our society." Such is our task!

26. H. S. Yarborough, Jr. led in singing "All the Way My Saviour Leads Me."

27. Otis T. Hooks, Director of Sunday School work for the Association, presented the Sunday School Report as printed in the Book of Advance Reports. The report was received as information. The report follows:

SUNDAY SCHOOL REPORT

This has been a very busy year because of all the improvements that we have studied about. We have had nearly two years to study and train ourselves for the 1970-71 year

in our Sunday School work. Many hours of preparation have been spent getting ready for this great year. I believe that this could well be our greatest in Sunday School work (that of reaching people) in many years. I feel we have the program and the people to put it into practice.

What will it take on the part of our people to have success? Paul said, "If God be for us, who can be against us?" Romans 8:31. So I believe God is for us. What is our part? *Commitment*. What is the meaning of commitment? Jesus has the answer in Matthew 16:24, "If any man will come after me, let him deny himself and take up his cross and follow me."

1. *Abandon Self* "Let him deny himself."
2. *Identify* with Christ "and take up His cross."
3. *Service* "and follow me."

May God help us to commit ourselves to Christ totally and we will see great results this year.

We have some of the best leaders in our Sunday School associational work this year. We have planned a meeting in January for a one night clinic for "Teacher Improvement" and "Out-reach," in April our V.B.S. Clinic and in May a Sunday School Conference Night. This will be another great year I am sure in our Sunday School associational work.

I urge every pastor to join with me in doing more than we have done in the past to urge our people to support our Sunday School associational work. I count it a privilege and a place of service to be your director.

28. Bennett Straughn, Director of Church Training for the Association, presented the Church Training Report as found in the Book of Advance Reports. The report was received as information. The report follows:

CHURCH TRAINING PROGRAM

"M" Night in 1969 was changed from the first Monday night in December to November 3, the first Monday night in November. The change proved very successful with 3,347 in attendance which was the highest attendance in North Carolina and 3rd highest in the Southern Baptist Convention. The program featured 350 young people singing the Folk Spiritual, "Tell It Like It Is." Mr. Don Laine of the New Hope Baptist Church directed the choir. Temple Baptist Church won the loving cup for the highest attendance with 189 present.

Youth Night was held in Tabernacle Baptist Church with a fellowship hour followed by a program of inspiration in the sanctuary.

Attendance at the summer assemblies was very good.

Participants in the various tournaments were: Junior Memory Work—Mary Ann Parrott of Forest Hills Church; Cheryl Lee Worley, Becky Stewart and Pamela Rogers of First Baptist Church, Garner; Terron Teander and Wilburn Calton of Boulevard Church; John Holland, and Robin Holland of Hayes Barton Church; Barbara Sauls, Keith Bennett, Edward Bennett, and Craig Nobling of Turner Memorial Church. Intermediate Sword Drill—Theresa Green of Garner Baptist Church and Richard Adams of Pleasant Grove Baptist Church. Arnold Walton of Pleasant Grove Baptist Church represented the Young People in the Speaker's Tournament. Participants in the Adult Scripture Reading Tournament were Mrs. Emily Barfield of Boulevard Baptist Church and Edley Wilder of Tabernacle Baptist Church. Mrs. Barfield was the winner in the Association also in Region IV and was declared winner for the state.

29. Mrs. J. Kyle Graybeal, Director of Woman's Missionary Union for the Association, presented the W.M.U. Report as printed in the Book of Advance Reports. The report was received as information. The report follows:

WOMAN'S MISSIONARY UNION REPORT

The WMU Hymn for the year "Seal Us, O Holy Spirit" reminded us of the presence and power of the Holy Spirit as we were challenged by our Watchword that "Our love should not be just words and talk; but it must be true love, which shows itself in action." Because we serve a living Lord, and we serve him primarily through the outreach of his church, Woman's Missionary Union seeks to magnify Christ and to strengthen the local church in obeying his Great Commission. Woman's Missionary Union seeks to perform distinctive tasks, both in helping the church carry out its mission and in bringing Baptist women to their highest fulfillment of responsibility. We believe WMU can make missions clear and compelling for today's Baptist woman and girl, help develop her talents, channel her energies, minister to her needs, nurture her spiritual life and bring her into right relationship with Christ to find her place in the mission of the church.

Because the Association exists to assist churches in their work, the meetings and training opportunities listed in the following paragraphs were provided in the hope that they would help members to serve the Lord Christ through Woman's Missionary Union.

WMU Meetings

On October 27-28, 1969 WMU and age-level Basic Leadership courses were taught at Ephesus Church in repeat morning and evening sessions. There were 181 persons present and 114 leadership cards earned. Miss Sara Ann Hobbs, Executive Secretary for WMU of North Carolina, was the guest teacher for the WMU Manual Study.

On January 29 the Home Mission Study Institute was held at Hillcrest Church. There were 79 persons from 27 churches present for the repeat morning and evening sessions. Mrs. Robert Costner and Mrs. Wm. Crawley directed the Institute.

February 9, at Longview Church, and February 23, at Forest Hills Church, "Shaping the 70's" conferences were held for all church organizations. There were 136 persons from 50 churches attending the WMU session of the conference. Mrs. J. Kyle Graybeal and Mrs. James Gates attended state "Shaping the 70's" conferences in Goldsboro in preparation for these conferences.

The Annual Meeting of Raleigh WMU was held at First Baptist Church, Raleigh, on April 23. The theme for the meeting was "Living The Spirit of Christ." Special features and speakers were a voice choir presenting "Living The Spirit of Christ," Mrs. Gilmer Cross, "WMU 70"; Mrs. R. L. Stocks, missionary to Zambia, "His Spirit in Missions"; and Otis Hooks, "Onward—In His Spirit." There were 145 present for the morning session and 50 persons attended the repeat evening session.

On September 14 and 21, 1970 a Leadership Training Clinic was held at Temple Church. The following leader manuals were taught: WMU, Baptist Women, Baptist Young Women, Acteens, Girls in Action, and Mission Friends. Repeat morning and evening sessions were attended by more than 350 persons. Church Study Course Awards were earned by 250 individuals from 41 churches.

YWA Meetings

November 10, 1969 was the date for the first regular meeting of Associational YWA at First Church, Cary. There were 30 girls from 7 churches to hear Jerry Potter, missionary to the deaf.

On February 9, 1970 the Annual YWA Banquet was held at New Hope Church. This

was a highlight of the year's activities. Harvey Duke, pastor from First Church, Cary, brought an inspiring challenge to the 87 girls present from 15 churches.

The May 10 meeting was held at Temple Church with 24 girls present.

GA Meetings

On December 8, 1969, Boulevard Church was hostess to 95 girls from 13 churches. Johnny Crow presented the Christmas Story most effectively with a chalk talk.

There were 100 girls from 14 churches meeting at Hillcrest Church for the regular meeting on March 9.

Pullen Park was the setting for the annual picnic for GAs. There were 250 girls present on May 23 for this event. Miss Jolene Ivey, North Carolina GA Director, was the guest speaker. The girls gave \$150 as a love offering to help with the purchase of a bus for mission work in Guam.

On September 8, 24 girls were present at Swift Creek Church to hear Mrs. Nancy Hern, missionary to Jordan, and her daughter, Louise, tell about their experiences in that critical part of the world.

Camps

Two weeks of camps for GA girls were held at Camp Lapiho, Umstead Park, on July 6-11 and July 13-18. Mrs. W. C. Adkinson was camp director. There were 169 girls enrolled for these weeks of mission study, Bible study, handicraft, nature study, and worship experiences. There were 44 girls professing their faith in Christ and other decisions including re-dedications and commitment for service brought the total number of decisions to 128.

Sunbeam Day Camp for World Friends was held June 25 at Longview Church from 9:30 a.m. to 3:00 p.m. The theme for the day was "American Indians." There were 57 present from 9 churches. Mrs. Carlton Fleetwood was Director and Mrs. Montez Cox, Assistant Director.

Associational Executive Council

Members of the council meet regularly once a quarter for planning. In addition many attend WMU Week at Ridgecrest and the State Workshop for associational leaders held the last weekend in August this year at Camp Mundo Vista. Mundo Vista was also the setting for this year's annual planning meeting. I am confident that this time spent in planning and preparation was a factor in the earning of the Distinguished Recognition on the WMU Achievement Guide. I am personally grateful for each member of the council.

During the coming year as we are committed anew to the cause of missions around the world may our prayer be "God of Grace and God of Glory, grant us wisdom, grant us courage, for the facing of this hour; for the living of these days."

30. Edwin Bullock, Director of Brotherhood for the Association, presented the Brotherhood Report as printed in the Book of Advance Reports. The report was received as information. The report follows:

BROTHERHOOD REPORT

The associational Brotherhood organization has had a good church year. In terms of meeting our basic objective of helping the churches with their men and boys' missionary education and activity programs, there seemed to be substantial evidence that the 1969-1970 year has been an excellent year.

In November of 1969 a well attended workshop for Baptist Men's leadership and Royal Ambassador leadership was held at Calvary Baptist Church. On February 16, 1970 a special training and planning session for the Royal Ambassador leadership from the

churches was held at St. John's Baptist Church. In the session at St. John's there was an opportunity to make the plans and establish the necessary organization for the Association's first Royal Ambassador track meet. The track meet was held at Cary High School on Saturday, April 18, with over one hundred boys from eleven churches participating. Winners in the associational meet represented the Association in the state Royal Ambassador Track Meet at Wake Forest University, May 16, 1970.

As for associational meetings for men and boys, the year's activities were sort of climaxed with a Baptist Men and Boys' Night at Devereaux Meadows Baseball Park, Saturday night, August 15. Approximately 175 men and boys were on hand for a hot dog supper, the viewing of the baseball game, a public address testimony by Broughton High School Coach Ed McLean and some great father-son (men and boys) fellowship.

In terms of special mission activity the men of the churches have been called upon to participate in several such activities during the year. The only such activity which is considered to be an on-going activity at the moment is a sponsoring type ministry with inmates at the Wake Advancement Center. There was one planning and training session for men who have expressed willingness to work in this mission activity at the Advancement Center on Saturday Morning, September 5. This program is getting underway and should mean a great deal both to the inmates and to the churches who provide men to work with the program.

Men of the churches are even now being challenged to work with other mission activities such as a special daily Christian witness film showing at the N. C. State Fair and a potential ministry with alcoholics.

Even more training sessions, mission inspiration type meetings, special boys activities and cooperative mission efforts are planned for the new 1970-1971 church year. There is every reason to believe that the new year will provide greater challenges and more success. Encourage your men and boys to pray together and study together so the proper motivation will be provided for the work that needs to be done as it is daily discovered.

Your associational Brotherhood officers went directly to a number of churches this year. We will accept as many invitations as possible for this type of personal church assistance during the new church year. Please call on us when we can be helpful.

31. H. S. Yarborough, Jr., Director of Church Music for the Association, presented the Report on Church Music. The report was received as information. The report follows:

CHURCH MUSIC REPORT

This past year our previous associational music director, Don Laine, led the music sections of the "Shaping the 70's" Conferences at Longview Baptist Church and at Forest Hills Baptist Church. A good group of interested church musicians attended both sessions. In these conferences he tried to interpret the new music periodicals offered for the 70's. Packets of information were distributed at those meetings for the leaders of music in the various representative churches in attendance.

For "M" Night, Mr. Laine directed a choir of 350 young people singing the folk spiritual, "Tell It Like It Is."

At the end of the summer I was approached to assume the role of music director for the remainder of the year. Since this time, we (the associational music council and I) have had a meeting at which time we proposed to form a representative council for our Association in addition to our present officers. These would be music leaders from the different areas of the Association who would be in frequent touch with each church in the Association concerning matters of importance to their music programs.

We are planning a clinic this spring that will be planned to meet the needs that our

representatives have presented to us that you feel are your most pressing ones. Also, we are planning an associational-wide youth choir presentation of a contemporary Christian folk musical this coming summer.

Other ideas concerning the music program of this Association will be freely received by this council from any interested persons in our Association. It is our desire to aid in the development of sound and progressive programs for each of our member churches.

32. H. S. Yarborough, Jr. led in singing "Blessed Assurance, Jesus Is Mine" and "When I Survey the Wondrous Cross."

33. The clerk brought a report on registration. Total registration was 328 messengers and 94 visitors. 69 churches were represented. A breakdown of these figures showed 217 messengers and 49 visitors with 60 churches represented on Thursday night and 111 additional messengers and 45 additional visitors registered on Friday morning, with 9 additional churches represented.

34. The moderator, in the absence of the Chairman, presented the report of the Committee on Committees as printed in the Book of Advance Reports. H. A. Hodge, Jr. moved that the report be adopted. Motion carried. The committees as elected are printed on page 8 and 9 of this Annual.

35. W. C. Adkinson, Chairman, brought the report of the Committee on Nominations as printed in the Book of Advance Reports and moved its adoption. Motion carried. The list of officers as elected appears on page 7 of this Annual.

36. Jack Coffey, pastor of the New Hope Baptist Church, moved that at least one or two additional laymen, who are knowledgeable in Real Estate in Wake County, be added to the Missions Committee by the Executive Council at its January meeting. Motion carried.

37. James Pulley, Chairman, brought the report of the Committee on Place and Preacher and moved its adoption. Motion carried. The report follows:

REPORT OF PLACE AND PREACHER COMMITTEE

We recommend that the Thursday evening session (October 28) meet with the Calvary Baptist Church of Raleigh and that Friday's session (October 29) meet with the Wendell Baptist Church.

We recommend that the Annual Sermon be preached by John E. Lawrence and that T. L. Cashwell, Jr. be the alternate.

38. Thomas Bashford, Chairman, presented the report of the Committee on Resolutions and moved its adoption. Motion carried. The report follows:

39. Mrs. Nathan C. Brooks, Jr., Children's Homes Representative for the Association, presented Roger E. Williams, Superintendent of Kennedy Home, Kinston who spoke on the work of the Baptist Children's Homes in North Carolina. The report as printed in the Book of Advance Reports was received as information. The report follows:

BAPTIST CHILDREN'S HOMES REPORT

Under the impact of the life, ministry and teachings of Christ and under the leadership of the Holy Spirit, North Carolina Baptists, eighty-five years ago launched a Christian ministry of child care. This has grown considerably and is widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Children's Homes are scattered throughout the world. They are actively engaged in all walks of life and are making a significant contribution to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptists and other friends.

Baptist child care and family services for Eastern North Carolina are coordinated through the office of the Superintendent of Kennedy Home. The main campus, located on a 1200 acre farm five minutes west of Kinston, has twelve cottages which accommodate from ten to twelve children each. The campus at Odum Home and regional offices in Raleigh and Fayetteville are additional points through which these services are administered. An area of great growth in recent years has been the increase of foster homes from one to fourteen in number.

Recent construction has provided two of the most modern brother-sister residences plus two individual houses for staff families. Currently being completed is a new infirmary of modern design, and a new multi-purpose recreational building.

The most exciting development for this section is the Ten Star Builders Program which proposes to raise two and one-half million dollars for immediate and long-range expansion of child care and family services in the east. This will permit the renovation or replacement of old facilities and will result in a greater quality and variety of services.

The contribution of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to our continued operation

and are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthy the blessings of our Lord. We covenant with you to face the future as we have the past: to offer Christian nurture to children in distress in the name of Christ our Savior and Lord.

40. H. S. Yarborough, Jr., soloist, sang "Give Me A Vision" by Beverly Terrell. He was accompanied by Mrs. Bill Goodwin at the organ.

41. W. M. Enzor, pastor of the Pilot Baptist Church, read II Timothy 1:3-10.

42. Ronda E. Robbins, pastor of the Apex Baptist Church, preached the annual sermon on the subject "The Cure for the Baptist 'Blahs'." The outline of the sermon follows:

- I. What is the Cause of the Baptist 'Blahs?'
 1. Pre-occupation with things other than the things of Christ.
 2. Popularity of the church has been responsible.
 3. Programming in our churches has been somewhat responsible for our illness. There should be more meaning in our meetings rather than just more meetings.
 4. Paradoxical moral standards of the church have contributed to its downfall.
- II. What Have We Tried to do About It?
 1. We have tried to see how nearly like the world we could become in the church and yet not turn loose of the church.
 2. We have built finer buildings which we have used less and less.
 3. We have tried new curriculum, programming, and literature.
- III. What Can We Do About It?

That which Paul urged Timothy to do, "Stir up the fire."

 1. A recognition of purpose in our relationship with Christ and His church.
 2. A renewed dedication to Christ and His church.
 3. A revival of prayer and Bible study.
 4. An acceptance of people as persons.
 5. A renewed respect for responsibility.
 6. It may be that the church will have to become a more restricted fellowship.

43. H. S. Yarborough, Jr. led in singing "Open My Eyes, That I May See."

44. Roy Hood re-emphasized an announcement he had made on Thursday night asking each church to appoint four people to serve as a Christian Social Ministries Committee.

45. Robert L. Costner, Secretary of Missions for the Association, presented Bruce Heilman, President of Meredith College who introduced several members of his staff and pointed out that most of them are products of Baptist institutions of higher education. Dr.

Heilman presented Miss Patsy Johnson, a Meredith student and a former Miss North Carolina. She spoke about what Meredith means to her and sang "Here Is My Life." The Report on Christian Higher Education prepared by Ben C. Fisher, which appears in the Book of Advance Reports, follows:

CHRISTIAN HIGHER EDUCATION REPORT

Training for Church Leadership

The seven North Carolina Baptist colleges had enrolled last year more than 600 students who have dedicated their lives to full-time Christian service. The largest number of these young people will become pastors, missionaries, directors of religious education, directors of church music, chaplains, denominational workers, and Christian college teachers.

Cooperative Program

Outside of student charges, the Cooperative Program continues to be the largest single source of annual income for our colleges. The North Carolina Baptist colleges are grateful for the generous support they have received during the past year: Campbell College—\$293,223; Chowan College—\$175,583; Gardner-Webb College—\$166,804; Mars Hill College—\$252,840; Meredith College—\$252,840; Wake Forest University—\$430,178; and Wingate College—\$184,362.

Baptist Youth Corps

The Baptist Youth Corps has moved into its second summer of operation. This joint venture between the Baptist colleges and the Church Training Department has been a highly profitable venture for both churches and colleges. The interest in this program has been demonstrated by the large number of applications this year.

In addition to the Baptist Youth Corps, Baptist college students are working in a number of other areas and programs: Summer Assemblies, Brotherhood Department, Woman's Missionary Union, Vacation Bible School, Audio-Visual Aids, Department of Work with the Deaf, Town and Country Department, and Interracial Cooperation Department.

Baptist College Day

Now is the time to begin preparation for the observance of Baptist College Day on Sunday, June 20, 1971. Many churches include all special offerings in their budgets. Others take the special offerings on designated days. Free bulletin inserts, bulletin covers, and offering envelopes are made available to all Baptist churches in North Carolina who wish to use them on Baptist College Day. The Baptist College Day offering helps to meet critical financial needs.

46. A brief installation service for the newly elected officers was conducted by Robert L. Costner who led in a prayer of dedication. The prayer also served as the grace for the meal and the benediction.

47. Moderator Forrest declared the 165th Annual Session of the Raleigh Baptist Association adjourned.

YOUTH AND FAMILY SERVICES

There has been an expanded emphasis in our Youth and Family Services Ministry during this past associational year. The contacts with children at the Wake County Detention Center were not as fruitful as one would desire. Only a small portion of the children brought before the Wake County Juvenile and Domestic Court were being touched by our ministry. Moreover, the parents of children in trouble were rarely seen at the Detention Center.

Out of this frustration, "The Minister's Day in Court" was conceived and put into operation. After several meetings with a few ministers, we determined that we would seek to involve interested ministers of different denominations for a three-month trial program. Some problems were evident in this ministry, but we are constantly seeking a better procedure of meeting the family in trouble and continuing with them. The judges of the Wake County Circuit Court have been most helpful in our work. They are interested that the community become involved in the treatment of youthful offenders.

Perhaps our greatest need now is to establish strong follow-up procedures which will involve the laity of the churches. The ministers' involvement at the court is primarily meant to convince them that there is a problem with juvenile crime in Wake County, and that they need to become involved in dealing with it.

Another need is for us to establish some way of working with potential delinquents at the elementary and junior high school levels. This might be done most effectively through a tutorial program in churches. Several churches could work together on this.

Your Youth and Family Services Committee is eager to be of help to the churches as they seek to minister to families in trouble. This Committee is composed of Joe Zimmerman, Douglas Ponder, and Jim Beatty. Advisors to the Committee are Larry Clark, Director of Personnel Services for Wake County Schools; John Hamilton, Head Probation Counselor for Wake County Juvenile and Domestic Court; and Wayne Henderson, Director of Wake County Mental Health Clinic. All of these men can help us to know the areas of need which the church may fill. It is our purpose to bring the message of Christ to help in solving the youthful crime problem in Wake County.

Eugene Scarborough, Director
Youth and Family Services

EVANGELISM REPORT

All Christians need to accept the challenge of Acts 2:32—"This Jesus hath God raised up, whereof we all are witnesses." Christians know Jesus to be alive because they have had an encounter with Him. Having had the experience, we need to tell others of it in hopes that they will have it too. All Christians need to reveal to the world a greater concern for evangelism and total Christianity.

Exciting things are happening in our Convention as leaders in Evangelism are accepting new challenges for our day and are providing our churches with resources and opportunities to learn how we may better fulfill our task.

An Evangelism Research Seminar has been planned for October 5-6, 1970 at Southeastern Seminary. This seminar will include an in-depth study of five papers related to evangelism. Your Chairman plans to attend this seminar and trusts that others of our Association will avail themselves to it also.

The 25th Statewide Evangelism Conference will be held at War Memorial Auditorium and Greensboro Coliseum on February 1-2, 1971. The closing session will be a Youth Evangelism Night in Greensboro Coliseum which seats 16,000 with Dr. Leighton Ford of the Billy Graham Association as the featured speaker. Pray for this special session that many youth will make genuine decisions for Christ.

Jack F. Coffey, Chairman

COOPERATIVE PROGRAM REPORT

The strength of our World Mission Program depends upon the support we receive through the Cooperative Program. This is the channel through which every church can share in world missions. Every phase of our mission work at home and abroad such as evangelism, Christian education, medical work, child care and care for the aging.

There are more than 72 different countries and areas of the world where we carry on some type of missionary work. More than \$28,000,000 is budgeted through the Cooperative Program for world missions. We wish to commend every church in our Association for what they do to minister in the name of Christ.

We need to undergird our Cooperative Program through prayer, education, and our financial support. We are living in a day when the whole world is in revolution and turmoil. The inflationary period in which we are living is causing some hardship among those who serve abroad as well as in the homeland. We need constantly to increase our support through the Cooperative Program.

Respectfully submitted,
W. C. Adkinson, Representative

HOMES FOR THE AGING

God has blessed our Homes for the Aging through all of our nineteen years, and during the past year in a very special way. We acknowledge His goodness and thank Him for every manifestation of His love. We also want to express sincere gratitude to our Baptist people for their increased love and concern for the 195 dear elderly people to whom we are ministering in our five Baptist Homes—Resthaven, the Hayes Home and Nursing Care Unit in Winston-Salem; the Albemarle Home in Albemarle; the Hamilton Home in Hamilton; and the Yanceyville Home in Yanceyville.

An urgent appeal was made to our Baptist people before our offering in February to help us reduce the alarming deficit in the operation of the Homes. This plea was heard and the offering of \$168,349.34, from July 1, 1969 through June 30, 1970, came from the Baptist churches. This exceeded all other offerings in previous years. Fifty-five churches in the Raleigh Association made contributions amounting to \$6,516.11 during the last fiscal year. We want to urge our people to continue giving liberally to our Homes and to remember that we are still confronted with the staggering cost of living and the great need to strengthen the total economy of the Homes as we try to move forward in developing and expanding this vital ministry to the aging. For example, even though our offering reflects an increase over the previous year, this increase will only take care of approximately half of the additional amount necessary in operating the Homes for the coming year, due to inflationary pressures.

Of great interest in our Development Program is a proposed new addition to our present Nursing Care Unit. Judge and Mrs. William M. York of Greensboro, North Carolina, have offered a gift of \$80,000.00 by September 1, 1970. If this proposal is fulfilled, 10 to 12 additional rooms would be made available, with accommodations for 20 to 24 people, and bringing the total nursing care capacity to 80 beds. We appeal to Baptist people to pray for the success of this very special project in the care of our elderly sick.

There is no greater security for an older person than that of the Christian nurture and love offered in our Baptist Homes, and we thank the Lord, and our Baptist people, for this ministry. We shall continue to look to Him and to our people, on behalf of these to whom Christian love means so much, in the faith that our needs will be supplied.

Odis C. Boiter, Representative

BAPTIST HOSPITAL REPORT

Our Baptist Hospital continues to grow, in spite of its serious problems. Physical growth is the result of the long-range development program which has already seen the completion of the new power plant, the School of Nursing and Allied Health Building, and the additions to the Medical School. Construction of the new patient tower is progressing and is expected to be completed by mid-1972.

There is continued growth in the quality of patient care provided. There is improved equipment in the Heart Diagnostic Center in the fight against heart disease; the Department of Nuclear Medicine continues to make progress in the diagnosis and treatment of some of our most dreaded diseases; the Stroke Center renders valuable service in the study and treatment of strokes and brain tumors. New equipment for the Intensive Care Unit includes an instrument which is attached to the patient and measures his heart action and blood pressure; if either varies from a safe range the machine signals the attendant immediately.

Changes in admission procedures have been made necessary by the financial crisis the hospital faces. When a doctor reserves a bed for a patient the admissions office contacts the patient to obtain the needed information, including the type and amount of his hospital insurance. After estimating the hospital bill and determining the amount of insurance coverage, the patient is notified of the difference which he is expected to bring when he enters the hospital. An effort is made to counsel with all patients who need financial aid and assist them in getting help.

With all the growth, one thing remains unchanged: the desire and determination to care for the needy sick. This has been at the heart of the hospital's ministry since it opened in 1923. Last year it ministered to 5,225 Service Patients for 47,499 days of hospital care, in addition to the large number served in the Outpatient Clinics. The free care amounted to more than a million dollars beyond what these patients, their insurance, and all sponsoring agencies paid. North Carolina Baptists provided \$565,000 of this amount—\$237,000 through the Cooperative Program and \$328,000 through the Mother's Day Offering. To date this year 63 churches in our Association contributed \$11,081.11 of the Mother's Day Fund, thus helping the Hospital keep faith with its purpose.

Though our Mother's Day Offerings have grown they have not kept pace with the rising costs and our hospital is running a heavy deficit. If full use is to be made of the new medical procedures and facilities in fulfilling our mission, we are going to have to give our Baptist Hospital additional support.

John W. Lambert, Representative

ANNUITY BOARD REPORT

Good Experience Credit Boosts Benefits

"Good experience credit" is a new term in Protection Program vocabulary. "Good experience credit" means larger benefits for active and retired members as of January 1, 1970.

For the fourth consecutive year the Annuity Board mailed a "13th check" to all recipients of life retirement benefits. The extra check, amounting to 13% of the annual benefit, was the largest to date. Most retired members are finding the "good experience credit" in their 1970 monthly checks which are 4% larger. The "good experience credit" and the "13th check" are realities because interest earnings were in excess of what was required actuarially by the plans.

History of Benefits Paid

Since 1918 the Annuity Board has paid \$73,717,267 in benefits to Southern Baptist ministers, agency and church employees, widows and children through the programs administered.

Highlights of 1969

If the "good experience credit" has been the only accomplishment, 1969 would have to rank as one of the most successful years in Board history, but there were other impressive accomplishments. Here are highlights of the Annuity Board services for 1969.

Total Active Members in:		New Benefit Recipients	1,059
Plan A of Protection Program	24,256	*Retirement	643
Plan B of Protection Program	9,756	Disability	51
Plan C of Protection Program	3,358	Widow	139
Health Benefit Plan	14,871	Child	105
Life Benefit Plan	9,336	Education	100
New Group Insurance (Churches)	1,130	Variable	21
New Group Insurance (Agencies)	2,228		
Churches Billed in Plan A	18,081	Relief Recipients	464
Agencies with Plans	155	Relief Payments	\$ 176,165
*Includes lump-sum and one-time payments.		Total Benefits Paid	\$7,273,851

Annuity Board Programs

A minister, church or denominational employee can create a protection program with the Annuity Board that will cover all his needs. Many churches are helping by paying dues in the retirement, health and life insurance plans. Information on any part of the Annuity Board's programs may be obtained from the state convention office or from the Development Division, Annuity Board, 511 North Akard Building, Dallas, Texas 75201.

The Raleigh Association and 67 churches, 102 staff members, are participating in the Protection Program. Twenty or so churches have upgraded above the \$4,000 ceiling in the basic Plan A.

BAPTIST FOUNDATION REPORT

The fact that the North Carolina Baptist Foundation, Inc. has tripled its assets during the past eight years is proof that this service arm of the Convention has found favor with North Carolina Baptists.

Since the Foundation was reactivated in 1966, assets have increased from \$350,000 to more than one million dollars. This includes trust funds and real estate.

The Foundation advances the Kingdom of God in two major ways: by serving individuals and by serving Baptist agencies and institutions. This includes the Co-operative Program, Missions, Higher Education, the Baptist Hospital, and Baptist Homes for the Aging.

Special Emphasis on Trusts and Wills

The Foundation has again this year put a major interest on the making of wills.

Many churches have used the facilities of the Foundation to conduct Will Clinics, and reports from these clinics indicate that they have been very successful.

The Foundation also has an opportunity to counsel with many people concerning their own wills, and in some instances has provided the information and direction necessary for inclusion of Baptist causes in their will.

The Baptist Foundation has had a most successful year, is on the move, and is rendering service to individual Baptists in a concrete way.

REPORT OF THE BIBLICAL RECORDER

More than ever before, North Carolina Baptists need a dependable source of information. It is difficult these days to get an honest and accurate report on important issues.

In some cases, half truths and rumors are circulated, some of them designed to embarrass and ridicule Baptists. Since it takes so long for truth to catch up with error, some of these impressions in people's minds are never corrected. This makes progress and unity more difficult.

For 137 years, North Carolina Baptists have had the *Biblical Recorder* as a dependable source of information. Week by week it goes into the homes of nearly 90,000 families, striving to speak the truth in love.

In the past year, the *Recorder* was pleased to have had a part in the election of Dr. Carl Bates of Charlotte as president of the Southern Baptist Convention. A *Recorder* editorial endorsing him was considered a factor in his election on the first ballot in Denver. It is an honor to have the convention president from our state. This is just one example of the influence the *Recorder* has had in the past year.

Looking to the future, the *Recorder* promises to continue its fight against liquor by the drink, even in the face of strong opposition from those who are pushing for a greater flow of liquor in our state. If your church is not sending the *Recorder* to every home, try doing this for the coming year so your members can receive the full story on the 1971 General Assembly.

Your church would not think of trying to carry out its mission without literature devoted to the Sunday School, Church Training, WMU, Brotherhood and all other church organizations. The *Recorder* is just as important and should be in the budget just as this literature is. The cost is only 4¢ a week, a penny less than a post card. Your church is the loser by not taking this step. Won't you do it this coming year?

DEPARTMENT OF INTERRACIAL COOPERATION REPORT

North Carolina Baptists have a wide variety of attitudes toward an all inclusive ministry. They range from churches who seek enthusiastically to evangelize and witness to people of all races and cultures, to congregations who refuse to allow their pastors to make mention of the need for better race relations in the community.

The Department of Interracial Cooperation has the primary purpose of promoting more cooperation between the two Baptist State Conventions in North Carolina. The objective is to aid Southern Baptists and National Baptists in North Carolina in their efforts to reach all people with the good news of the gospel. An increase of the spread of the gospel in all parts of the world depends on loving cooperation across racial lines at home.

A record number of 63 representatives from the General Baptist State Convention attended the annual statewide Vacation Bible School clinic at Wingate College in January. These represented 17 of their 57 associations. A future goal is to invite representatives from all associations.

A new seminary extension class enrolling 35 ministers was held in Rocky Mount in March and April, 1970. Classes held at Shaw University enrolled 180 ministers. Additional classes are being planned for various areas throughout the state.

Conferences on human relations were held in April at the Blackwell Memorial Baptist Church, Elizabeth City, First Baptist Church, New Bern, and the Wilkesboro Baptist Church, Wilkesboro. The Reverend John Fleming, professor of Shaw University, Raleigh, and Dr. Henry Turlington, pastor of the University Baptist Church,

Chapel Hill, assisted with these conferences. In May the department participated in a successful two day interracial conference planned and executed by leaders in the New South River Association and the Union Association. All associations have been encouraged to conduct similar type meetings, utilizing the Department of Interracial Cooperation for resource materials, assistance with program personalities and other services.

Also in May, a survey was made to determine what associations and churches within the Baptist State Convention were doing toward promoting a program of work with General Baptist churches. The responses were collected, summarized and copies were sent to all associational missionaries.

Scholarship aid was provided for 23 students at Shaw University, Fruitland Bible Institute, Hood Theological Seminary, Southeastern Seminary, Saint Augustine's College, and North Carolina Central University. This number of scholarships could not have been made available without the assistance of the Howard Memorial Christian Education Fund, Inc., Buies Creek, N. C.

During 1970 the Department appointed 28 young people and adults who served as summer missionaries in a variety of positions. Four of these were sponsored by the Home Mission Board. These workers helped to conduct 55 Vacation Bible Schools throughout the state. The enrollment reached 4,817 with 100 professions of faith. In addition to this the summer workers served with Bible camps and youth groups in Asheville, Brevard, Durham, and Winston-Salem, and a week day ministry known as "Camp Amigo" in Charlotte. Total enrollment for these latter ministries reached over 400.

Those who serve with the Department in addition to the Secretary are Mrs. Mary E. Washington, Office Secretary; Reverend C. C. Craig, Raleigh; Rev. J. Z. Alexander, Raleigh; Rev. Benjamin Daniels, Winston-Salem; and Mrs. Alcovia O. McCall, Asheville. In December 1969, the Reverend Marvin Williams, Rocky Mount, resigned his position after nine years with the Department, to accept a pastorate in Virginia.
